MENTAL HEALTH AND SUBSTANCE ABUSE RESOURCES

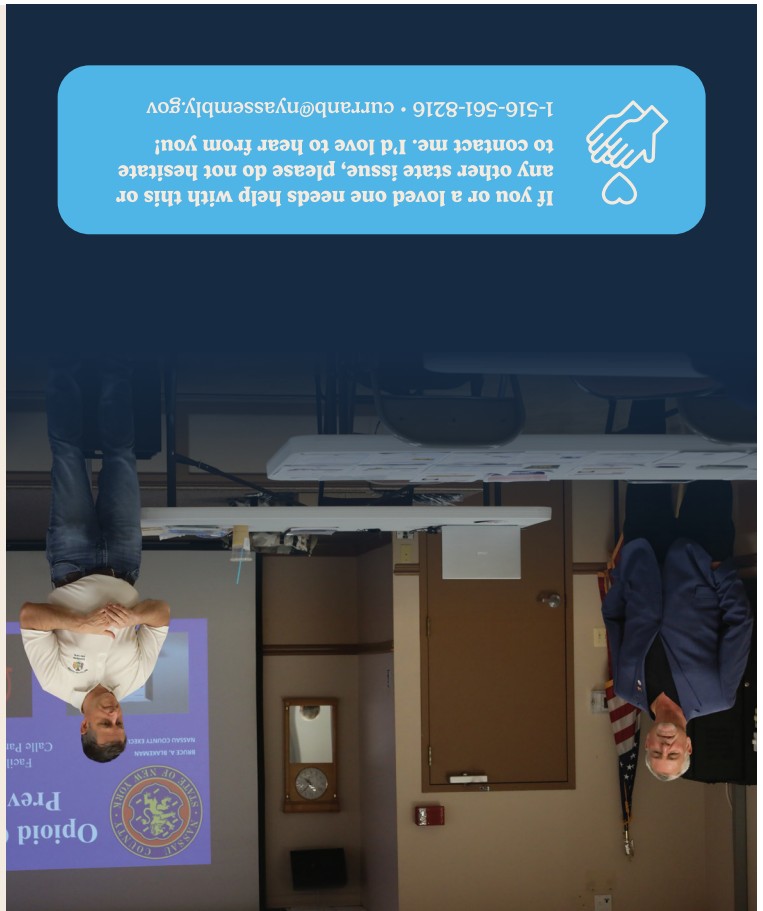

BRIAN CURRAN
NYS Assemblyman

Sincerely,

I know it can be hard to deal with the stress and realities of today's world, so as a father, brother, and husband, I want to make sure you and your loved ones have the help and resources needed to be happy, healthy, and successful. Remember, it is always okay to ask for help.

Dear Neighbor,

If you or a loved one needs help with this or any other state issue, please do not hesitate to contact me. I'd love to hear from you!
