## As your State Assemblyman, I am proud to stand up for the values and priorities of Western New York.

- ✓ Restored Fiscal Responsibility by voting AGAINST the last five State Budgets that raised spending over \$59 billion, more than 32 other states' total budgets.<sup>1</sup>
- ✓ Improved Workforce Development by leading the Assembly Minority Task Force on Learning for Work, which focused on fostering career opportunities in professional skills and trades to strengthen our economy (A.6303).
- ✓ Protected our Volunteer Fire Departments by helping create the New York State Volunteer Firefighter Recruitment and Retention Task Force, expanding disability benefits (Chapter 334 of 2017), and introducing legislation that would increase training reimbursements (A.2267) and provide reimbursements for their use of personal vehicles (A.4094).
- ✓ OPPOSED bail reform, Raise the Age and Clean Slate legislation that significantly changed our criminal justice system.<sup>2</sup>
- ✓ OPPOSED the Governor's natural gas policy<sup>3</sup> - Sign Mike's petition at [bit.ly/gasstovepetition](https://bit.ly/gasstovepetition) or by scanning this QR code:
