**Assemblyman David DiPietro** worked directly with our local superintendents and education officials to ensure the needs of Western New York's students weren't lost in the bureaucratic shuffle of this year's budget negotiations. The result – major funding initiatives that promise to deliver for our school districts.

### This year's budget included:

\$25.2 billion in total school aid, a 4.1% increase over last year's budget

\$17.2 billion in Foundation Aid for our schools

\$180.9 million in Nonpublic School Aid

Maintained \$95.6 million in Library Aid, defeating Gov. Cuomo's proposed funding cuts

While these measures will certainly benefit our schools, there is still much work to be done, and you can rest assured that David DiPietro will continue to fight for your best interests.
