DAVE McDONOUGH

delivered real savings for Long Island families.

- ✓ Capping Property Taxes To Hold The Line On Local Spending.
- ✓ Starting The Full Repeal Of The MTA Payroll Tax.
- ✓ Lowering Income Taxes For Hardworking Families.

FAST FACTS

- Over the past decade, 111 bills containing unfunded mandates passed the Assembly for a projected cost to municipalities of almost \$77 billion.
- In 2012-13, New York's combined federal, state and local spending on Medicaid is projected to top \$54 billion, making it the most expensive Medicaid program in the nation.
- By far, New York's largest unfunded mandate on municipalities each year is Medicaid spending, which cost Nassau County taxpayers \$230.4 million in the 2011-12 Fiscal Year alone.

Now, DAVE McDONOUGH wants to provide more relief to New York families and businesses:

- Cap local Medicaid costs this year and work to implement a full state takeover of the program over the next few years.
- Temporarily suspend taxes on gasoline from Memorial Day to Labor Day.
- Place a moratorium on any new unfunded state mandates.
