ASSEMBLYMAN MIKE NORRIS UNDERSTANDS HOW HARD WE WORK TO GIVE OURSELVES AND OUR LOVED ONES THE BEST POSSIBLE LIVES. AS OUR ASSEMBLYMAN, HE'S WORKING HARD TO MAKE OUR STATE BETTER AND AFFORDABLE. THAT'S WHY HE IS:

- ✓ Working to improve public safety by repealing bail reforms that have resulted in New Yorkers feeling less safe as they read reports about cashless bail creating a revolving door for career criminals. Mike believes **judges should have full discretion about whether to set bail** based on the crime and dangerousness of the defendant. (A.6963-A)
- ✓ Urging the governor and legislative leaders to enact his 10-point Inflation Relief Plan that would **provide immediate financial relief to New Yorkers**, as well as set up our state for long-term savings. ¹
- ✓ **Calling for action on workforce development initiatives** he established after chairing a statewide task force. ²
