10 a.m.- Noon

2912 Legion Dr, Eden, NY 14057

New York's Plans to go All Electric.

- ✘ Prohibit the installation of natural gas stoves and furnaces, and other fossil fuel appliances in most newly constructed buildings by the end of 2028. (A.3006-C of 2023)
- ✘ Require New Yorkers and small businesses to transition to all-electric vehicles, buildings, farm equipment and power generation by 2040. (S.6599 of 2019 & CAC Scoping Plan)

Say No To The Upcoming Gas Stove Ban for Most New Construction! Sign The Petition to oppose the plan to go all electric at bit.ly/nysgretran or scan the QR code with your cell phone. (A.3006-C of 2023)

FREE AND OPEN TO THE PUBLIC.
Coffee and donuts will be provided.
