MUNICIPAL WATER FOR THE NORTH SHORE

Saving Ratepayers. Protecting Our Environment.

All Nassau County residents deserve a water supply that's clean, reliable, and affordable. That's why Assemblyman Ra sponsored A.7654. That's why Gov. Hochul signed it into law.

- ✓ Creates the North Shore Water Authority accountable to you, the ratepayer, not shareholders.
- ✓ Allows the authority to take over the assets and functions of New York American Water.

COMMITMENT TO CLEAN WATER

- ✓ Voted for \$500 million in new funding to bolster our state's historic \$2.5 billion investment in clean water infrastructure. (A.3004D of 2021, 2017)
- ✓ Voted to authorize and extend state investments in clean water projects. (A.7397 of 2021)
