

Even with the extended 2023 Legislative Session, there is still lots of work to do. As your Assemblyman, I will continue to fight for our local farmers and businesses, our first responders and veterans, and for everyday Americans and taxpayers. My one and only goal is to ensure your life is as burden-free as possible.

Legislation I Am Fighting For:

- Gives state income tax credit to volunteer firefighters and members of a volunteer ambulance corps in good standing up to \$1,200 (A.185).
- Bella’s Law requires the state of New York to investigate any individual accused of animal cruelty for domestic violence (A.1276).
- Gabby’s Law establishes a ‘Teal Alert’ for missing adults between the ages of 18 and 64 in New York, opts New York into the Ashanti Alert Act (A.03230).
- Helen’s Law creates a violent felony offender registry that requires violent criminals to register in a database for public viewing and investigative purposes (A.3665).

LOCAL EVENTS

During the retirement celebration of the Director of Cairo Public Library, Debra Kamecke, I announced \$40,000 in state funding that I was able to help secure for the advancement of the institution.

I had the pleasure to be a part of the 2023 Juneteenth celebration as we renamed a portion of West Main Street in honor of Martin Luther King, Jr.

I stood alongside Greene County, Windham, and Jewett officials and residents as we renamed a road in honor of Jeremy Glick, an American hero on Flight 93.

RECOGNITION

I had the honor of presenting Rose Brooks with a citation to honor her late husband, Ray Brooks. Each year, the Greene County Federation of Sportsmen hosts the Annual Ray Brooks Memorial Kids Fishing Derby in Catskill in his honor.

I attended a wonderful event by the Greene County Chamber. The Recognition Gala had many notable folks, including Senator Hinchey, Michael Lanuto, and members of Porcupine Soup.

EDUCATION

It was an honor to meet with students from South Kortright Senior High School at the State Capitol. I always enjoy speaking with the future leaders of America.

I welcomed the Gilboa-Conesville Central School fourth grade class during session. They have a bright future ahead of them.

I had the pleasure of meeting with some students and families from Homeschool New York. It's always great to visit with people from all different backgrounds.

I celebrated the 10th Anniversary of the Taste NY program. This wonderful program works to spotlight our hard-working farmers, food, and beverage producers.

After a grueling legislative session, I am excited to get back to working within our community. The past several weeks have been productive, helping out residents and small businesses with issues they're facing. While the work we do in Albany is important, working to help our friends and neighbors in our community is the most rewarding part of the job. I hope to see you out and about this summer.

My best,

Here Are Some Of The Important Policies I Fought For During This Past Legislative Session:

Keeping our streets safe (A.5463)

Returning whole milk to school lunches (A.2321)

Protecting religion from hate crimes (A.6929)

Backing our first responders (A.2654)

Protecting New York farms (A.5708)

ASSEMBLYMAN CHRIS
