“I’m working on the issues that are the foundation of a vibrant and more affordable Sea Cliff.”

– Assemblyman Lavine

Continue working to **rebuild our economy** and **create good-paying jobs** in **Sea Cliff**.

Increase the minimum wage to \$9 an hour and **index it to inflation**. Hardworking families deserve a more livable wage.

Target tax cuts for all working families to help make **owning or renting a home more affordable**.

Implement **universal pre-K**. It’s an investment in our children’s future. We must fully invest in our schools to **comply with the CFE decision** and prepare every student for success with the **DREAM Act**.

Expand access to **affordable child care**, expand **before/after-school programs** and fight for **paid family leave**.

Pass the Women’s Equality Act – all 10 points – NOW.
