STATE ASSEMBLY

2016 **ADIRONDACKS**
LEGISLATIVE UPDATE

Our Adirondack Communities

Assemblyman Stec co-sponsored first passage of a Constitutional Amendment (A10721) that simplifies and streamlines the process for Adirondack local governments to address public needs in their municipalities. This legislation will help

- ▲ Repair bridges and improve highway safety
- ▲ Expedite the process for public water supply projects
- ▲ Facilitate internet broadband service to our communities
- ▲ Allow for bicycle paths on roadsides traversing State Forest Lands

Assemblyman Stec co-sponsored legislation (A10737) which approves land transactions relating to the settlement of a century old property dispute in the Town of Long Lake.

As Ranking Minority Member of the Assembly Environmental Conservation Committee, I will continue to fight to:

- ★ Combat the spread of invasive species
- ★ Increase funds to protect our beautiful tourist destinations
- ★ Eliminate electronic waste
- ★ Encourage proper recycling
