Migrant Costs Help Push New York State's Budget to \$233 Billion

NYC launches \$53M program to hand out pre-paid credit cards to migrant families
Some families can be provided nearly \$1,000 each month with cards being refilled every 28 days.

“New York state’s handling of the migrant crisis is unacceptable. National borders remain porous⁸ while our state hampers cooperation with federal authorities.⁷ Recent assaults on law enforcement⁴ are yet another example of the danger the humanitarian crisis has unleashed.”

David J. DiPietro

WE NEED TO END NEW YORK’S STATUS AS AN IMMIGRATION SANCTUARY STATE!

- **REQUIRE** background checks on all migrants arriving in New York.¹
- **PROTECT** communities from the “Right to Shelter” mandate by requiring local governments to opt-in to receiving migrants from other jurisdictions.²
- **ENSURE** funds are not utilized to shelter migrants in schools, child care facilities or on certain community organization premises.³
- **RESTORE** cooperation between local, state and federal authorities⁷ by notifying ICE of non-citizen arrests and repealing misguided “protect our courts” laws.
