The Coney Island Creek has been ignored for far too long.

Polluters have damaged this once-beautiful waterway in our backyards and families should no longer be handed the consequences.

Assemblyman Alec Brook-Krasny has joined local leaders and officials in leading the charge to restore and protect this cherished piece of our community's history.

Assemblyman Alec Brook-Krasny is seeking environmental justice for thousands of Coney Islanders who deserve a safe place to swim, boat, hunt, and crab.

Join Alec by signing the petition to clean the Coney Island Creek on his website at:
