

# Working for New York Families

*As your Assemblywoman, it is my top priority to be your voice in Albany. It is a job I take very seriously, and I am proud to be your representative.*

*I'm also proud to report that the Assembly cut taxes for middle class families to the lowest rate in 59 years. We passed an on-time budget for the second year in a row. We decreased overall spending by \$135 million this year and closed a multi-billion dollar deficit with no new taxes. The budget included a provision that will provide relief to county taxpayers by taking over the local share of growth in Medicaid spending.*

*I vow to continue working on your behalf and assure you that your voice is being heard in Albany. If there is ever anything I can do for you, please do not hesitate to contact me.*
