PART R

17 Section 1. Short title. This act shall be known and may be cited as
18 the "Josef Neumann Hate Crimes Domestic Terrorism Act".

19 § 2. The opening paragraph of section 485.00 of the penal law, as
20 amended by chapter 8 of the laws of 2019, is amended to read as follows:

21 The legislature finds and determines as follows: criminal acts involv-
22 ing violence, intimidation and destruction of property based upon bias
23 and prejudice have become more prevalent in New York state in recent
24 years. The intolerable truth is that in these crimes, commonly and
25 justly referred to as "hate crimes", victims are intentionally selected,
26 in whole or in part, because of their race, color, national origin,
27 ancestry, gender, gender identity or expression, religion, religious
28 practice, age, disability or sexual orientation. Hate crimes do more
29 than threaten the safety and welfare of all citizens. They inflict on
30 victims incalculable physical and emotional damage and tear at the very
31 fabric of free society. Crimes motivated by invidious hatred toward
32 particular groups not only harm individual victims but send a powerful
33 message of intolerance and discrimination to all members of the group to
34 which the victim belongs. Hate crimes can and do intimidate and disrupt
35 entire communities and vitiate the civility that is essential to healthy
36 democratic processes. In a democratic society, citizens cannot be
37 required to approve of the beliefs and practices of others, but must
38 never commit criminal acts on account of them. [Current law] However,
39 these criminal acts do occur and are occurring more and more frequently.
40 Quite often, these crimes of hate are also acts of terror. The recent
41 attacks in Monsey, New York as well as the shootings in El Paso, Texas;
42 Pittsburgh, Pennsylvania; Sutherland Springs, Texas; Orlando, Florida;
43 and Charleston, South Carolina illustrate that mass killings are often
44 apolitical, motivated by the hatred of a specific group coupled with a
45 desire to inflict mass casualties. The current law emphasizes the poli-
46 tical motivation of an act over its catastrophic effect and does not
47 adequately recognize the harm to public order and individual safety that
48 hate crimes cause. Therefore, our laws must be strengthened to provide
49 clear recognition of the gravity of hate crimes and the compelling
50 importance of preventing their recurrence.

51 § 3. Subdivision 3 of section 485.05 of the penal law, as amended by
52 section 9 of part NN of chapter 55 of the laws of 2018, is amended to
53 read as follows:

12 higher efficiency among the personnel, to provide skilled leadership in
13 administration, to reward merit and to insure the highest return in
14 services for the necessary costs of administration, it is hereby
15 declared that public authorities shall, consistent with the federal

21 determining the proper compensation for a title or in determining the
22 pay for any individual or group of employees, ensure that no employee
23 with status within one or more protected class or classes shall be paid
24 a wage at a rate less than the rate at which an employee without status
25 within the same protected class or classes in the same establishment is
26 paid for similar work or substantially similar work and provide regular

28 of output and increase of quality of work demonstrated in service.

15 reimbursement fee, which must include at a minimum forensic examiner
16 services, hospital or healthcare facility services related to the exam,
17 and any necessary related laboratory tests [and necessary] or pharmaceu-

25 established office [directly] procedure. The office, in consultation
26 with the department of health, shall also generate the necessary regu-

28 (b) The rate for reimbursement shall be the amount of itemized

34 assault survivor where a sexual offense evidence collection kit is used;
35 (3) one thousand five hundred dollars for an exam of a sexual assault
36 survivor who is eighteen years of age or older, with or without the use
37 of a sexual offense evidence collection kit, and with the provision of a
38 necessary HIV post-exposure prophylaxis seven day starter pack; and (4)
39 two thousand five hundred dollars for an exam of a sexual assault survi-

7 provide such information regarding private health insurance benefits if
8 he or she believes that the provision of such information would substan-
9 tially interfere with his or her personal privacy or safety and in such
10 event, the sexual assault forensic exam fee shall be paid by the office.
11 Such sexual assault survivor shall also be advised that providing such
12 information may provide additional resources to pay for services to
13 other sexual assault victims. Such sexual assault survivor shall also
14 be advised that the direct reimbursement program established by this
15 subdivision does not automatically make them eligible for any other
16 compensation benefits available from the office including, but not
17 limited to, reimbursement for mental health counseling expenses, relo-
18 cation expenses, and loss of earnings, and that such compensation bene-
19 fits may only be made available to them should the sexual assault survi-

53 fied independent film production company write [or revise literary mate-
54 rials] television scripts, outlines, rewrites, stories, or teleplays for
55 television series utilized in a qualified film. A writers room is

1 located in the state only if it is in use in the state at least eighty
2 percent of the time it is in existence.

3 [(8)] (7) "Director" means an individual employed or retained to
4 direct the production, as the word "direct" is commonly used in the
5 motion picture industry, [and] who would be classified as a director
6 under the basic agreement in place between the Association of Motion
7 Picture and Television Producers and the Director's Guild of America and
8 who [is a resident of New York] must meet the minimum criteria for work
9 on qualified productions in New York state as established by the commis-
10 sioner of economic development by regulation.

11 [(9)] (8) "Profit participant" is an individual who has negotiated for
12 a percentage of profits generated by a qualified film. Profit partic-

14 bargained agreements for reuse of a qualified film on different plat-
15 forms over time.

16 (c) Cross-references. For application of the credit provided for in
17 this section, see the following provisions of this chapter:

18 (1) article 9-A: section 210-B: subdivision 54.

19 (2) article 22: section 606: subsection (v).

20 (d) Notwithstanding any provision of this chapter, (1) employees and
21 officers of the department of economic development and the department
22 shall be allowed and are directed to share and exchange information
23 regarding the credits applied for, allowed, or claimed pursuant to this
24 section and taxpayers who are applying for credits or who are claiming
25 credits, including information contained in or derived from credit claim
26 forms submitted to the department and applications for certification
27 submitted to the department of economic development, and (2) the commis-
28 sioner and the commissioner of the department of economic development
29 may release the names and addresses of any taxpayer claiming this credit
30 and the amount of the credit earned by the taxpayer. Provided, however,
31 if a taxpayer claims this credit because it is a member of a limited
32 liability company or a partner in a partnership, only the amount of
33 credit earned by the entity and not the amount of credit claimed by the
34 taxpayer may be released.

35 (e) Maximum amount of credits. (1) The aggregate amount of tax credits
36 allowed under this section, subdivision fifty-four of section two
37 hundred ten-B and subsection (v) of section six hundred six of this
38 chapter in any calendar year shall be five million dollars. Such aggre-
39 gate amount of credits shall be allocated by the department of economic
40 development among taxpayers in order of priority based upon the date of
41 filing an application for allocation of television writers' and direc-
42 tors' fees and salaries credit with such department. If the total amount
43 of allocated credits applied for in any particular year exceeds the
44 aggregate amount of tax credits allowed for such year under this
45 section, such excess shall be treated as having been applied for on the
46 first day of the subsequent year.

47 (2) The commissioner of economic development, after consulting with
48 the commissioner, shall promulgate regulations [by October thirty-first,
49 two thousand nineteen] to establish procedures for the allocation of tax
50 credits as required by subdivision (a) of this section. Such rules and
51 regulations shall include provisions describing the application process,
52 the due dates for such applications, the standards which shall be used
53 to evaluate the applications, the documentation that will be provided to
54 taxpayers to substantiate to the department the amount of tax credits
55 allocated to such taxpayers, and such other provisions as deemed neces-
56 sary and appropriate. Notwithstanding any other provisions to the

1 contrary in the state administrative procedure act, such rules and regu-
2 lations may be adopted on an emergency basis [if necessary to meet such
3 October thirty-first, two thousand nineteen deadline].

4 (f) The department of economic development shall submit to the gover-
5 nor, the temporary president of the senate, and the speaker of the
6 assembly, an annual report to be submitted on February first of each
7 year evaluating the effectiveness of the television writers' and direc-
8 tors' fees and salaries tax credit provided by this section in stimulat-
9 ing the growth of diversity in the film industry in the state. Such
10 report shall include, but need not be limited to, the number of quali-
11 fied film production companies and/or qualified independent film
12 production companies which received a television writers' and directors'
13 fees and salaries credit, the credit amounts claimed by each qualified
14 film production company and/or qualified independent film production
15 company, as well as the impact on employment and the economy of the
16 state. Such report shall be based on data available from the application
17 filed with the department of economic development for allocation of
18 television writers' and directors' fees and salaries credits. Notwith-
19 standing any provision of law to the contrary, the information contained
20 in the report shall be public information. The report may also include
21 any recommendations of changes in the calculation or administration of
22 the credit, and any other recommendation of the commissioner of the
23 department of economic development regarding continuing modification,
24 repeal of such act, and such other information regarding the act as the
25 commissioner of the department of economic development may feel useful
26 and appropriate.

27 § 2. Section 6 of a chapter of the laws of 2019, amending the tax law
28 relating to a television writers' and directors' fees and salaries cred-
29 it, as proposed in legislative bills numbers S. 5864-A and A. 6683-B, is
30 amended to read as follows:

31 § 6. Study of the underutilization of minority and women screenwriters
32 and directors. 1. Study. Subject to an appropriation which shall
33 provide sufficient funding necessary to complete such study, the depart-
34 ment of economic development shall select, through the request for
35 proposal process, an entity independent of such department which shall
36 serve as such department's designee for the purpose of conducting a
37 study to investigate the statistical significance of the underutiliza-
38 tion of minority and women screenwriters and directors. Such study shall
39 conduct or provide for an examination of, but not be limited to, a
40 comparison of available minority and women screenwriters and directors
41 against the share of screenwriting and directing work such groups
42 receive on projects in New York state to demonstrate the statistically
43 significant underutilization of that population.

44 2. Report. (a) Upon the completion of the study conducted pursuant to
45 subdivision one of this section, the department of economic development
46 shall deliver a report of the findings of such study to the governor,
47 the temporary president of the senate, and the speaker of the assembly
48 and post the study on the website of the department of economic develop-
49 ment. (b) If the department of economic development determines that the
50 study has found statistically significant evidence of the underutiliza-
51 tion of minority and women screenwriters and directors against the share
52 of screenwriting and directing work such groups receive on projects in
53 the state, then the department of economic development shall so notify
54 the governor, the temporary president of the senate, the speaker of the
55 assembly, the commissioner of taxation and finance and the legislative
56 bill drafting commission.

1 3. Powers. All other departments or agencies of the state or subdivi-
2 sions thereof, and local governments shall, at the request of the
3 department of economic development or its designee chosen pursuant to
4 subdivision one of this section, provide expertise, assistance, and/or
5 data that are relevant or material to the completion of the study
6 directed to be completed by subdivision one of this section and the
7 report directed to be completed by subdivision two of this section. The
8 department of economic development, or its designee, shall also be
9 authorized to obtain relevant information from any recognized entities
10 representing the television industry or segments thereof towards the
11 completion of such study.

12 § 7. This act shall take effect immediately, [and shall apply to taxa-
13 ble years beginning on or after January 1, 2020] provided, however, that
14 the provisions of sections one, two, three, four, and five of this act
15 shall take effect on the first of January next succeeding the date the
16 department of economic development provides notice to the legislative
17 bill drafting commission of a determination pursuant to paragraph (b) of
18 subdivision two of section six of this act and shall apply to taxable
19 years on and after such date; provided that the department of economic
20 development shall notify the legislative bill drafting commission upon
21 the occurrence of the submission of the report provided for in paragraph
22 (b) of subdivision two of section six of this act in order that the
23 commission may maintain an accurate and timely effective data base of
24 the official text of the laws of the state of New York in furtherance of
25 effectuating the provisions of section 44 of the legislative law and
26 section 70-b of the public officers law. Effective immediately, the
27 addition, amendment and/or repeal of any rule or regulation necessary
28 for the implementation of this act on its effective date are authorized
29 to be made and completed on or before such effective date.

30 § 3. This act shall take effect immediately; provided, however that
31 section one of this act and section 6 of a chapter of the laws of 2019,
32 amending the tax law relating to a television writers' and directors'
33 fees and salaries credit, as proposed in legislative bills numbers S.
34 5864-A and A. 6683-B, as amended by section two of this act shall take
35 effect on the same date and in the same manner as such chapter of the
36 laws of 2019, takes effect.

37

SUBPART Y

38 Section 1. A chapter of the laws of 2019, amending the labor law
39 relating to ensuring that utility employees receive the prevailing wage,
40 as proposed in legislative bills numbers S. 6265-A and A. 8083-A, is
41 REPEALED.

42 § 2. The public service law is amended by adding a new section 42-a to
43 read as follows:

44 § 42-a. Payment of wages to workers; certain cases. 1. The legislature
45 hereby finds that the protection of critical infrastructure is furthered
46 by the enhanced training, experience and expertise of workers in all
47 positions at such facilities. Given that the state of New York, due to
48 its representation as a beacon of liberty, diversity and equality, and
49 its history of being the target of terrorist attacks, will always be a
50 target for those who wish to do this country and this state harm, New
51 York has a fundamental obligation to harden its infrastructure against
52 any such threats or activity. In hardening the infrastructure there is
53 no greater asset than the human capital that serve at the front lines of
54 the effort to thwart terrorist attacks. The electric and steam generat-

1 ing facilities in the state, when active, provide a target that requires
2 the hardening not only of the physical infrastructure but the human
3 infrastructure as well. Turnover in such positions, for the service
4 workers who provide cleaning, security and maintenance services at such
5 active generating facilities will decrease if the workers are paid
6 increased wages. The reduction of turnover will allow for the more
7 developed and trained workforce to continue to provide the measure of
8 safety and security the state requires. Given that important state
9 interest, it is therefore found and declared that the workers at such
10 facilities shall be trained to ensure their ability to meet the security
11 needs of the facilities that they work upon. It is further found and
12 declared that the reduction of turnover may be accomplished by the
13 payment of rates of pay in line with those prevailing in such trade or
14 occupation, as otherwise defined.

15 2. The wages paid, and benefits provided, to building service employ-
16 ees who are employed at a work location that is an active major electric
17 or steam generating facility, or at a transmission or distribution
18 facility considered critical infrastructure as determined by the divi-
19 sion of homeland security and emergency services in consultation with
20 the department, shall be subject to article nine of the labor law. For
21 purposes of this section "major electric generating facility" means an
22 electric generating facility with a nameplate generating capacity of
23 twenty-five thousand kilowatts or more, including interconnection elec-
24 tric transmission lines and fuel gas transmission lines, and "major
25 steam generating facility" means a steam generating facility with a
26 generating capacity to be determined by the department.

27 § 3. This act shall take effect on the same date and in the same
28 manner as a chapter of the laws of 2019, amending the labor law relating
29 to ensuring that utility employees receive the prevailing wage, as
30 proposed in legislative bills numbers S. 6265-A and A. 8083-A, takes
31 effect, provided, however, that section two of this act shall take
32 effect on the one hundred eightieth day after it shall have become a
33 law.

34

SUBPART Z

35 Section 1. Paragraph (b) of subdivision 2 of section 280-b of the real
36 property law, as added by a chapter of the laws of 2019, amending the
37 real property law relating to regulation of reverse mortgages issued
38 under the federal home equity conversion mortgage for seniors program,
39 as proposed in legislative bills numbers S. 4407 and A. 5626, is amended
40 to read as follows:

41 (b) use the words "government insured" or other similar language
42 [representing] in a manner that falsely represents that reverse mortgage
43 loans are insured, supported and sponsored by any governmental entity in
44 any commercial, mailing, advertisement or writing relating thereto; or

45 § 2. This act shall take effect on the same date and in the same
46 manner as a chapter of the laws of 2019, amending the real property law
47 relating to regulation of reverse mortgages issued under the federal
48 home equity conversion mortgage for seniors program, as proposed in
49 legislative bills numbers S. 4407 and A. 5626, takes effect.

12 tive date of this title, the department shall post lists of dangerous
13 chemicals and chemicals of concern on the department's website.

14 2. Periodic review. (a) The department, in consultation with the
15 department of health, shall periodically review the list of dangerous
16 chemicals and, may through regulation, add or remove dangerous chemicals
17 or chemicals of concern from such lists.

18 (b) The department, in consultation with the department of health, may
19 identify a chemical as a dangerous chemical if, upon such review, it is
20 present in a children's product and meets any of the following criteria:

21 (i) The chemical or its metabolites have been found through biomon-
22 itoring to be present in humans;

34 chemical no longer meets the criteria for listing under paragraph (b) of
35 this subdivision.

36 (d) The department, in consultation with the department of health
37 shall identify a chemical as a chemical of concern if, upon review, it

2 of credible scientific evidence. The department may remove a chemical
3 from the list of chemicals of concern if, upon review, it determines on
4 the basis of credible scientific evidence that such chemical no longer
5 meets the criteria for listing under paragraph (a) of this subdivision.

6 2. High-priority chemicals. (a) The following chemicals are designated
7 high priority chemicals for purposes of this title:

8 (i) Tris (1, 3 dichloro-2-propyl) phosphate (CAS 13674-87-8)

9 (ii) Benzene (CAS 71-43-2)

19 chemicals and may by rule add to the list of high-priority chemicals if
20 the criteria of paragraph (a) of subdivision one of this section are met
21 and the chemical is present in a children's product and meets any of the
22 following criteria:

23 (i) The chemical or its metabolites have been found through biomon-
24 itoring to be present in humans;

25 (ii) The chemical has been found through sampling and analysis to be
26 present in household dust, indoor air, drinking water or elsewhere in
27 the home environment;

28 (iii) The chemical has been found through monitoring to be present in
29 fish, wildlife or the natural environment; or

30 (iv) The sale or use of the chemical or a children's product contain-
31 ing the chemical has been banned in another state or states within the
32 United States because of the health effects of such chemical or the
33 children's product safety council established pursuant to section
34 37-0911 of this title has recommended the chemical be listed as a high-
35 priority chemical. The department shall, as part of its periodic
36 review, consider whether the sale or use of a chemical or a children's
37 product containing the chemical has been banned in another state or
38 within the United States because of the health effects of such chemical.

39 (c) The department, in consultation with the department of health, may
40 remove a chemical from the list of high priority chemicals if it deter-
41 mines on the basis of credible scientific evidence that such chemical no
42 longer meets the criteria of paragraph (b) of this subdivision.

43 § [37-0905.] 37-0907. Reporting on the use of chemicals.

44 1. Reporting of chemical use. No later than twelve months after a
45 [dangerous] chemical of concern or high-priority chemical appears on the
46 [list published] lists promulgated pursuant to section [37-0903] 37-0905
47 of this title, every manufacturer who offers a children's product for
48 sale or distribution in this state that contains a [dangerous chemical
49 or] chemical of concern or a high-priority chemical shall report such
50 chemical use at or above practical quantification limits to the depart-
51 ment, provided however, that the department may, through regulation,
52 establish an alternative threshold for the reporting of trace contam-
53 inants.

54 (a) This report must at a minimum identify the children's product, the
55 [dangerous] high-priority chemical or chemicals of concern contained in

1 the children's product and the intended purpose of such chemicals. The
2 department may also require reporting of the following information:

3 (i) the amount of such chemical in the children's product; or
4 (ii) information on the likelihood that the chemical will be released
5 from the children's product to the environment during the product's life
6 cycle and the extent to which users of the product are likely to be
7 exposed to the chemical.

8 (b) The department is authorized to direct submission of such report
9 to the interstate chemicals clearinghouse and may otherwise provide for
10 reciprocal data sharing with other states which require reporting of the
11 same information.

12 2. Waiver of reporting. Upon application by a manufacturer, the
13 commissioner may waive all or part of the reporting requirements under
14 subdivision one of this section for one or more specified uses of a
15 [dangerous] high-priority chemical. In making such determination, the
16 commissioner may consider: (a) if substantially equivalent information
17 is already publicly available or that the information is not needed for
18 the purposes of this chapter, (b) similar waivers granted by other
19 states, and (c) whether the specified use or uses are minor in volume.

20 3. [Notice. (a) A manufacturer of a children's product containing a
21 dangerous chemical shall notify persons that offer the children's prod-
22 uct for sale or distribution in the state, in a form prescribed by the
23 department, of the presence of such dangerous chemical, and provide such
24 persons with information regarding the toxicity of such chemical.

25 (b) The department shall notify consumers about children's products
26 containing chemicals of concern and dangerous chemicals. The notifica-
27 tion shall be published on the department's website.

28 4.] Fees. The manufacturer shall pay a fee upon submission of a
29 report of chemical use pursuant to subdivision one of this section or a
30 waiver request pursuant to subdivision two of this section to cover the
31 department's reasonable costs in the administration and enforcement of
32 this title. Exclusive of fines and penalties, the state shall only
33 recover its actual cost of administration and enforcement.

34 § [37-0907.] 37-0909. Sales prohibition.

35 1. Effective January first, two thousand twenty-three, no person shall
36 distribute, sell or offer for sale in this state a children's product
37 [containing] in which tris (1, 3 dichloro-2-propyl) phosphate (CAS
38 13674-87-8), benzene (CAS 71-43-2), [formaldehyde (other than in
39 textiles)], or asbestos[, and organohalogen flame retardants] (CAS
40 1332-21-4) is intentionally added. This provision shall not apply: (a)
41 to a children's product solely based on its containing an enclosed
42 battery or enclosed electronic components [and]; (b) where state regu-
43 lation of children's products is preempted by federal law; (c) where the
44 chemical is present as a trace contaminant; or (d) to an inaccessible
45 component of a children's product that during reasonable, foreseeable
46 use and abuse of the product would not come into direct contact with a
47 child's skin or mouth, as determined by the department. The commissioner
48 may exempt a children's product from this prohibition if, in the commis-
49 sioner's judgment, the lack of availability of the children's product
50 could pose an unreasonable risk to public health, safety or welfare.

51 2. [Effective three years after being added to the dangerous chemicals
52 list, no person shall distribute, sell, or offer for sale in this state
53 a children's product that contains a chemical added to the dangerous
54 chemicals list pursuant to section 37-0903 of this title] (a) To the
55 extent allowed by federal law, the department may, by regulation,
56 prohibit the distribution, sale, or offer for sale in this state of a

1 children's product that contains a chemical added to the high-priority
2 chemicals list pursuant to section 37-0905 of this title, or a chemical
3 recommended for prohibition by the children's product safety council
4 pursuant to paragraph (b) of subdivision five of section 37-0911 of this
5 title.

6 (b) In developing rules to prohibit a chemical pursuant to this subdi-
7 vision, the department shall rely on credible scientific evidence and
8 consider information relevant to the hazards based on the quantitative
9 extent of potential exposures to the chemical under its intended or
10 reasonably anticipated conditions of use.

11 § 37-0911. Children's product safety council; established. 1. There
12 shall be established, within the department, the children's product
13 safety council. Such council shall be composed of ten members as
14 follows:

21 miology, toxicology or health risk assessment; and

22 (e) six members appointed by the governor, two of whom shall be recom-
23 mended by the temporary president of the senate, and two by the speaker
24 of the assembly.

25 2. (a) Of the four members appointed to the children's product safety
26 council and recommended by the temporary president of the senate and the
27 speaker of the assembly, the temporary president of the senate and the
28 speaker of the assembly shall each recommend:

29 (i) one member who has expertise in pediatrics; and

30 (ii) one member who has a background or expertise in toxicology or
31 health risk assessment.

32 (b) Of the two additional members appointed to the children's product
33 safety council, the governor shall appoint members who have a background
34 in environmental health and safety, risk assessment or medicine.

35 (c) The members of such council appointed pursuant to paragraph (e) of
36 subdivision one of this section shall serve terms of two years.

37 (d) The members appointed pursuant to paragraph (e) of subdivision one
38 of this section shall each serve his or her term of office or until his
39 or her successor is appointed; provided that any vacancy in the position
40 of an appointed member shall be filled in the same manner as the
41 original appointment and only for the unexpired term of the vacancy.

42 3. The members of the children's product safety council shall receive
43 no compensation for their services, but shall be allowed their actual
44 and necessary expenses incurred in the performance of their duties
45 pursuant to this title.

46 4. The children's product safety council shall meet at such times and
47 places as may be determined by its chair. The council shall meet at a
48 minimum of two times per year. All meetings shall be open to the public
49 pursuant to article seven of the public officers law. A majority of the
50 members of such council shall constitute a quorum for the transaction of
51 business. Action may be taken, and motions and resolutions adopted, at
52 any meeting by the affirmative vote of a majority of the full membership
53 of the council.

54 5. (a) The council shall make recommendations to the department relat-
55 ing to those chemicals, which the department may list as high-priority
56 chemicals pursuant to section 37-0905 of this title. The council shall

1 provide the department with its first list of recommended high-priority
2 chemicals no later than one year from the initial meeting of the coun-
3 cil, and the council shall update the list annually thereafter. In
4 determining what chemicals shall be recommended as high-priority chemi-
5 cals the council shall, at a minimum, consider the criteria of paragraph
6 (b) of subdivision two of section 37-0905 of this title;

7 (b) The council shall make recommendations to the department relating
8 to those chemicals which should be prohibited by the department pursuant
9 to subdivision two of section 37-0909 of this title.

10 (i) In determining what chemicals shall be recommended for prohibi-
11 tion, the council shall, at a minimum, consider those chemicals listed
12 as high-priority chemicals pursuant to section 37-0905 of this title.

13 (ii) The council shall provide the department with its first list of
14 such chemicals no later than two years from the initial meeting of the
15 council. The council shall update the list, including a review of the
