WORKING FOR *Western New York*

As your Assemblyman, I have been hard at work ensuring Erie and Niagara counties have their priorities addressed. Here are some of the common-sense initiatives I have been supporting:

✓ LOWER TAXES

Cut state taxes on everyday essentials like cleaning products and personal care items (A.1690)

✓ SAFER COMMUNITIES

Allow judges to consider a defendant's public safety risk when determining release on bail (A.5992)

✓ PREP FOR SUCCESS

Provide K-12 students with media literacy standards, internet safety, civility, and digital citizenship education (A.1695) and financial literacy education (A.2928)

✓ WORKFORCE DEVELOPMENT

Prepare more students for good, well-paying careers by establishing a youth apprenticeship program through the Omnibus Learning for Work Act (A.6303)

✓ SCHOOL LUNCHES

Support a bipartisan proposal to provide lunch and nutrition programs for all public and private school kids (A.1941)

✓ ENERGY COSTS

Bring transparency to the fees that drive up energy costs to protect ratepayers (A.7263) and allow localities to ensure internet access to every citizen through the Regional Broadband Expansion & Access Program Act (A.4686)
