For the purpose of complying with the state finance law, the year, chapter and section of the last act reappropriating a former original appropriation or any part thereof is, unless otherwise indicated, chapter 53, section 1, of the laws of 2019.

- d) No moneys appropriated by this chapter shall be available for payment until a certificate of approval has been issued by the director of the budget, who shall file such certificate with the department of audit and control, the chairperson of the senate finance committee and the chairperson of the assembly ways and means committee.
- e) Notwithstanding any provision of law to the contrary, if, on a cash basis of accounting, a General Fund imbalance has occurred during any Measurement Period, the budget director is hereby authorized to adjust or reduce any general fund and/or state special revenue fund appropriation contained herein and related cash disbursement by any amount needed to maintain a balanced budget for the 2020-2021 fiscal year. Provided however that such adjustments or reductions shall be done uniformly across-the-board to the extent practicable or by specific appropriations as needed. Notwithstanding any provision set forth in this appropriation bill or any other law to the contrary, to the extent any individual or entity is entitled to any cash disbursement which is reduced in accordance with this provision, such entitlement shall be adjusted or reduced commensurate with adjustments or reductions made by the budget director in accordance with this provision. The following types of appropriations shall be exempt from such reduction pursuant to this provision: (a) public assistance payments for families and individuals and payments for eligible aged, blind and disabled persons related to supplemental social security; (b) any reductions that would violate federal law; payments of debt service and related expenses for which the state is constitutionally obligated to pay debt service or is contractually obligated to pay debt service, subject to an appropriation, including where the state has a contingent contractual obligation; and (d) payments the state is obligated to make pursuant to court orders or judgments. For purposes of this provision, the budget shall be deemed unbalanced for the fiscal year if, during any Measurement Period, Actual State Operating Funds Tax Receipts are less than ninety-nine percent of Estimated State Operating Funds Tax Receipts, or Actual State Operating Funds Disbursements are more than one-hundred and one (101) percent of Estimated State Operating Funds Disbursements, or both. Prior to any such adjustments or reductions, the director shall notify in writing the Chairs of the Senate Finance Committee and Assembly Ways and Means Committee. The legislature shall then have ten days following the receipt of such written notification to either prepare its own plan, which may be adopted by concurrent resolution passed by both houses and implemented by the division of the budget, or if after ten days the legislature fails to adopt its own plan, the reductions to the general

fund and state special revenue fund aid to localities appropriations and related disbursements identified in the division of the budget plan will go into effect automatically. Any reductions to general fund and state special revenue fund aid to localities appropriations and related cash disbursements made pursuant to this provision may be paid in full or in part if one or both of the following events occur: Actual State Operating Funds Tax Receipts through February 28, 2021, are not less than 7 ninety-eight percent of Estimated State Operating Funds Tax Receipts through February 28, 2021; or the federal government provides aid that the director of the budget deems sufficient to reduce or eliminate the 10 11 imbalance in the General Fund for fiscal year 2020-2021 and does not 12 adversely impact the budget gap in fiscal year 2021-2022. No such 13 payments shall be made in part or in full unless and until the director 14 of the budget certifies that: the general fund has resources sufficient to make all planned payments anticipated in the 2020-21 financial plan 16 including tax refunds, without the issuance of deficit bonds or notes or 17 extraordinary cash management actions; the balances in the tax stabili-18 zation reserve and rainy day reserve (together, the "rainy 19 reserves") have been restored to a level equal to the level as of the start of the fiscal year; and other designated balances have been main-20 21 tained, as provided by law. For purposes of this provision: "Actual State Operating Funds Tax Receipts" shall mean the State Operating Fund 23 tax receipts, reported by the State Comptroller in the monthly Report to 24 the Legislature on the State Fund Cash Basis of Accounting, prepared in accordance with subdivision 9-a (a) of section 8 of the state finance law, immediately following the measurement period; "Actual State Operat-27 ing Funds Disbursements" shall mean the State Operating Funds disbursements, reported by the State Comptroller in the monthly Report to the 29 Legislature on the State Fund Cash Basis of Accounting, prepared in accordance with subdivision 9-a (a) of section 8 of the state finance 30 immediately following the measurement period. Such disbursements 31 shall be adjusted to include any amounts withheld pursuant to provision 32 33 F or any other payment reduction authority authorized in this bill making aid-to-localities appropriations; "Estimated State Operating Funds Tax Receipts" shall mean the State Operating Funds tax receipts 35 36 estimated to be received during the measurement period by the division the budget in the Financial Plan; "Estimated State Operating Funds Disbursements" shall mean the State Operating Funds disbursements, esti-39 mated to be made during the measurement period by the division of the budget in the Financial Plan. "Financial Plan" shall mean a financial 41 plan prepared by the division of the budget pursuant to sections 22 and 42 23 of the state finance law and used for the Measurement Period; and "Measurement Period" shall mean the period in which the difference 44 between Actual State Operating Funds tax receipts and "Estimated State 45 Operating Funds tax receipts" shall be measured for purposes of this section. The first measurement period shall begin on April 1, 2020 and 47 end on April 30, 2020. Financial Plan estimates for this period shall be the Executive Financial Plan as Updated for Governor's Amendments and 48 Forecast Revisions issued in February 2020. The second measurement period shall begin on May 1 and end on June 30, 2020. The third measurement period shall begin on July 1, 2020 and end on December 31, 2020. The Financial Plan for the second and third measurement periods shall be the Enacted Budget Financial Plan for FY 2021 issued pursuant to section 23 54 of the state finance law.

55 f) Notwithstanding any provision contained herein or any other law to 56 the contrary, if, during the 2020-21 fiscal year, the budget is deemed

1 unbalanced, the budget director is hereby authorized to withhold all or some of the amounts appropriated herein, including amounts that are to be paid on specific dates prescribed in law or regulation if, in his or her sole discretion, such action is necessary to respond to the direct and indirect economic, financial, and social effects of the COVID-19 pandemic. Prior to withholding any amounts, the director shall consider 7 whether other means are available for accomplishing the purposes of this provision, and the impact of such withholding on the affected aid recipient. To the extent the State is obligated to make payment to any individual or entity pursuant to any appropriation contained herein, such 10 11 obligation shall be reduced commensurate with such payments withheld by 12 the director of the budget. No later than five days prior to the begin-13 ning of each month, the director of the budget shall provide notifica-14 tion of payments that are expected to be withheld in such month pursuant to this provision to the president pro tempore of the senate and the 16 speaker of the assembly. No later than seven days after month end, the 17 director of the budget shall provide notification of payments that have 18 been withheld pursuant to this provision to the president pro tempore of 19 the senate and the speaker of the assembly. For purposes of this 20 provision, the budget shall be deemed unbalanced if Actual State Operat-21 ing Funds Tax Receipts are less than ninety-nine percent of Estimated State Operating Funds Tax Receipts, or Actual State Operating Funds Disbursements are more than one-hundred and one (101) percent of Esti-23 mated State Operating Funds Disbursements, or both. Additionally, for purposes of this provision: "Actual State Operating Funds Tax Receipts" shall mean the State Operating Fund tax receipts, reported by the State 26 27 Comptroller in any monthly Report to the Legislature on the State Fund 28 Cash Basis of Accounting, prepared in accordance with subdivision 9-a 29 (a) of section 8 of the state finance law; "Actual State Operating Funds Disbursements" shall mean the State Operating Funds disbursements, 30 reported by the State Comptroller in any monthly Report to the Legisla-31 ture on the State Fund Cash Basis of Accounting, prepared in accordance 32 33 with subdivision 9-a (a) of section 8 of the state finance law; "Estimated State Operating Funds Tax Receipts" shall mean the State Operating Funds tax receipts estimated to be received during any period within the 35 2020-21 Fiscal Year by the division of the budget in the Financial Plan; "Estimated State Operating Funds Disbursements" shall mean the State 38 Operating Funds disbursements, estimated to be made during any period within the 2020-21 Fiscal Year by the division of the budget in the 39 40 Financial Plan; and "Financial Plan" shall be the Executive Financial 41 Plan as Updated for Governor's Amendments and Forecast Revisions issued 42 in February 2020 for the period April 1, 2020 through April 30, 2020 and the enacted budget financial plan for the 2020-21 fiscal year issued 44 pursuant to sections 22 and 23 of the state finance law for the period 45 May 1, 2020 through March 31, 2021. 46

g) Notwithstanding any provision of law to the contrary, prior to the expenditure of any funds received by the Federal government in response to the COVID-19 public health emergency pursuant to the authority granted in any appropriation set forth herein, the director of the budget may require that the agency or public authority making such expenditures submit an allocation plan to the director of the budget for approval. Approved allocation plans shall be provided to the president pro tempore of the senate and the speaker of the assembly within 30 days of approval. Such allocation plan must comport with any minimum Federal requirements for the expenditure of such funds.

Any portion of a social 15 services district's allocation from funds 16 appropriated herein not claimed by such 17 district during the state fiscal year may 18 be used by such district for expenditures 19 on preventive services provided pursuant 20 to section 409-a of the social services independent living services 21 22 aftercare services provided pursuant to 23 regulations of the department of family 24 assistance, claimed by such district 25 during the next state fiscal year up to 26 the amount remaining from the district's 27 block grant foster care allocation, 28 provided however, that any claims for such 29 services during the next state fiscal year 30 in excess of such amount shall be subject 31 to 62 percent state reimbursement exclu-32 sive of any federal funds made available 33 for such purposes, in accordance with 34 directives of the department of family 35 assistance and subject to the approval of 36 the director of the budget. The final allocation of 48 the amount of any federal disallowance resulting from a title IV-E secondary 49 eligibility review shall be 50 allocated 51 among the districts so that each district

shall be responsible for 1 the attributable to each of the district's 2 children or cases that are determined by 3 the federal review to be unallowable. Each district shall also be responsible for a 5 6 portion of the federal extrapolated disal-7 lowance amount based on the relative error 8 rate for the district. The city of New 9 York's error rate will be based on the 10 federal sample and federal statistics. For 11 all social services districts other than 12 the city of New York, the error rate will 13 be based on a review conducted by the 14 district of a sample of children and/or 15 cases determined by the office of children 16 and family services and a re-review of a 17 sub-sample by the office of those children 18 and/or cases determined by the office. The office of children and family services 19 20 will determine what is reasonable establishing the size of the sample and 21 22 sub-sample for each district. The office 23 of children and family services shall notify each social services district of 24 25 the sample of children and/or cases from 26 the federal audit period that the social services district must review. Any child 27 28 or case from the social services district 29 that was included in the federal sample 30 will automatically be included in the 31 social services district's review sample 32 and the determination made at the federal 33 review regarding that child or case will 34 govern for the purposes of the social 35 services district's review. The social 36 services district must complete and submit 37 the results of its review to the office of 38 children and family services within 60 39 days of receipt of the sample. The error 40 rate for the district will be based on the 41 findings of the district's review and the 42 office of children and family services' re-review. If a social services district 43 44 does not complete its review within 60 days of receiving the sample from the 45 46 office of children and family services, 47 the office of children and family services 48 shall assign an error rate to the social 49 services district based on the relative 50 percentage of the district's applicable 51 title IV-E claims for the relevant period

AID TO LOCALITIES 2020-21

1 as compared to applicable statewide title IV-E claims for that period and other 2 circumstances that the office of children 3 and family services may consider in order to allocate 100 percent of the federal 5 disallowance. The office of children and 6 7 family services shall apply each social 8 services district's error rate to the 9 total amount of the district's applicable 10 title IV-E claims including associated 11 administrative expenses. The resulting 12 dollar amounts for all of the social 13 services districts will be summed 14 derive the total amount of title IV-E 15 claims deemed to be in error statewide. To 16 establish a disallowance percentage for 17 each social services district, the amount 18 of the district's title IV-E claims deemed to be in error will be divided by the 19 amount of statewide title IV-E claims 20 21 deemed to be in error. The resulting 22 disallowance percentage for each district 23 will be applied to the entire title IV-E 24 extrapolated disallowance calculated by 25 the federal review to determine the amount 26 of the extrapolated disallowance for which 27 the district is responsible. Each district 28 will be credited for the amount already 29 disallowed for any individual children or 30 cases found to be in error during the The exclusive appeal 31 federal review. 32 rights for the review of the amount of the 33 federal disallowance assigned to 34 social services district shall be pursuant 35 to article 78 of the civil practice law 36 and rules; provided, however, that in any 37 such action all of the social services 38 districts shall be joined as necessary 39 parties and the venue of any such action 40 shall be in Rensselaer county. Any social 41 services district that fails to complete its sample review in the required time 42 frames shall have no right to appeal and 43 shall not be a necessary party to any 44 action brought by another social services 45 46 district. 47 available for payment of state aid hereto-49
