Time and time again we hear proposals for Belmont Park that would harm our quality of life. It is time for us to stand as a community and urge our leaders to focus on investment in our schools, small businesses and the Horse Racing industry at Belmont Park. Let's support a master plan that would include equine-related development at Belmont, while supporting our small businesses in the surrounding communities.

Nassau County's Mini-Casino is NOT welcome at Belmont Park. Now is the time to invest in communities, not casinos. Call the Nassau County Executive and your State Representatives. Tell them we want smart development at Belmont.
