

A report to the 25th Assembly District from
**ASSEMBLYWOMAN

June 2015

PUSHING FOR PROPERTY TAX REFORM

Recently, I wrote a letter to the Chair of the Assembly's Committee on Real Property Taxation requesting a public hearing to examine the disparities in the current law. By hearing from residents and collaborating with the City, the current system can be improved to benefit Queens families.

**HONORING LEADERS DURING
ASIAN PACIFIC AMERICAN HERITAGE MONTH**

In honor of Asian American Pacific Islander Heritage Month, I hosted a celebration at the Bayside Senior Center that included cultural performances and an award ceremony to recognize the achievements of local residents. Queens Borough President Melinda Katz, State Senator Toby Ann Stavisky, Assemblyman Edward Braunstein, and I enjoyed celebrating with the community!

CELEBRATING WITH COMMUNITY EDUCATION COUNCIL 25

I was happy to join Community Education Council 25 and Council Member Paul Vallone in acknowledging the contributions and achievements of teachers, administrators, and students from District 25 schools. Congratulations to all those honored!

ENCOURAGING CIVIC PARTICIPATION

I visited P.S. 154Q and the Queens College School for Math, Science, and Technology in Flushing for Career Days to talk about government and community service. Students were excited to learn about working in Queens and Albany and had plenty of legislative ideas to share with me!

WELCOMING K-RADIO TO QUEENS

To launch its new Korean language radio broadcasting service, K-Radio held an inaugural gala in Flushing. What a joy it was to gather in celebration of new opportunities to engage with the Korean American community!
