

**Assemblywoman
Latrice Monique Walker**
got \$1 billion more for our schools

“Increased education aid equals stronger schools and brighter futures. We’re making sure our children can become the leaders of tomorrow.”

– Assemblywoman
Walker

New York State Assembly
Albany, NY 12248

Assemblywoman Walker is fighting for a quality education for Ocean Hill/Brownsville, East New York, Crown Heights, Bushwick and East Flatbush students

State budget invests \$25.7 billion in education to help children reach their full potential:

✔ \$817 million for prekindergarten programs

✔ \$700 million Foundation Aid increase so every child receives a quality education

✔ \$150 million to convert schools into community schools that offer comprehensive services for at-risk students and families

The Assembly also said **NO** to waivers that could have weakened education rights for students with disabilities.
