Count Jacques Rogge
President
International Olympic Committee
Chateau de Vidy
Case Postale 356
1001 Lausanne, Switzerland

Dear Count Rogge:

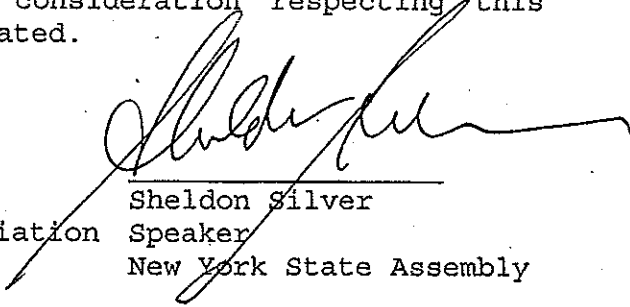

We urge the International Olympic Committee to reconsider its rejection of an official commemoration honoring the Israeli athletes murdered at Munich in 1972:

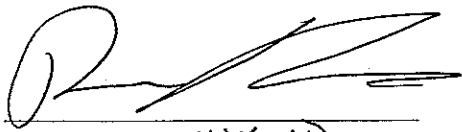

This summer's games mark a profoundly significant milestone, the passage of forty years since Munich, the most tragic point in the history of Olympic sport. It is long past time for the Olympic Committee to officially commemorate the murder of the Israelis. The continuing refusal to do so serves only to glorify terrorism and reinforces Edmund Burke's maxim that "All that is necessary for evil to triumph is for good men to do nothing."

The officially sanctioned tribute we request is a humane, appropriate and honorable gesture that is entirely consistent with the very spirit and sense of brotherhood upon which the Olympic Games are founded.

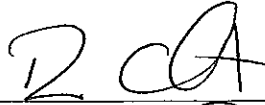

The Committee's earnest consideration respecting this matter is greatly appreciated.
