14 services district's allocation from funds
15 appropriated herein not claimed by such
16 district during the state fiscal year may
17 be used by such district for expenditures
18 on preventive services provided pursuant
19 to section 409-a of the social services
20 law, independent living services and
21 aftercare services provided pursuant to
22 regulations of the department of family
23 assistance, claimed by such district
24 during the next state fiscal year up to
25 the amount remaining from the district's
26 foster care block grant allocation,
27 provided however, that any claims for such
28 services during the next state fiscal year
29 in excess of such amount shall be subject
30 to 62 percent state reimbursement exclu-
31 sive of any federal funds made available
32 for such purposes, in accordance with
33 directives of the department of family
34 assistance and subject to the approval of
35 the director of the budget. Any claims
36 submitted by a social services district
37 for reimbursement for a particular state
38 fiscal year for which the social services
39 district does not receive state or federal
40 reimbursement during that state fiscal
41 year may not be claimed against that
42 district's block grant apportionment for
43 the next state fiscal year.
44 The office of children and family services,
45 with the approval of the director of the
46 budget, may reduce a district's block
47 grant allocation by the state share
48 decrease related to federal retroactive

1 budget, may reduce a district's block
2 grant allocation by the state share of
3 disallowances or sanctions taken against
4 the district pursuant to the social
5 services law or federal law.

6 Notwithstanding any other provision of law,
7 the state shall not be responsible for
8 reimbursing a social services district and
9 a district shall not seek state reimburse-
10 ment for any portion of any state disal-
11 lowance or sanction taken against the
12 social services district, or any federal
13 disallowance attributable to final federal
14 agency decisions or to settlement made, on
15 or after July 1, 1995, when such disallow-
16 ance or sanction results from the failure
17 of the social services district to comply
18 with federal or state requirements,
19 including, but not limited to, failure to
20 document eligibility for federal or state
21 funds in the case record; provided, howev-
22 er, if the office determines that any
23 federal disallowance for services provided
24 between January 1, 1999 and May 31, 1999
25 results solely from the late enactment of
26 the state legislation implementing the
27 federal adoption and safe families act,
28 the state shall be solely responsible for
29 the full amount of the disallowance or
30 sanction; provided, further, however, this
31 provision shall be deemed to apply both
32 prospectively and retroactively regardless
33 of whether such sanctions or disallowances
34 are for services provided or claims made
35 prior to or after April 1, 2024.

36 Notwithstanding any other provision of law,
37 any federal disallowance resulting from a
38 federal title IV-E eligibility review or
39 audit that uses extrapolated statistic
40 techniques shall be passed along by the
41 state to any and all social services
42 districts that the office of children and
43 family services has determined have not
44 complied with the title IV-E eligibility
45 requirements or have not taken the neces-
46 sary actions to ensure compliance with
47 such requirements including, but not
48 limited to, failing to: assess and fully
49 document all the criteria and have readily

1 bility for all title IV-E eligible chil-

3 claim title IV-E funding only for cases
4 that meet all of the title IV-E eligibil-
5 ity criteria; and fully implement the
6 social services payment system on or
7 before April 1, 2005 for all direct and
8 voluntary agency foster care services.

9 Notwithstanding any law to the contrary, the
10 office of children and family services
11 shall impose on social services districts
12 any federal disallowance issued against
13 the state as a result of a federal title
14 IV-E secondary eligibility review regard-
15 less of the date the children may have
16 entered foster care, the date the eligi-
17 bility or payment errors occurred, or the
18 filing date of any federal claims for
19 reimbursement; provided, however, that the
20 state shall be responsible for the disal-
21 lowed costs and expenditures related to
22 the placement of children in a facility
23 operated by the office of children and
24 family services, which shall be determined
25 in the same manner as the disallowed costs
26 and expenditures for social services
27 districts other than the city of New York.
28 In order to reimburse the federal govern-
29 ment for the full amount of any disallow-
30 ance imposed on the state by the federal
31 administration for children and families
32 within the timeframes necessary to avoid
33 any potential interest payments on such
34 amount, the office of children and family
35 services is authorized to immediately
36 offset funds otherwise due to each
37 district for a pro rata share of the total
38 disallowed costs based on the percentage
39 of applicable federal title IV-E claims
40 made by that district for the relevant
41 time period as compared to the total
42 applicable statewide title IV-E claims.
43 The amount of the offset against each
44 district will be adjusted, if necessary,
45 upon completion of the disallowance allo-
46 cation process. The final allocation of
47 the amount of any federal disallowance
48 resulting from a title IV-E secondary
49 eligibility review shall be allocated
50 among the districts so that each district
51 shall be responsible for the amount

1 attributable to each of the district's
2 children or cases that are determined by
3 the federal review to be unallowable. Each
4 district shall also be responsible for a
5 portion of the federal extrapolated disal-
6 lowance amount based on the relative error
7 rate for the district. The city of New
8 York's error rate will be based on the
9 federal sample and federal statistics. For
10 all social services districts other than
11 the city of New York, the error rate will
12 be based on a review conducted by the
13 district of a sample of children and/or
14 cases determined by the office of children
15 and family services and a re-review of a
16 sub-sample by the office of those children
17 and/or cases determined by the office. The
18 office of children and family services
19 will determine what is reasonable in
20 establishing the size of the sample and
21 sub-sample for each district. The office
22 of children and family services shall
23 notify each social services district of
24 the sample of children and/or cases from
25 the federal audit period that the social
26 services district must review. Any child
27 or case from the social services district
28 that was included in the federal sample
29 will automatically be included in the
30 social services district's review sample
31 and the determination made at the federal
32 review regarding that child or case will
33 govern for the purposes of the social
34 services district's review. The social
35 services district must complete and submit
36 the results of its review to the office of
37 children and family services within 60
38 days of receipt of the sample. The error
39 rate for the district will be based on the
40 findings of the district's review and the
41 office of children and family services'
42 re-review. If a social services district
43 does not complete its review within 60
44 days of receiving the sample from the
45 office of children and family services,
46 the office of children and family services
47 shall assign an error rate to the social
48 services district based on the relative
49 percentage of the district's applicable
50 title IV-E claims for the relevant period
51 as compared to applicable statewide title

1 IV-E claims for that period and other
2 circumstances that the office of children
3 and family services may consider in order
4 to allocate 100 percent of the federal
5 disallowance. The office of children and
6 family services shall apply each social
7 services district's error rate to the
8 total amount of the district's applicable
9 title IV-E claims including associated
10 administrative expenses. The resulting
11 dollar amounts for all of the social
12 services districts will be summed to
13 derive the total amount of title IV-E
14 claims deemed to be in error statewide. To
15 establish a disallowance percentage for
16 each social services district, the amount
17 of the district's title IV-E claims deemed
18 to be in error will be divided by the
19 amount of statewide title IV-E claims
20 deemed to be in error. The resulting
21 disallowance percentage for each district
22 will be applied to the entire title IV-E
23 extrapolated disallowance calculated by
24 the federal review to determine the amount
25 of the extrapolated disallowance for which
26 the district is responsible. Each district
27 will be credited for the amount already
28 disallowed for any individual children or
29 cases found to be in error during the
30 federal review. The exclusive appeal
31 rights for the review of the amount of the
32 federal disallowance assigned to each
33 social services district shall be pursuant
34 to article 78 of the civil practice law
35 and rules; provided, however, that in any
36 such action all of the social services
37 districts shall be joined as necessary
38 parties and the venue of any such action
39 shall be in Rensselaer county. Any social
40 services district that fails to complete
41 its sample review in the required time
42 frames shall have no right to appeal and
43 shall not be a necessary party to any
44 action brought by another social services
45 district.

29 referred to as the district's block grant allocation. Notwithstand-
30 ing any other provision of law, such block grant allocation shall be
31 based, in part, on each district's claims for such costs, adjusted
32 by the applicable cost allocation methodology and net of any retro-
33 active payments for the 12 month period ending June 30, 2022 that
34 are submitted on or before January 2, 2023 and, in part, on such
35 other factors as determined by the office of children and family
36 services and approved by the director of the budget. Any portion of
37 a social services district's allocation from funds appropriated
38 herein not claimed by such district during the state fiscal year may
39 be used by such district for expenditures on preventive services
40 provided pursuant to section 409-a of the social services law, inde-
41 pendent living services and aftercare services provided pursuant to
42 regulations of the department of family assistance, claimed by such
43 district during the next state fiscal year up to the amount remain-
44 ing from the district's foster care block grant allocation, provided
45 however, that any claims for such services during the next state
46 fiscal year in excess of such amount shall be subject to 62 percent
47 state reimbursement exclusive of any federal funds made available
48 for such purposes, in accordance with directives of the department
49 of family assistance and subject to the approval of the director of
50 the budget. Any claims submitted by a social services district for
51 reimbursement for a particular state fiscal year for which the

1 social services district does not receive state or federal
2 reimbursement during that state fiscal year may not be claimed
3 against that district's block grant apportionment for the next state
4 fiscal year.

5 The office of children and family services, with the approval of the
6 director of the budget, may reduce a district's block grant allo-
7 cation by the state share decrease related to federal retroactive
8 reimbursement for such foster care services identified herein. The
9 office, with the approval of the director of the budget, may reduce
10 a district's block grant allocation by the state share of disallow-
11 ances or sanctions taken against the district pursuant to the social
12 services law or federal law.

13 Notwithstanding any other provision of law, the state shall not be
14 responsible for reimbursing a social services district and a
15 district shall not seek state reimbursement for any portion of any
16 state disallowance or sanction taken against the social services
17 district, or any federal disallowance attributable to final federal
18 agency decisions or to settlement made, on or after July 1, 1995,
19 when such disallowance or sanction results from the failure of the
20 social services district to comply with federal or state require-
21 ments, including, but not limited to, failure to document eligibil-
22 ity for federal or state funds in the case record; provided, howev-
23 er, if the office determines that any federal disallowance for
24 services provided between January 1, 1999 and May 31, 1999 results
25 solely from the late enactment of the state legislation implementing
26 the federal adoption and safe families act, the state shall be sole-
27 ly responsible for the full amount of the disallowance or sanction;
28 provided, further, however, this provision shall be deemed to apply
29 both prospectively and retroactively regardless of whether such
30 sanctions or disallowances are for services provided or claims made
31 prior to or after April 1, 2023.

32 Notwithstanding any other provision of law, any federal disallowance
33 resulting from a federal title IV-E eligibility review or audit that
34 uses extrapolated statistic techniques shall be passed along by the
35 state to any and all social services districts that the office of
36 children and family services has determined have not complied with
37 the title IV-E eligibility requirements or have not taken the neces-
38 sary actions to ensure compliance with such requirements including,
39 but not limited to, failing to: assess and fully document all the
40 criteria and have readily available all the necessary documents to
41 establish and continue title IV-E eligibility for all title IV-E
42 eligible children within the required time frames; claim title IV-E
43 funding only for cases that meet all of the title IV-E eligibility
44 criteria; and fully implement the social services payment system on
45 or before April 1, 2005 for all direct and voluntary agency foster
46 care services.

47 Notwithstanding any law to the contrary, the office of children and
48 family services shall impose on social services districts any feder-
49 al disallowance issued against the state as a result of a federal
50 title IV-E secondary eligibility review regardless of the date the
51 children may have entered foster care, the date the eligibility or

1 payment errors occurred, or the filing date of any federal claims
2 for reimbursement; provided, however, that the state shall be
3 responsible for the disallowed costs and expenditures related to the
4 placement of children in a facility operated by the office of chil-
5 dren and family services, which shall be determined in the same
6 manner as the disallowed costs and expenditures for social services
7 districts other than the city of New York. In order to reimburse the
8 federal government for the full amount of any disallowance imposed
9 on the state by the federal administration for children and families
10 within the timeframes necessary to avoid any potential interest
11 payments on such amount, the office of children and family services
12 is authorized to immediately offset funds otherwise due to each
13 district for a pro rata share of the total disallowed costs based on
14 the percentage of applicable federal title IV-E claims made by that
15 district for the relevant time period as compared to the total
16 applicable statewide title IV-E claims. The amount of the offset
17 against each district will be adjusted, if necessary, upon
18 completion of the disallowance allocation process. The final allo-
19 cation of the amount of any federal disallowance resulting from a
20 title IV-E secondary eligibility review shall be allocated among the
21 districts so that each district shall be responsible for the amount
22 attributable to each of the district's children or cases that are
23 determined by the federal review to be unallowable. Each district
24 shall also be responsible for a portion of the federal extrapolated
25 disallowance amount based on the relative error rate for the
26 district. The city of New York's error rate will be based on the
27 federal sample and federal statistics. For all social services
28 districts other than the city of New York, the error rate will be
29 based on a review conducted by the district of a sample of children
30 and/or cases determined by the office of children and family
31 services and a re-review of a sub-sample by the office of those
32 children and/or cases determined by the office. The office of chil-
33 dren and family services will determine what is reasonable in estab-
34 lishing the size of the sample and sub-sample for each district. The
35 office of children and family services shall notify each social
36 services district of the sample of children and/or cases from the
37 federal audit period that the social services district must review.
38 Any child or case from the social services district that was
39 included in the federal sample will automatically be included in the
40 social services district's review sample and the determination made
41 at the federal review regarding that child or case will govern for
42 the purposes of the social services district's review. The social
43 services district must complete and submit the results of its review
44 to the office of children and family services within 60 days of
45 receipt of the sample. The error rate for the district will be based
46 on the findings of the district's review and the office of children
47 and family services' re-review. If a social services district does
48 not complete its review within 60 days of receiving the sample from
49 the office of children and family services, the office of children
50 and family services shall assign an error rate to the social
51 services district based on the relative percentage of the district's

1 applicable title IV-E claims for the relevant period as compared to
2 applicable statewide title IV-E claims for that period and other
3 circumstances that the office of children and family services may
4 consider in order to allocate 100 percent of the federal disallow-
5 ance. The office of children and family services shall apply each
6 social services district's error rate to the total amount of the
7 district's applicable title IV-E claims including associated admin-
8 istrative expenses. The resulting dollar amounts for all of the
9 social services districts will be summed to derive the total amount
10 of title IV-E claims deemed to be in error statewide. To establish a
11 disallowance percentage for each social services district, the
12 amount of the district's title IV-E claims deemed to be in error
13 will be divided by the amount of statewide title IV-E claims deemed
14 to be in error. The resulting disallowance percentage for each
15 district will be applied to the entire title IV-E extrapolated
16 disallowance calculated by the federal review to determine the
17 amount of the extrapolated disallowance for which the district is
18 responsible. Each district will be credited for the amount already
19 disallowed for any individual children or cases found to be in error
20 during the federal review. The exclusive appeal rights for the
21 review of the amount of the federal disallowance assigned to each
22 social services district shall be pursuant to article 78 of the
23 civil practice law and rules; provided, however, that in any such
24 action all of the social services districts shall be joined as
25 necessary parties and the venue of any such action shall be in Rens-
26 selaer county. Any social services district that fails to complete
27 its sample review in the required time frames shall have no right to
28 appeal and shall not be a necessary party to any action brought by
29 another social services district.

31 aid heretofore accrued or hereafter to accrue to municipalities.
32 Subject to the approval of the director of the budget, such funds

 3 of children and family services pursuant to a plan approved by the
 4 director of the budget; provided, however, if a municipality is

14 determined by the commissioner of health,
15 incurred both prior to and subsequent to
16 such assessment for each such period, and
17 if the director of the budget determines
18 that such expenditures are expected to
19 cause medicaid spending for such period to
20 exceed the aggregate limit specified here-
21 in for such period, the state medicaid
22 director, in consultation with the direc-
23 tor of the budget and the commissioner of
24 health, shall develop a medicaid savings

5 expected to become available, in the
6 discretion of the commissioner, under the
7 Affordable Care Act; (4) reductions shall
8 be made uniformly among categories of
9 services and geographic regions of the
10 state, to the extent practicable, and
11 shall be made uniformly within a category
12 of service, to the extent practicable,
13 except where the commissioner determines
14 that there are sufficient grounds for
15 non-uniformity, including but not limited
16 to: the extent to which specific catego-
17 ries of services contributed to department
18 of health medicaid state funds spending in
19 excess of the limits specified herein; the
20 need to maintain safety net services in
21 underserved communities; or the potential
22 benefits of pursuing innovative payment
23 models contemplated by the Affordable Care
24 Act, in which case such grounds shall be
25 set forth in the medicaid savings allo-
26 cation adjustment; and (5) reductions
27 shall be made in a manner that does not
28 unnecessarily create administrative
29 burdens to medicaid applicants and recipi-
30 ents or providers.

31 The commissioner shall seek the input of the
32 legislature, as well as organizations
33 representing health care providers,
34 consumers, businesses, workers, health
35 insurers, and others with relevant exper-
36 tise, in developing such medicaid savings
37 allocation adjustment, to the extent that
38 all or part of such adjustment, in the
39 discretion of the commissioner, is likely
40 to have a material impact on the overall
41 medicaid program, particular categories of
42 service or particular geographic regions
43 of the state.

44 (a) The commissioner shall post the medicaid
45 savings allocation adjustment on the
46 department of health's website and shall

37 effect retroactively to the extent permit-

21 ments in the enacted budget financial plan
22 pursuant to subdivision 3 of section 23 of
23 the state finance law, including spending

3 The director of the budget, in consultation
4 with the commissioner of health, shall
5 assess on a quarterly basis known and
6 projected medicaid expenditures by category
7 of service and by geographic region, as
8 determined by the commissioner of health,
9 incurred both prior to and subsequent to
10 such assessment for each such period, and
11 if the director of the budget determines
12 that such expenditures are expected to
13 cause medicaid spending for such period to
14 exceed the aggregate limit specified here-
15 in for such period, the state medicaid
16 director, in consultation with the direc-
17 tor of the budget and the commissioner of
18 health, shall develop a medicaid savings
19 allocation adjustment to limit such spend-
20 ing to the aggregate limit specified here-
21 in for such period.
22 Such medicaid savings allocation adjustment
23 shall be designed, to reduce the expendi-
24 tures authorized by the appropriations
25 herein in compliance with the following
26 guidelines: (1) reductions shall be made
27 in compliance with applicable federal law,
28 including the provisions of the Patient
29 Protection and Affordable Care Act, Public
30 Law No. 111-148, and the Health Care and

36 made in a manner that complies with the
37 state medicaid plan approved by the feder-
38 al centers for medicare and medicaid
39 services, provided, however, that the
40 commissioner of health is authorized to
41 submit any state plan amendment or seek
42 other federal approval, including waiver
43 authority, to implement the provisions of
44 the medicaid savings allocation adjustment
45 that meets the other criteria set forth
46 herein; (3) reductions shall be made in a
47 manner that maximizes federal financial

51 expected to become available, in the
52 discretion of the commissioner, under the

1 Affordable Care Act; (4) reductions shall
2 be made uniformly among categories of
3 services and geographic regions of the
4 state, to the extent practicable, and
5 shall be made uniformly within a category
6 of service, to the extent practicable,
7 except where the commissioner determines
8 that there are sufficient grounds for
9 non-uniformity, including but not limited
10 to: the extent to which specific catego-
11 ries of services contributed to department
12 of health medicaid state funds spending in
13 excess of the limits specified herein; the
14 need to maintain safety net services in
15 underserved communities; or the potential
16 benefits of pursuing innovative payment
17 models contemplated by the Affordable Care
18 Act, in which case such grounds shall be
19 set forth in the medicaid savings allo-
20 cation adjustment; and (5) reductions
21 shall be made in a manner that does not
22 unnecessarily create administrative
23 burdens to medicaid applicants and recipi-
24 ents or providers.

25 The commissioner shall seek the input of the
26 legislature, as well as organizations
27 representing health care providers,
28 consumers, businesses, workers, health
29 insurers, and others with relevant exper-
30 tise, in developing such medicaid savings
31 allocation adjustment, to the extent that
32 all or part of such adjustment, in the
33 discretion of the commissioner, is likely
34 to have a material impact on the overall
35 medicaid program, particular categories of
36 service or particular geographic regions
37 of the state.

38 (a) The commissioner shall post the medicaid
39 savings allocation adjustment on the
40 department of health's website and shall
41 provide written copies of such plan to the
42 chairs of the senate finance and the
43 assembly ways and means committees at
44 least 30 days before the date on which
45 implementation is expected to begin.

46 (b) The commissioner may revise the medicaid
47 savings allocation adjustment subsequent
48 to the provisions of notice and prior to
49 implementation but needs to provide a new
50 notice pursuant to subparagraph (i) of
51 this paragraph only if the commissioner

DEPARTMENT OF HEALTH

1 determines, in his or her discretion, that
2 such revisions materially alter the plan.
3 Notwithstanding the provisions of paragraphs
4 (a) and (b) of this subdivision, the
5 commissioner need not seek the input
6 described in paragraph (a) of this subdivi-
7 sion or provide notice pursuant to para-
8 graph (b) of this subdivision if, in the
9 discretion of the commissioner, expedited
10 development and implementation of a medi-
11 caid savings allocation adjustment is
12 necessary due to a public health emergen-
13 cy.

14 For purposes of this section, a public
15 health emergency is defined as: (i) a
16 disaster, natural or otherwise, that
17 significantly increases the immediate need
18 for health care personnel in an area of
19 the state; (ii) an event or condition that
20 creates a widespread risk of exposure to a
21 serious communicable disease, or the
22 potential for such widespread risk of
23 exposure; or (iii) any other event or
24 condition determined by the commissioner
25 to constitute an imminent threat to public
26 health.

27 Nothing in this paragraph shall be deemed to
28 prevent all or part of such medicaid
29 savings allocation adjustment from taking
30 effect retroactively to the extent permit-
31 ted by the federal centers for medicare
32 and medicaid services.

33 In accordance with the medicaid savings
34 allocation adjustment, the commissioner of
35 the department of health shall reduce
36 department of health state funds medicaid
37 spending by the amount of the projected
38 overspending through, actions including,

43 provision of law that sets a specific
44 amount or methodology for any such
45 payments or rates of payment; modifying
46 medicaid program benefits; seeking all
47 necessary federal approvals, including,
48 but not limited to waivers, waiver amend-

5 The department of health shall prepare a
6 quarterly report that sets forth: (a)
7 known and projected department of health
8 medicaid expenditures as described in
9 subdivision (1) of this section, and
10 factors that could result in medicaid
11 disbursements for the relevant state
12 fiscal year to exceed the projected
13 department of health state funds disburse-
14 ments in the enacted budget financial plan
15 pursuant to subdivision 3 of section 23 of
16 the state finance law, including spending
17 increases or decreases due to: enrollment
18 fluctuations, rate changes, utilization
19 changes, MRT investments, and shift of
20 beneficiaries to managed care; and vari-
21 ations in offline medicaid payments; and
22 (b) the actions taken to implement any
23 medicaid savings allocation adjustment
24 implemented pursuant to subdivision (4) of
25 this section, including information
26 concerning the impact of such actions on
27 each category of service and each
28 geographic region of the state. Each such
29 quarterly report shall be provided to the
30 chairs of the senate finance and the
31 assembly ways and means committees and
32 shall be posted on the department of
33 health's website in a timely manner.

34 For the purpose of making payments to

34 prior to the distribution year, multiplied
35 by the applicable medicaid rates in effect
36 January first of the distribution year, as

 14 department of health which may take into
 15 account the payor mix of each non-public
 16 general hospital, including the percentage
 17 of inpatient days paid by the medical

9 ated within the department of health, in
10 the aggregate, for the period April 1,
11 2024 through March 31, 2025, shall not
12 exceed \$31,634,010,000 except as provided
13 below provided, however, such aggregate
14 limits may be adjusted by the director of
15 the budget to account for any changes in
16 the New York state federal medical assist-
17 ance percentage amount established pursu-
18 ant to the federal social security act,
19 increases in provider revenues, reductions
20 in local social services district payments
21 for medical assistance administration,
22 minimum wage increases and beginning April
23 1, 2012 the operational costs of the New
24 York state medical indemnity fund, pursu-

26 state costs or savings from the essential

28 the director of the budget to account for

30 health state funds medicaid expenditures
31 as a result of a natural or other type of
32 disaster, including a governmental decla-
33 ration of emergency.

34 The director of the budget, in consultation
35 with the commissioner of health, shall
36 assess on a quarterly basis known and
37 projected medicaid expenditures by catego-
38 ry of service and by geographic region, as
39 determined by the commissioner of health,
40 incurred both prior to and subsequent to
41 such assessment for each such period, and
42 if the director of the budget determines
43 that such expenditures are expected to
44 cause medicaid spending for such period to
45 exceed the aggregate limit specified here-
46 in for such period, the state medicaid
47 director, in consultation with the direc-
48 tor of the budget and the commissioner of
49 health, shall develop a medicaid savings

51 ing to the aggregate limit specified here-
52 in for such period.

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 Such medicaid savings allocation adjustment
2 shall be designed, to reduce the expendi-
3 tures authorized by the appropriations
4 herein in compliance with the following
5 guidelines: (1) reductions shall be made
6 in compliance with applicable federal law,
7 including the provisions of the Patient
8 Protection and Affordable Care Act, Public
9 Law No. 111-148, and the Health Care and
10 Education Reconciliation Act of 2010,
11 Public Law No. 111-152 (collectively
12 "Affordable Care Act") and any subsequent
13 amendments thereto or regulations promul-
14 gated thereunder; (2) reductions shall be
15 made in a manner that complies with the
16 state medicaid plan approved by the feder-
17 al centers for medicare and medicaid
18 services, provided, however, that the
19 commissioner of health is authorized to
20 submit any state plan amendment or seek
21 other federal approval, including waiver
22 authority, to implement the provisions of
23 the medicaid savings allocation adjustment
24 that meets the other criteria set forth
25 herein; (3) reductions shall be made in a
26 manner that maximizes federal financial
27 participation, to the extent practicable,
28 including any federal financial partic-
29 ipation that is available or is reasonably
30 expected to become available, in the
31 discretion of the commissioner, under the
32 Affordable Care Act; (4) reductions shall
33 be made uniformly among categories of
34 services and geographic regions of the
35 state, to the extent practicable, and
36 shall be made uniformly within a category
37 of service, to the extent practicable,
38 except where the commissioner determines
39 that there are sufficient grounds for
40 non-uniformity, including but not limited
41 to: the extent to which specific catego-
42 ries of services contributed to department
43 of health medicaid state funds spending in
44 excess of the limits specified herein; the
45 need to maintain safety net services in
46 underserved communities; or the potential
47 benefits of pursuing innovative payment
48 models contemplated by the Affordable Care
49 Act, in which case such grounds shall be
50 set forth in the medicaid savings allo-
51 cation adjustment; and (5) reductions
52 shall be made in a manner that does not

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 unnecessarily create administrative
2 burdens to medicaid applicants and recipi-
3 ents or providers.

4 The commissioner shall seek the input of the
5 legislature, as well as organizations
6 representing health care providers,
7 consumers, businesses, workers, health
8 insurers, and others with relevant exper-
9 tise, in developing such medicaid savings
10 allocation adjustment, to the extent that
11 all or part of such adjustment, in the
12 discretion of the commissioner, is likely
13 to have a material impact on the overall
14 medicaid program, particular categories of
15 service or particular geographic regions
16 of the state.

17 (a) The commissioner shall post the medicaid
18 savings allocation adjustment on the
19 department of health's website and shall
20 provide written copies of such plan to the
21 chairs of the senate finance and the
22 assembly ways and means committees at
23 least 30 days before the date on which
24 implementation is expected to begin.

25 (b) The commissioner may revise the medicaid
26 savings allocation adjustment subsequent
27 to the provisions of notice and prior to
28 implementation but needs to provide a new
29 notice pursuant to subparagraph (i) of
30 this paragraph only if the commissioner
31 determines, in his or her discretion, that
32 such revisions materially alter the plan.

33 Notwithstanding the provisions of paragraphs
34 (a) and (b) of this subdivision, the
35 commissioner need not seek the input
36 described in paragraph (a) of this subdivi-
37 sion or provide notice pursuant to para-
38 graph (b) of this subdivision if, in the
39 discretion of the commissioner, expedited
40 development and implementation of a medi-
41 caid savings allocation adjustment is
42 necessary due to a public health emergen-
43 cy.

44 For purposes of this section, a public
45 health emergency is defined as: (i) a
46 disaster, natural or otherwise, that
47 significantly increases the immediate need
48 for health care personnel in an area of
49 the state; (ii) an event or condition that
50 creates a widespread risk of exposure to a
51 serious communicable disease, or the
52 potential for such widespread risk of

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 exposure; or (iii) any other event or
2 condition determined by the commissioner
3 to constitute an imminent threat to public
4 health.

5 Nothing in this paragraph shall be deemed to
6 prevent all or part of such medicaid
7 savings allocation adjustment from taking
8 effect retroactively to the extent permit-
9 ted by the federal centers for medicare
10 and medicaid services.

11 In accordance with the medicaid savings
12 allocation adjustment, the commissioner of
13 the department of health shall reduce
14 department of health state funds medicaid
15 spending by the amount of the projected
16 overspending through, actions including,
17 but not limited to modifying or suspending
18 reimbursement methods, including but not
19 limited to all fees, premium levels and
20 rates of payment, notwithstanding any
21 provision of law that sets a specific
22 amount or methodology for any such
23 payments or rates of payment; modifying
24 medicaid program benefits; seeking all
25 necessary federal approvals, including,
26 but not limited to waivers, waiver amend-
27 ments; and suspending time frames for
28 notice, approval or certification of rate
29 requirements, notwithstanding any
30 provision of law, rule or regulation to
31 the contrary, including but not limited to
32 sections 2807 and 3614 of the public
33 health law, section 18 of chapter 2 of the
34 laws of 1988, and 18 NYCRR 505.14(h).

35 The department of health shall prepare a
36 quarterly report that sets forth: (a)
37 known and projected department of health
38 medicaid expenditures as described in
39 subdivision (1) of this section, and
40 factors that could result in medicaid
41 disbursements for the relevant state
42 fiscal year to exceed the projected
43 department of health state funds disburse-
44 ments in the enacted budget financial plan
45 pursuant to subdivision 3 of section 23 of
46 the state finance law, including spending
47 increases or decreases due to: enrollment
48 fluctuations, rate changes, utilization
49 changes, MRT investments, and shift of
50 beneficiaries to managed care; and vari-
51 ations in offline medicaid payments; and
52 (b) the actions taken to implement any

 2 implemented pursuant to subdivision (4) of
 3 this section, including information
 4 concerning the impact of such actions on
 5 each category of service and each
 6 geographic region of the state. Each such
 7 quarterly report shall be provided to the
 8 chairs of the senate finance and the
 9 assembly ways and means committees and
 10 shall be posted on the department of
 11 health's website in a timely manner.

12 For the purpose of making payments to
 13 providers of medical care pursuant to

1 administration program, the medical assistance program, and the
2 office of health insurance programs. Funding authority from this
3 account used for state administration of the medical assistance
4 program may be transferred to state operations appropriations within
5 the aforementioned programs at amounts agreed upon by the commis-
6 sioner of health, and the New York state division of the budget.

7 Notwithstanding section 40 of the state finance law or any other law
8 to the contrary, all medical assistance appropriations made from
9 this account shall remain in full force and effect in accordance, in
10 the aggregate, with the following schedule: not more than 50 percent
11 for the period April 1, 2023 to March 31, 2024 and the remaining
12 amount for the period April 1, 2024 to [March 31] September 15,
13 2025.

14 Notwithstanding section 40 of the state finance law or any provision
15 of law to the contrary, subject to federal approval, department of
16 health state funds medicaid spending, excluding payments for medical
17 services provided at state facilities operated by the office of

19 and the office of addiction services and supports and further
20 excluding any payments which are not appropriated within the depart-

22 through March 31, 2024, shall not exceed \$28,109,771,000 except as

26 shall department of health state funds medicaid spending for the
27 period April 1, 2023 through [March 31] September 15, 2025 exceed
28 [\$59,130,651,000] \$59,743,781,000 provided, however, such aggregate
29 limits may be adjusted by the director of the budget to account for
30 any changes in the New York state federal medical assistance
31 percentage amount established pursuant to the federal social securi-
32 ty act, increases in provider revenues, reductions in local social
33 services district payments for medical assistance administration,
34 minimum wage increases, and beginning April 1, 2012 the operational
35 costs of the New York state medical indemnity fund, pursuant to
36 chapter 59 of the laws of 2011, and state costs or savings from the
37 essential plan program. Such projections may be adjusted by the
38 director of the budget to account for increased or expedited depart-
39 ment of health state funds medicaid expenditures as a result of a
40 natural or other type of disaster, including a governmental declara-
41 tion of emergency.

42 The director of the budget, in consultation with the commissioner of
43 health, shall assess on a quarterly basis known and projected medi-
44 caid expenditures by category of service and by geographic region,
45 as determined by the commissioner of health, incurred both prior to
46 and subsequent to such assessment for each such period, and if the
47 director of the budget determines that such expenditures are
48 expected to cause medicaid spending for such period to exceed the
49 aggregate limit specified herein for such period, the state medicaid
50 director, in consultation with the director of the budget and the
51 commissioner of health, shall develop a medicaid savings allocation

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 adjustment to limit such spending to the aggregate limit specified
2 herein for such period.

3 Such medicaid savings allocation adjustment shall be designed, to
4 reduce the expenditures authorized by the appropriations herein in
5 compliance with the following guidelines: (1) reductions shall be
6 made in compliance with applicable federal law, including the
7 provisions of the Patient Protection and Affordable Care Act, Public
8 Law No. 111-148, and the Health Care and Education Reconciliation
9 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
10 Act") and any subsequent amendments thereto or regulations promul-
11 gated thereunder; (2) reductions shall be made in a manner that
12 complies with the state medicaid plan approved by the federal
13 centers for medicare and medicaid services, provided, however, that
14 the commissioner of health is authorized to submit any state plan
15 amendment or seek other federal approval, including waiver authori-
16 ty, to implement the provisions of the medicaid savings allocation
17 adjustment that meets the other criteria set forth herein; (3)
18 reductions shall be made in a manner that maximizes federal finan-
19 cial participation, to the extent practicable, including any federal
20 financial participation that is available or is reasonably expected
21 to become available, in the discretion of the commissioner, under
22 the Affordable Care Act; (4) reductions shall be made uniformly
23 among categories of services and geographic regions of the state, to
24 the extent practicable, and shall be made uniformly within a catego-
25 ry of service, to the extent practicable, except where the commis-
26 sioner determines that there are sufficient grounds for non-uniform-
27 ity, including but not limited to: the extent to which specific
28 categories of services contributed to department of health medicaid
29 state funds spending in excess of the limits specified herein; the
30 need to maintain safety net services in underserved communities; or
31 the potential benefits of pursuing innovative payment models contem-
32 plated by the Affordable Care Act, in which case such grounds shall
33 be set forth in the medicaid savings allocation adjustment; and (5)
34 reductions shall be made in a manner that does not unnecessarily
35 create administrative burdens to medicaid applicants and recipients
36 or providers.

37 The commissioner shall seek the input of the legislature, as well as
38 organizations representing health care providers, consumers, busi-
39 nesses, workers, health insurers, and others with relevant exper-
40 tise, in developing such medicaid savings allocation adjustment, to
41 the extent that all or part of such adjustment, in the discretion of
42 the commissioner, is likely to have a material impact on the overall
43 medicaid program, particular categories of service or particular
44 geographic regions of the state.

45 (a) The commissioner shall post the medicaid savings allocation
46 adjustment on the department of health's website and shall provide
47 written copies of such adjustment to the chairs of the senate
48 finance and the assembly ways and means committees at least 30 days
49 before the date on which implementation is expected to begin.

50 (b) The commissioner may revise the medicaid savings allocation
51 adjustment subsequent to the provisions of notice and prior to
52 implementation but needs to provide a new notice pursuant to subpar-

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 agraph (i) of this paragraph only if the commissioner determines, in
2 his or her discretion, that such revisions materially alter the
3 adjustment.

4 Notwithstanding the provisions of paragraphs (a) and (b) of this
5 subdivision, the commissioner need not seek the input described in
6 paragraph (a) of this subdivision or provide notice pursuant to
7 paragraph (b) of this subdivision if, in the discretion of the
8 commissioner, expedited development and implementation of a medicaid
9 savings allocation adjustment is necessary due to a public health
10 emergency.

11 For purposes of this section, a public health emergency is defined as:

12 (i) a disaster, natural or otherwise, that significantly increases
13 the immediate need for health care personnel in an area of the
14 state; (ii) an event or condition that creates a widespread risk of
15 exposure to a serious communicable disease, or the potential for
16 such widespread risk of exposure; or (iii) any other event or condi-
17 tion determined by the commissioner to constitute an imminent threat
18 to public health.

19 Nothing in this paragraph shall be deemed to prevent all or part of
20 such medicaid savings allocation adjustment from taking effect
21 retroactively to the extent permitted by the federal centers for
22 medicare and medicaid services.

23 In accordance with the medicaid savings allocation adjustment, the
24 commissioner of the department of health shall reduce department of
25 health state funds medicaid spending by the amount of the projected
26 overspending through, actions including, but not limited to modify-
27 ing or suspending reimbursement methods, including but not limited
28 to all fees, premium levels and rates of payment, notwithstanding
29 any provision of law that sets a specific amount or methodology for
30 any such payments or rates of payment; modifying medicaid program
31 benefits; seeking all necessary federal approvals, including, but
32 not limited to waivers, waiver amendments; and suspending time
33 frames for notice, approval or certification of rate requirements,
34 notwithstanding any provision of law, rule or regulation to the
35 contrary, including but not limited to sections 2807 and 3614 of the
36 public health law, section 18 of chapter 2 of the laws of 1988, and
37 18 NYCRR 505.14(h).

38 The department of health shall prepare a quarterly report that sets
39 forth: (a) known and projected department of health medicaid expend-
40 itures as described in subdivision (1) of this section, and factors
41 that could result in medicaid disbursements for the relevant state
42 fiscal year to exceed the projected department of health state funds
43 disbursements in the enacted budget financial plan pursuant to
44 subdivision 3 of section 23 of the state finance law, including
45 spending increases or decreases due to: enrollment fluctuations,
46 rate changes, utilization changes, MRT investments, and shift of
47 beneficiaries to managed care; and variations in offline medicaid
48 payments; and (b) the actions taken to implement any medicaid
49 savings allocation adjustment implemented pursuant to subdivision
50 (4) of this section, including information concerning the impact of
51 such actions on each category of service and each geographic region
52 of the state. Each such quarterly report shall be provided to the

24 Notwithstanding section 40 of the state finance law or any provision

 38 [\$59,130,651,000] \$59,743,781,000. Provided, however, such aggregate
 39 limits may be adjusted by the director of the budget to account for
 40 any changes in the New York state federal medical assistance
 41 percentage amount established pursuant to the federal social securi-
 42 ty act, increases in provider revenues, reductions in local social
 43 services district payments for medical assistance administration,
 44 minimum wage increases, and beginning April 1, 2012 the operational

 46 chapter 59 of the laws of 2011, and state costs or savings from the

1 natural or other type of disaster, including a governmental declara-
2 tion of emergency.

3 The director of the budget, in consultation with the commissioner of
4 health, shall assess on a quarterly basis known and projected medi-
5 caid expenditures by category of service and by geographic region,
6 as defined by the commissioner, incurred both prior to and subse-
7 quent to such assessment for each such period, and if the director
8 of the budget determines that such expenditures are expected to
9 cause medicaid spending for such period to exceed the aggregate
10 limit specified herein for such period, the state medicaid director,
11 in consultation with the director of the budget and the commissioner
12 of health, shall develop a medicaid savings allocation adjustment to
13 limit such spending to the aggregate limit specified herein for such
14 period.

15 Such medicaid savings allocation adjustment shall be designed, to
16 reduce the expenditures authorized by the appropriations herein in
17 compliance with the following guidelines: (1) reductions shall be
18 made in compliance with applicable federal law, including the
19 provisions of the Patient Protection and Affordable Care Act, Public
20 Law No. 111-148, and the Health Care and Education Reconciliation
21 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
22 Act") and any subsequent amendments thereto or regulations promul-
23 gated thereunder; (2) reductions shall be made in a manner that
24 complies with the state medicaid plan approved by the federal
25 centers for medicare and medicaid services, provided, however, that
26 the commissioner of health is authorized to submit any state plan
27 amendment or seek other federal approval, including waiver authori-
28 ty, to implement the provisions of the medicaid savings allocation
29 adjustment that meets the other criteria set forth herein; (3)
30 reductions shall be made in a manner that maximizes federal finan-
31 cial participation, to the extent practicable, including any federal
32 financial participation that is available or is reasonably expected
33 to become available, in the discretion of the commissioner, under
34 the Affordable Care Act; (4) reductions shall be made uniformly
35 among categories of services and geographic regions of the state, to
36 the extent practicable, and shall be made uniformly within a catego-
37 ry of service, to the extent practicable, except where the commis-
38 sioner determines that there are sufficient grounds for non-uniform-
39 ity, including but not limited to: the extent to which specific
40 categories of services contributed to department of health medicaid
41 state funds spending in excess of the limits specified herein; the
42 need to maintain safety net services in underserved communities; or
43 the potential benefits of pursuing innovative payment models contem-
44 plated by the Affordable Care Act, in which case such grounds shall
45 be set forth in the medicaid savings allocation adjustment; and (5)
46 reductions shall be made in a manner that does not unnecessarily
47 create administrative burdens to medicaid applicants and recipients
48 or providers.

49 The commissioner shall seek the input of the legislature, as well as
50 organizations representing health care providers, consumers, busi-
51 nesses, workers, health insurers, and others with relevant exper-
52 tise, in developing such medicaid savings allocation adjustment, to

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 the extent that all or part of such adjustment, in the discretion of
2 the commissioner, is likely to have a material impact on the overall
3 medicaid program, particular categories of service or particular
4 geographic regions of the state.

5 (a) The commissioner shall post the medicaid savings allocation
6 adjustment on the department of health's website and shall provide
7 written copies of such adjustment to the chairs of the senate
8 finance and the assembly ways and means committees at least 30 days
9 before the date on which implementation is expected to begin.

10 (b) The commissioner may revise the medicaid savings allocation
11 adjustment subsequent to the provisions of notice and prior to
12 implementation but needs to provide a new notice pursuant to subpar-
13 agraph (i) of this paragraph only if the commissioner determines, in
14 his or her discretion, that such revisions materially alter the
15 adjustment.

16 Notwithstanding the provisions of paragraphs (a) and (b) of this
17 subdivision, the commissioner need not seek the input described in
18 paragraph (a) of this subdivision or provide notice pursuant to
19 paragraph (b) of this subdivision if, in the discretion of the
20 commissioner, expedited development and implementation of a medicaid
21 savings allocation adjustment is necessary due to a public health
22 emergency.

23 For purposes of this section, a public health emergency is defined as:

24 (i) a disaster, natural or otherwise, that significantly increases
25 the immediate need for health care personnel in an area of the
26 state; (ii) an event or condition that creates a widespread risk of
27 exposure to a serious communicable disease, or the potential for
28 such widespread risk of exposure; or (iii) any other event or condi-
29 tion determined by the commissioner to constitute an imminent threat
30 to public health.

31 Nothing in this paragraph shall be deemed to prevent all or part of
32 such medicaid savings allocation adjustment from taking effect
33 retroactively to the extent permitted by the federal centers for
34 medicare and medicaid services.

35 In accordance with the medicaid savings allocation adjustment, the
36 commissioner of the department of health shall reduce department of
37 health state funds medicaid spending by the amount of the projected
38 overspending through, actions including, but not limited to modify-
39 ing or suspending reimbursement methods, including but not limited
40 to all fees, premium levels and rates of payment, notwithstanding
41 any provision of law that sets a specific amount or methodology for
42 any such payments or rates of payment; modifying or discontinuing
43 medicaid program benefits; seeking all necessary federal approvals,
44 including, but not limited to waivers, waiver amendments; and
45 suspending time frames for notice, approval or certification of rate
46 requirements, notwithstanding any provision of law, rule or regu-
47 lation to the contrary, including but not limited to sections 2807
48 and 3614 of the public health law, section 18 of chapter 2 of the
49 laws of 1988, and 18 NYCRR 505.14(h).

50 The department of health shall prepare a quarterly report that sets
51 forth: (a) known and projected department of health medicaid expend-
52 itures as described in subdivision (1) of this section, and factors

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 that could result in medicaid disbursements for the relevant state
2 fiscal year to exceed the projected department of health state funds
3 disbursements in the enacted budget financial plan pursuant to
4 subdivision 3 of section 23 of the state finance law, including
5 spending increases or decreases due to: enrollment fluctuations,
6 rate changes, utilization changes, MRT investments, and shift of
7 beneficiaries to managed care; and variations in offline medicaid
8 payments; and (b) the actions taken to implement any medicaid
9 savings allocation adjustment implemented pursuant to subdivision
10 (4) of this section, including information concerning the impact of
11 such actions on each category of service and each geographic region
12 of the state. Each such quarterly report shall be provided to the

 35 Notwithstanding section 40 of the state finance law or any other law
 36 to the contrary, all medical assistance appropriations made from

 38 the aggregate, with the following schedule: not more than 50 percent

1 provided below and state share medicaid spending, in the aggregate,
2 for the period April 1, 2024 through [March 31] September 15, 2025,
3 shall not exceed [\$31,020,880,000] \$31,634,010,000, but in no event
4 shall department of health state funds medicaid spending for the
5 period April 1, 2023 through [March 31] September 15, 2025 exceed
6 [\$59,130,651,000] \$59,743,781,000 provided, however, such aggregate
7 limits may be adjusted by the director of the budget to account for
8 any changes in the New York state federal medical assistance
9 percentage amount established pursuant to the federal social securi-
10 ty act, increases in provider revenues, reductions in local social
11 services district payments for medical assistance administration,
12 minimum wage increases and beginning April 1, 2012 the operational
13 costs of the New York state medical indemnity fund, pursuant to
14 chapter 59 of the laws of 2011, and state costs or savings from the
15 essential plan program. Such projections may be adjusted by the
16 director of the budget to account for increased or expedited depart-
17 ment of health state funds medicaid expenditures as a result of a
18 natural or other type of disaster, including a governmental declara-
19 tion of emergency.

20 The director of the budget, in consultation with the commissioner of
21 health, shall assess on a quarterly basis known and projected medi-
22 caid expenditures by category of service and by geographic region,
23 as determined by the commissioner of health, incurred both prior to
24 and subsequent to such assessment for each such period, and if the
25 director of the budget determines that such expenditures are
26 expected to cause medicaid spending for such period to exceed the
27 aggregate limit specified herein for such period, the state medicaid
28 director, in consultation with the director of the budget and the
29 commissioner of health, shall develop a medicaid savings allocation
30 adjustment to limit such spending to the aggregate limit specified
31 herein for such period.

32 Such medicaid savings allocation adjustment shall be designed, to
33 reduce the expenditures authorized by the appropriations herein in
34 compliance with the following guidelines: (1) reductions shall be
35 made in compliance with applicable federal law, including the
36 provisions of the Patient Protection and Affordable Care Act, Public
37 Law No. 111-148, and the Health Care and Education Reconciliation
38 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
39 Act") and any subsequent amendments thereto or regulations promul-
40 gated thereunder; (2) reductions shall be made in a manner that
41 complies with the state medicaid plan approved by the federal
42 centers for medicare and medicaid services, provided, however, that
43 the commissioner of health is authorized to submit any state plan
44 amendment or seek other federal approval, including waiver authori-
45 ty, to implement the provisions of the medicaid savings allocation
46 adjustment that meets the other criteria set forth herein; (3)
47 reductions shall be made in a manner that maximizes federal finan-
48 cial participation, to the extent practicable, including any federal
49 financial participation that is available or is reasonably expected
50 to become available, in the discretion of the commissioner, under
51 the Affordable Care Act; (4) reductions shall be made uniformly
52 among categories of services and geographic regions of the state, to

1 the extent practicable, and shall be made uniformly within a category
2 of service, to the extent practicable, except where the commissioner
3 determines that there are sufficient grounds for non-uniformity,
4 including but not limited to: the extent to which specific
5 categories of services contributed to department of health medicaid
6 state funds spending in excess of the limits specified herein; the
7 need to maintain safety net services in underserved communities; or
8 the potential benefits of pursuing innovative payment models contemplated
9 by the Affordable Care Act, in which case such grounds shall
10 be set forth in the medicaid savings allocation adjustment; and (5)
11 reductions shall be made in a manner that does not unnecessarily
12 create administrative burdens to medicaid applicants and recipients
13 or providers. The commissioner shall seek the input of the legislature,
14 as well as organizations representing health care providers, consumers,
15 businesses, workers, health insurers, and others with relevant expertise,
16 in developing such medicaid savings allocation adjustment, to the extent
17 that all or part of such adjustment, in the discretion of the commissioner,
18 is likely to have a material impact on the overall medicaid program,
19 particular categories of service or particular geographic regions of the state.

21 (a) The commissioner shall post the medicaid savings allocation
22 adjustment on the department of health's website and shall provide
23 written copies of such plan to the chairs of the senate finance and
24 the assembly ways and means committees at least 30 days before the
25 date on which implementation is expected to begin.

26 (b) The commissioner may revise the medicaid savings allocation
27 adjustment subsequent to the provisions of notice and prior to
28 implementation but needs to provide a new notice pursuant to subparagraph
29 (i) of this paragraph only if the commissioner determines, in his or her
30 discretion, that such revisions materially alter the plan.
31

32 Notwithstanding the provisions of paragraphs (a) and (b) of this
33 subdivision, the commissioner need not seek the input described in
34 paragraph (a) of this subdivision or provide notice pursuant to
35 paragraph (b) of this subdivision if, in the discretion of the
36 commissioner, expedited development and implementation of a medicaid
37 savings allocation adjustment is necessary due to a public health
38 emergency.

39 For purposes of this section, a public health emergency is defined as:

40 (i) a disaster, natural or otherwise, that significantly increases
41 the immediate need for health care personnel in an area of the
42 state; (ii) an event or condition that creates a widespread risk of
43 exposure to a serious communicable disease, or the potential for
44 such widespread risk of exposure; or (iii) any other event or condition
45 determined by the commissioner to constitute an imminent threat
46 to public health.

47 Nothing in this paragraph shall be deemed to prevent all or part of
48 such medicaid savings allocation adjustment from taking effect
49 retroactively to the extent permitted by the federal centers for
50 medicare and medicaid services.

51 In accordance with the medicaid savings allocation adjustment, the
52 commissioner of the department of health shall reduce department of

20 subdivision 3 of section 23 of the state finance law, including
21 spending increases or decreases due to: enrollment fluctuations,

44 28 of the public health law and deposited to this account less any
45 such amounts withheld pursuant to subdivision 21 of section 2807-c
46 of the public health law. Notwithstanding any inconsistent
47 provision of law, the moneys hereby appropriated may be increased or
48 decreased by interchange or transfer with any appropriation of the
49 department of health with the approval of the director of the budg-

 2 Medical Assistance Account - 22187

3 The appropriation made by chapter 53, section 1, of the laws of 2023, is
 4 hereby amended and reappropriated to read:

5 Notwithstanding section 40 of the state finance law or any other law
 6 to the contrary, all medical assistance appropriations made from
 7 this account shall remain in full force and effect in accordance, in
 8 the aggregate, with the following schedule: not more than 53 percent
 9 for the period April 1, [2022] 2023 to March 31, [2023] 2024; and
 10 the remaining amount for the period April 1, [2023] 2024 to March
 11 31, [2024] 2025.

12 Notwithstanding section 40 of the state finance law or any provision
 13 of law to the contrary, subject to federal approval, department of
 14 health state funds medicaid spending, excluding payments for medical
 15 services provided at state facilities operated by the office of
 16 mental health, the office for people with developmental disabilities
 17 and the office of addiction services and supports and further
 18 excluding any payments which are not appropriated within the depart-
 19 ment of health, in the aggregate, for the period April 1, 2023
 20 through March 31, 2024, shall not exceed \$28,109,771,000 except as
 21 provided below and state share medicaid spending, in the aggregate,
 22 for the period April 1, 2024 through [March 31] September 15, 2025,
 23 shall not exceed [\$31,020,880,000] \$31,634,010,000, but in no event
 24 shall department of health state funds medicaid spending for the
 25 period April 1, 2023 through [March 31] September 15, 2025 exceed
 26 [\$59,130,651,000] \$59,743,781,000 provided, however, such aggregate
 27 limits may be adjusted by the director of the budget to account for
 28 any changes in the New York state federal medical assistance
 29 percentage amount established pursuant to the federal social securi-
 30 ty act, increases in provider revenues, reductions in local social
 31 services district payments for medical assistance administration,
 32 minimum wage increases and beginning April 1, 2012 the operational
 33 costs of the New York state medical indemnity fund, pursuant to
 34 chapter 59 of the laws of 2011, and state costs or savings from the
 35 essential plan. Such projections may be adjusted by the director of
 36 the budget to account for increased or expedited department of
 37 health state funds medicaid expenditures as a result of a natural or
 38 other type of disaster, including a governmental declaration of
 39 emergency.

40 The director of the budget, in consultation with the commissioner of
 41 health, shall assess on a quarterly basis known and projected medi-
 42 caid expenditures by category of service and by geographic region,
 43 as determined by the commissioner of health, incurred both prior to
 44 and subsequent to such assessment for each such period, and if the
 45 director of the budget determines that such expenditures are
 46 expected to cause medicaid spending for such period to exceed the
 47 aggregate limit specified herein for such period, the state medicaid
 48 director, in consultation with the director of the budget and the
 49 commissioner of health, shall develop a medicaid savings allocation
 50 adjustment to limit such spending to the aggregate limit specified
 51 herein for such period.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 Such medicaid savings allocation adjustment shall be designed, to
2 reduce the expenditures authorized by the appropriations herein in
3 compliance with the following guidelines: (1) reductions shall be
4 made in compliance with applicable federal law, including the
5 provisions of the Patient Protection and Affordable Care Act, Public
6 Law No. 111-148, and the Health Care and Education Reconciliation
7 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
8 Act") and any subsequent amendments thereto or regulations promul-
9 gated thereunder; (2) reductions shall be made in a manner that
10 complies with the state medicaid plan approved by the federal
11 centers for medicare and medicaid services, provided, however, that
12 the commissioner of health is authorized to submit any state plan
13 amendment or seek other federal approval, including waiver authori-
14 ty, to implement the provisions of the medicaid savings allocation
15 adjustment that meets the other criteria set forth herein; (3)
16 reductions shall be made in a manner that maximizes federal finan-
17 cial participation, to the extent practicable, including any federal
18 financial participation that is available or is reasonably expected
19 to become available, in the discretion of the commissioner, under
20 the Affordable Care Act; (4) reductions shall be made uniformly
21 among categories of services and geographic regions of the state, to
22 the extent practicable, and shall be made uniformly within a catego-
23 ry of service, to the extent practicable, except where the commis-
24 sioner determines that there are sufficient grounds for non-uniform-
25 ity, including but not limited to: the extent to which specific
26 categories of services contributed to department of health medicaid
27 state funds spending in excess of the limits specified herein; the
28 need to maintain safety net services in underserved communities; or
29 the potential benefits of pursuing innovative payment models contem-
30 plated by the Affordable Care Act, in which case such grounds shall
31 be set forth in the medicaid savings allocation adjustment; and (5)
32 reductions shall be made in a manner that does not unnecessarily
33 create administrative burdens to medicaid applicants and recipients
34 or providers.

35 The commissioner shall seek the input of the legislature, as well as
36 organizations representing health care providers, consumers, busi-
37 nesses, workers, health insurers, and others with relevant exper-
38 tise, in developing such medicaid savings allocation adjustment, to
39 the extent that all or part of such adjustment, in the discretion of
40 the commissioner, is likely to have a material impact on the overall
41 medicaid program, particular categories of service or particular
42 geographic regions of the state.

43 (a) The commissioner shall post the medicaid savings allocation
44 adjustment on the department of health's website and shall provide
45 written copies of such plan to the chairs of the senate finance and
46 the assembly ways and means committees at least 30 days before the
47 date on which implementation is expected to begin.

48 (b) The commissioner may revise the medicaid savings allocation
49 adjustment subsequent to the provisions of notice and prior to
50 implementation but needs to provide a new notice pursuant to subpar-
51 agraph (i) of this paragraph only if the commissioner determines, in

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 his or her discretion, that such revisions materially alter the
2 plan.

3 Notwithstanding the provisions of paragraphs (a) and (b) of this
4 subdivision, the commissioner need not seek the input described in
5 paragraph (a) of this subdivision or provide notice pursuant to
6 paragraph (b) of this subdivision if, in the discretion of the
7 commissioner, expedited development and implementation of a medicaid
8 savings allocation adjustment is necessary due to a public health
9 emergency.

10 For purposes of this section, a public health emergency is defined as:

11 (i) a disaster, natural or otherwise, that significantly increases
12 the immediate need for health care personnel in an area of the
13 state; (ii) an event or condition that creates a widespread risk of
14 exposure to a serious communicable disease, or the potential for
15 such widespread risk of exposure; or (iii) any other event or condi-
16 tion determined by the commissioner to constitute an imminent threat
17 to public health.

18 Nothing in this paragraph shall be deemed to prevent all or part of
19 such medicaid savings allocation adjustment from taking effect
20 retroactively to the extent permitted by the federal centers for
21 medicare and medicaid services.

22 In accordance with the medicaid savings allocation adjustment, the
23 commissioner of the department of health shall reduce department of
24 health state funds medicaid spending by the amount of the projected
25 overspending through, actions including, but not limited to modify-
26 ing or suspending reimbursement methods, including but not limited
27 to all fees, premium levels and rates of payment, notwithstanding
28 any provision of law that sets a specific amount or methodology for
29 any such payments or rates of payment; modifying medicaid program
30 benefits; seeking all necessary federal approvals, including, but
31 not limited to waivers, waiver amendments; and suspending time
32 frames for notice, approval or certification of rate requirements,
33 notwithstanding any provision of law, rule or regulation to the
34 contrary, including but not limited to sections 2807 and 3614 of the
35 public health law, section 18 of chapter 2 of the laws of 1988, and
36 18 NYCRR 505.14 (h).

37 The department of health shall prepare a quarterly report that sets
38 forth: (a) known and projected department of health medicaid expend-
39 itures as described in subdivision (1) of this section, and factors
40 that could result in medicaid disbursements for the relevant state
41 fiscal year to exceed the projected department of health state funds
42 disbursements in the enacted budget financial plan pursuant to
43 subdivision 3 of section 23 of the state finance law, including
44 spending increases or decreases due to: enrollment fluctuations,
45 rate changes, utilization changes, MRT investments, and shift of
46 beneficiaries to managed care; and variations in offline medicaid
47 payments; and (b) the actions taken to implement any medicaid
48 savings allocation adjustment implemented pursuant to subdivision
49 (4) of this section, including information concerning the impact of
50 such actions on each category of service and each geographic region
51 of the state. Each such quarterly report shall be provided to the
52 chairs of the senate finance and the assembly ways and means commit-
