DAVID DIPIETRO LEADS CHARGE TO SAFEGUARD THE SECOND AMENDMENT

I AM PROUD TO SPONSOR THE FOLLOWING LEGISLATION:

- ☆ Firearm applications contain warnings with minimal to no impact other than to coerce individuals not to exercise their Second Amendment rights. This bill would prohibit the use of these scare tactics.¹
- ☆ Repeal the SAFE Act.²
- ☆ Amend election law to enhance voter registration opportunities by designating government entities issuing firearms licenses as places for voter registration.³

- ☆ Enhance public safety by granting firearm dealers real-time access to the NY Statewide Police Information Network to minimize the window of opportunity for individuals to sell stolen firearms.⁴
- ☆ Authorize the carrying of firearms by military personnel at recruitment centers.⁵
- ☆ Permit the release of statistical data about permit holders on a county-by-county basis but require no identifying information about individuals to be disclosed.⁶
- ☆ Eliminate recertification requirements for firearms licenses created by the SAFE Act.⁷
