ASSEMBLYMAN DAVID DIPETRO: Protecting Family Farms

Assemblyman David DiPietro protects what matters

DiPietro's farming record stands as an example to every representative throughout the state.

He supports the most agriculture and farming bills in the entirety of the Legislature, including:

A.6092 Allows any family member working on a family farm to build a home on such land

A.1277 Requires dairy transporters to have approval from the Department of Agriculture and Markets in order to charge a dairy hauling surcharge to farmers

A.1967 Relates to establishing the Equine Industry Assistance Act of 2017

A.0777 Enacts the "New York Farmer Recruitment and Retention Act of 2018" and appropriates monies to implement certain provisions thereof

A.4731 Creates the Animal Abuser Central Registry, and requires that certain convicted animal abusers register

A.0653 Relates to animal cruelty and aggravated neglect of a companion animal

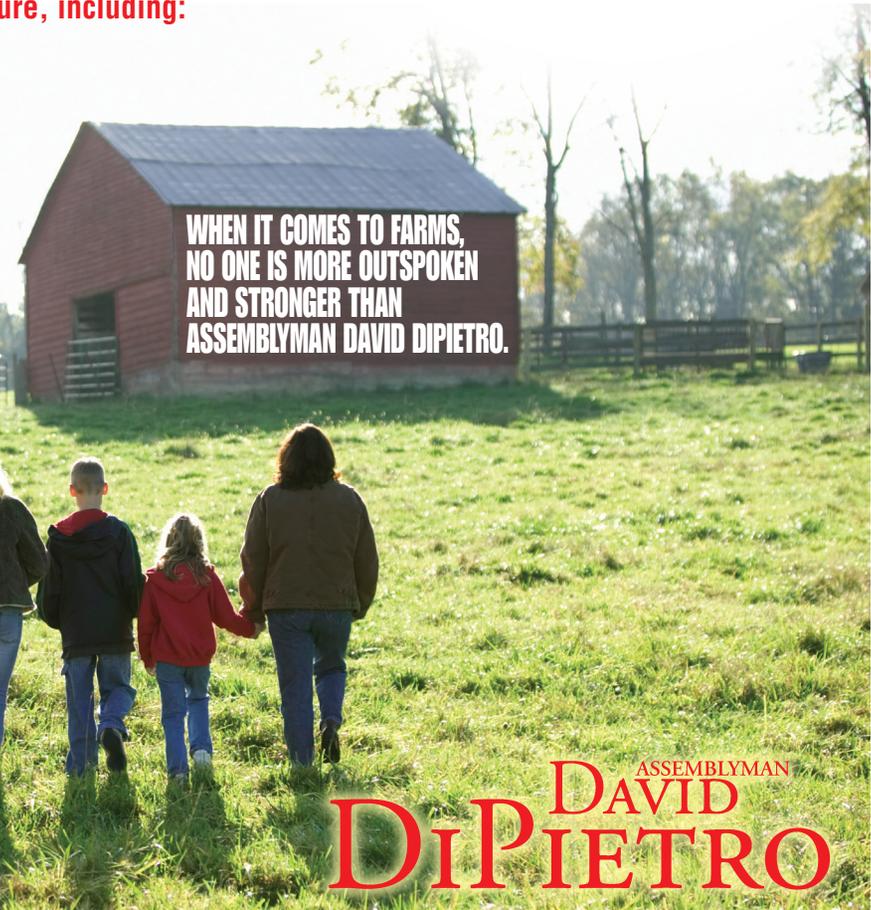

A.1558 Extends eligibility for the Agricultural Property Tax Credit to farmers having a leasehold interest of not less than five continuous years in qualified agricultural property

A.1577 Equine Activity Safety Code Act

A.6555 Enacts Invest-NY by implementing various tax benefits for businesses

A.6758 Eliminates the corporate franchise tax and personal income tax on manufacturers

A.5922 Establishes the New York State Cornerstone Program and the New York State Discovery Program
