Amsterdam Addition Residents: New Ovens, Refrigerators and Steel Security Door Brought to you by Assemblymember Linda B. Rosenthal

Dear Constituents:

After advocating to secure **\$2.36 million in State capital funding** to improve infrastructure and security at the NYCHA developments in my district, it is my pleasure to announce that each Amsterdam Addition resident will receive new ovens and refrigerators. In addition, the money will be used to install a new steel security door at the main building entrance to ensure your and your family's safety.

Lincoln Square Neighborhood Center, your community center located at 250 West 65th Street, will also receive \$500,000 in State funding to improve the space.

If you have any questions about the project, its progress, or any issues you'd like to discuss, please feel free to contact me at 212.873.6368 or rosenthal@nyassembly.gov. I advocated strongly on your behalf and I am thrilled to be able to provide this funding to you!

Sincerely,

Linda B. Rosenthal
