# FREE RAIN BARRELS FOR YOUR GARDEN

Water collected can be used to water gardens and for other outdoor chores. These 60-gallon barrels capture storm water before it enters the sewer system to help prevent sewage overflows from entering into our local waterways. Barrels can connect directly to your downspout to capture and store rain water. Rain barrels are provided by the NYC Department of Environmental Protection, through the NYC Green Infrastructure Plan.

**SUNDAY,  
JUNE 3, 2018  
11:00 am – 3:00 pm**

**Carroll Park**  
(Smith Street between
