Fighting for Hunters

Expanding Sportsmen's Rights

Working for the Sportsmen of Wyoming County and New York State

As an avid sportsman, I know how long our bow-hunting community has been looking to legalize crossbow hunting. This year, I'm taking action by co-sponsoring Assembly Bill A.0283, which would legalize crossbow hunting in New York State. I've also prepared legislation to permit crossbow hunting here in Wyoming County (A.8968). I pledge to work my hardest to help our bow-hunting community, and will keep you all updated with my fight.
