9 reimburse social services districts for
10 the change in the maximum state aid rates
11 established by the office of children and
12 family services for the 2024-25 rate year
13 pursuant to section 398-a of the social

16 tion of the cost of living adjustments

18 payments made to foster parents and for
19 salary and fringe benefit costs and other
20 critical nonpersonal services costs for
21 foster care programs as determined by the
22 office. Social services districts must
23 adjust the amount of payments made for
24 care provided by congregate care and
25 foster boarding home programs and to
26 foster parents to reflect the cost of
27 living adjustments in the manner specified
28 by the office. Each authorized agency
29 operating a congregate care or foster
30 boarding home program in New York state
31 for which the office sets a maximum state
32 aid rate pursuant to section 398-a of the
33 social services law or section 4003 or
34 4405 of the education law shall submit, at
35 the time and in a manner to be determined

37 attesting that the funds received for the

42 accordance with the requirements of the
43 cost of living adjustment established by
44 the office.

45 Notwithstanding any inconsistent provision
46 of law including, but not limited to, any
47 chapter of the laws of 2024 which enacts a
48 cost of living adjustment for the state
49 fiscal year beginning on April 1, 2024,

1 effect on March 31, 2024 for the entire
2 rate year that began when such cost of
3 living adjustment increase was in effect.
4 Notwithstanding any inconsistent provision
5 of law, the commissioner shall apply a 3.2
6 percent cost of living adjustment for the
7 rate year that begins on July 1, 2024 for
8 the purposes of establishing rates of
9 payments, contracts, or any other form of
10 reimbursement, provided that this shall
11 not prevent the commissioner from applying
12 additional trend or staff retention
13 factors for this program.
14 Notwithstanding any inconsistent provision
15 of law, the Commissioner shall ensure that
16 foster care rates issued for foster care
17 providers for the rate period commencing
18 on July 1, 2024 and ending on June 30,
19 2025, include any cost of living adjust-
20 ments provided by any prior chapter of
21 law.
22 Within the amounts appropriated herein,
23 state reimbursement to each social
24 services district for services identified
25 herein that are otherwise reimbursable by
26 the state from April 1, 2024 through March
27 31, 2025 shall be limited to a district
28 allocation, hereinafter referred to as the
29 district's block grant allocation.
30 Notwithstanding any other provision of
31 law, such block grant allocation shall be
32 based, in part, on each district's claims
33 for such costs, adjusted by the applicable
34 cost allocation methodology and net of any
35 retroactive payments for the 12 month
36 period ending June 30, 2023 that are

1 during the next state fiscal year up to
2 the amount remaining from the district's

4 provided however, that any claims for such
5 services during the next state fiscal year
6 in excess of such amount shall be subject
7 to 65 percent state reimbursement exclu-
8 sive of any federal funds made available
9 for such purposes, in accordance with
10 directives of the department of family
11 assistance and subject to the approval of
12 the director of the budget. Any claims
13 submitted by a social services district
14 for reimbursement for a particular state
15 fiscal year for which the social services
16 district does not receive state or federal
17 reimbursement during that state fiscal
18 year may not be claimed against that
19 district's block grant apportionment for
20 the next state fiscal year.

21 The office of children and family services,
22 with the approval of the director of the
23 budget, may reduce a district's block
24 grant allocation by the state share
25 decrease related to federal retroactive
26 reimbursement for such foster care
27 services identified herein. The office,
28 with the approval of the director of the
29 budget, may reduce a district's block
30 grant allocation by the state share of
31 disallowances or sanctions taken against
32 the district pursuant to the social
33 services law or federal law.

34 Notwithstanding any other provision of law,

1 between January 1, 1999 and May 31, 1999
2 results solely from the late enactment of
3 the state legislation implementing the
4 federal adoption and safe families act,
5 the state shall be solely responsible for
6 the full amount of the disallowance or

8 provision shall be deemed to apply both
9 prospectively and retroactively regardless
10 of whether such sanctions or disallowances
11 are for services provided or claims made
12 prior to or after April 1, 2024.

13 Notwithstanding any other provision of law,
14 any federal disallowance resulting from a
15 federal title IV-E eligibility review or
16 audit that uses extrapolated statistic
17 techniques shall be passed along by the
18 state to any and all social services
19 districts that the office of children and
20 family services has determined have not
21 complied with the title IV-E eligibility
22 requirements or have not taken the neces-
23 sary actions to ensure compliance with
24 such requirements including, but not
25 limited to, failing to: assess and fully
26 document all the criteria and have readily
27 available all the necessary documents to
28 establish and continue title IV-E eligi-
29 bility for all title IV-E eligible chil-
30 dren within the required time frames;
31 claim title IV-E funding only for cases
32 that meet all of the title IV-E eligibil-
33 ity criteria; and fully implement the
34 social services payment system on or
35 before April 1, 2005 for all direct and
36 voluntary agency foster care services.

37 Notwithstanding any law to the contrary, the
38 office of children and family services
39 shall impose on social services districts
40 any federal disallowance issued against
41 the state as a result of a federal title
42 IV-E secondary eligibility review regard-
43 less of the date the children may have
44 entered foster care, the date the eligi-
45 bility or payment errors occurred, or the
46 filing date of any federal claims for
47 reimbursement; provided, however, that the
48 state shall be responsible for the disal-
49 lowed costs and expenditures related to
50 the placement of children in a facility
51 operated by the office of children and

1 family services, which shall be determined
2 in the same manner as the disallowed costs
3 and expenditures for social services
4 districts other than the city of New York.
5 In order to reimburse the federal govern-
6 ment for the full amount of any disallow-
7 ance imposed on the state by the federal
8 administration for children and families
9 within the timeframes necessary to avoid
10 any potential interest payments on such
11 amount, the office of children and family
12 services is authorized to immediately
13 offset funds otherwise due to each
14 district for a pro rata share of the total
15 disallowed costs based on the percentage
16 of applicable federal title IV-E claims
17 made by that district for the relevant
18 time period as compared to the total
19 applicable statewide title IV-E claims.
20 The amount of the offset against each
21 district will be adjusted, if necessary,
22 upon completion of the disallowance allo-
23 cation process. The final allocation of
24 the amount of any federal disallowance
25 resulting from a title IV-E secondary
26 eligibility review shall be allocated
27 among the districts so that each district
28 shall be responsible for the amount
29 attributable to each of the district's
30 children or cases that are determined by
31 the federal review to be unallowable. Each
32 district shall also be responsible for a
33 portion of the federal extrapolated disal-
34 lowance amount based on the relative error
35 rate for the district. The city of New
36 York's error rate will be based on the
37 federal sample and federal statistics. For
38 all social services districts other than
39 the city of New York, the error rate will
40 be based on a review conducted by the
41 district of a sample of children and/or
42 cases determined by the office of children
43 and family services and a re-review of a
44 sub-sample by the office of those children
45 and/or cases determined by the office. The
46 office of children and family services
47 will determine what is reasonable in
48 establishing the size of the sample and
49 sub-sample for each district. The office
50 of children and family services shall
51 notify each social services district of

DEPARTMENT OF FAMILY ASSISTANCE

1 the sample of children and/or cases from
2 the federal audit period that the social
3 services district must review. Any child
4 or case from the social services district
5 that was included in the federal sample
6 will automatically be included in the
7 social services district's review sample
8 and the determination made at the federal
9 review regarding that child or case will
10 govern for the purposes of the social
11 services district's review. The social
12 services district must complete and submit
13 the results of its review to the office of
14 children and family services within 60
15 days of receipt of the sample. The error
16 rate for the district will be based on the
17 findings of the district's review and the
18 office of children and family services'
19 re-review. If a social services district
20 does not complete its review within 60
21 days of receiving the sample from the
22 office of children and family services,
23 the office of children and family services
24 shall assign an error rate to the social
25 services district based on the relative
26 percentage of the district's applicable
27 title IV-E claims for the relevant period
28 as compared to applicable statewide title
29 IV-E claims for that period and other
30 circumstances that the office of children
31 and family services may consider in order
32 to allocate 100 percent of the federal
33 disallowance. The office of children and
34 family services shall apply each social
35 services district's error rate to the
36 total amount of the district's applicable
37 title IV-E claims including associated
38 administrative expenses. The resulting
39 dollar amounts for all of the social
40 services districts will be summed to
41 derive the total amount of title IV-E
42 claims deemed to be in error statewide. To
43 establish a disallowance percentage for
44 each social services district, the amount
45 of the district's title IV-E claims deemed
46 to be in error will be divided by the
47 amount of statewide title IV-E claims
48 deemed to be in error. The resulting
49 disallowance percentage for each district
50 will be applied to the entire title IV-E
51 extrapolated disallowance calculated by

1 the federal review to determine the amount
2 of the extrapolated disallowance for which
3 the district is responsible. Each district
4 will be credited for the amount already
5 disallowed for any individual children or
6 cases found to be in error during the
7 federal review. The exclusive appeal
8 rights for the review of the amount of the
9 federal disallowance assigned to each
10 social services district shall be pursuant
11 to article 78 of the civil practice law
12 and rules; provided, however, that in any
13 such action all of the social services
14 districts shall be joined as necessary
15 parties and the venue of any such action
16 shall be in Rensselaer county. Any social
17 services district that fails to complete
18 its sample review in the required time
19 frames shall have no right to appeal and
20 shall not be a necessary party to any
21 action brought by another social services
22 district.

21 By chapter 53, section 1, of the laws of 2023:

22 Notwithstanding any inconsistent provision of law, the amount appro-
23 priated herein, shall be available under a foster care block grant
24 for state reimbursement of eligible social services district expend-
25 itures for the provision and administration of foster care services
26 including care, maintenance, supervision, and tuition; for super-
27 vision of foster children placed in federally funded job corps
28 programs; for care, maintenance, supervision, and tuition for adju-
29 dicated juvenile delinquents placed in residential programs operated
30 by authorized agencies and in out-of-state residential programs; for
31 the provision and administration of the kinship guardian assistance
32 program including kinship guardianship assistance payments and
33 payments for non-recurring guardianship expenses and eligible
34 expenditures associated with local compliance with the federal Fami-
35 ly First Prevention Services Act (P.L. 115-123); except that,
36 reimbursement from the amount appropriated herein shall not be
37 available for tuition expenditures for foster children, including
38 persons in need of supervision and adjudicated juvenile delinquents,
39 made by a social services district located within a city having a

1 foster parents and for salary and fringe benefit costs and other
2 critical nonpersonal services costs for foster care programs as
3 determined by the office. Social services districts must adjust the
4 amount of payments made for care provided by congregate care and
5 foster boarding home programs and to foster parents to reflect the
6 cost of living adjustments in the manner specified by the office.
7 Each authorized agency operating a congregate care or foster board-
8 ing home program in New York state for which the office sets a maxi-
9 mum state aid rate pursuant to section 398-a of the social services
10 law or section 4003 or 4405 of the education law shall submit, at
11 the time and in a manner to be determined by the office, a written
12 certification, attesting that the funds received for the continua-
13 tion of the cost of living adjustment to the maximum state aid rate
14 that became effective April 1, 2008 for that program will be or were
15 used solely in accordance with the requirements of the cost of
16 living adjustment established by the office.

17 Notwithstanding any inconsistent provision of law except a chapter of
18 the laws of 2023 authorizing a 4.0 percent cost of living adjustment
19 increase for the period commencing on April 1, 2023 and ending March
20 31, 2024, the commissioner shall not apply any other cost of living
21 adjustment for the purpose of establishing rates of payments,
22 contracts or any other form of reimbursement, provided that this
23 shall not prevent the commissioner from applying additional trend or
24 staff retention factors for this program.

25 Within the amounts appropriated herein, state reimbursement to each
26 social services district for services identified herein that are
27 otherwise reimbursable by the state from April 1, 2023 through March
28 31, 2024 shall be limited to a district allocation, hereinafter
29 referred to as the district's block grant allocation. Notwithstand-
30 ing any other provision of law, such block grant allocation shall be
31 based, in part, on each district's claims for such costs, adjusted
32 by the applicable cost allocation methodology and net of any retro-
33 active payments for the 12 month period ending June 30, 2022 that
34 are submitted on or before January 2, 2023 and, in part, on such
35 other factors as determined by the office of children and family
36 services and approved by the director of the budget. Any portion of
37 a social services district's allocation from funds appropriated
38 herein not claimed by such district during the state fiscal year may
39 be used by such district for expenditures on preventive services
40 provided pursuant to section 409-a of the social services law, inde-
41 pendent living services and aftercare services provided pursuant to
42 regulations of the department of family assistance, claimed by such
43 district during the next state fiscal year up to the amount remain-
44 ing from the district's foster care block grant allocation, provided
45 however, that any claims for such services during the next state
46 fiscal year in excess of such amount shall be subject to 62 percent
47 state reimbursement exclusive of any federal funds made available
48 for such purposes, in accordance with directives of the department
49 of family assistance and subject to the approval of the director of
50 the budget. Any claims submitted by a social services district for
51 reimbursement for a particular state fiscal year for which the

1 social services district does not receive state or federal
2 reimbursement during that state fiscal year may not be claimed
3 against that district's block grant apportionment for the next state
4 fiscal year.

5 The office of children and family services, with the approval of the
6 director of the budget, may reduce a district's block grant allo-
7 cation by the state share decrease related to federal retroactive
8 reimbursement for such foster care services identified herein. The
9 office, with the approval of the director of the budget, may reduce
10 a district's block grant allocation by the state share of disallow-
11 ances or sanctions taken against the district pursuant to the social
12 services law or federal law.

13 Notwithstanding any other provision of law, the state shall not be
14 responsible for reimbursing a social services district and a
15 district shall not seek state reimbursement for any portion of any
16 state disallowance or sanction taken against the social services
17 district, or any federal disallowance attributable to final federal
18 agency decisions or to settlement made, on or after July 1, 1995,
19 when such disallowance or sanction results from the failure of the
20 social services district to comply with federal or state require-
21 ments, including, but not limited to, failure to document eligibil-
22 ity for federal or state funds in the case record; provided, howev-
23 er, if the office determines that any federal disallowance for
24 services provided between January 1, 1999 and May 31, 1999 results
25 solely from the late enactment of the state legislation implementing
26 the federal adoption and safe families act, the state shall be sole-
27 ly responsible for the full amount of the disallowance or sanction;
28 provided, further, however, this provision shall be deemed to apply
29 both prospectively and retroactively regardless of whether such
30 sanctions or disallowances are for services provided or claims made
31 prior to or after April 1, 2023.

32 Notwithstanding any other provision of law, any federal disallowance
33 resulting from a federal title IV-E eligibility review or audit that
34 uses extrapolated statistic techniques shall be passed along by the
35 state to any and all social services districts that the office of
36 children and family services has determined have not complied with
37 the title IV-E eligibility requirements or have not taken the neces-
38 sary actions to ensure compliance with such requirements including,
39 but not limited to, failing to: assess and fully document all the
40 criteria and have readily available all the necessary documents to
41 establish and continue title IV-E eligibility for all title IV-E
42 eligible children within the required time frames; claim title IV-E
43 funding only for cases that meet all of the title IV-E eligibility
44 criteria; and fully implement the social services payment system on
45 or before April 1, 2005 for all direct and voluntary agency foster
46 care services.

47 Notwithstanding any law to the contrary, the office of children and
48 family services shall impose on social services districts any feder-
49 al disallowance issued against the state as a result of a federal
50 title IV-E secondary eligibility review regardless of the date the
51 children may have entered foster care, the date the eligibility or

1 payment errors occurred, or the filing date of any federal claims
2 for reimbursement; provided, however, that the state shall be
3 responsible for the disallowed costs and expenditures related to the
4 placement of children in a facility operated by the office of chil-
5 dren and family services, which shall be determined in the same
6 manner as the disallowed costs and expenditures for social services
7 districts other than the city of New York. In order to reimburse the
8 federal government for the full amount of any disallowance imposed
9 on the state by the federal administration for children and families
10 within the timeframes necessary to avoid any potential interest
11 payments on such amount, the office of children and family services
12 is authorized to immediately offset funds otherwise due to each
13 district for a pro rata share of the total disallowed costs based on
14 the percentage of applicable federal title IV-E claims made by that
15 district for the relevant time period as compared to the total
16 applicable statewide title IV-E claims. The amount of the offset
17 against each district will be adjusted, if necessary, upon
18 completion of the disallowance allocation process. The final allo-
19 cation of the amount of any federal disallowance resulting from a
20 title IV-E secondary eligibility review shall be allocated among the
21 districts so that each district shall be responsible for the amount
22 attributable to each of the district's children or cases that are
23 determined by the federal review to be unallowable. Each district
24 shall also be responsible for a portion of the federal extrapolated
25 disallowance amount based on the relative error rate for the
26 district. The city of New York's error rate will be based on the
27 federal sample and federal statistics. For all social services
28 districts other than the city of New York, the error rate will be
29 based on a review conducted by the district of a sample of children
30 and/or cases determined by the office of children and family
31 services and a re-review of a sub-sample by the office of those
32 children and/or cases determined by the office. The office of chil-
33 dren and family services will determine what is reasonable in estab-
34 lishing the size of the sample and sub-sample for each district. The
35 office of children and family services shall notify each social
36 services district of the sample of children and/or cases from the
37 federal audit period that the social services district must review.
38 Any child or case from the social services district that was
39 included in the federal sample will automatically be included in the
40 social services district's review sample and the determination made
41 at the federal review regarding that child or case will govern for
42 the purposes of the social services district's review. The social
43 services district must complete and submit the results of its review
44 to the office of children and family services within 60 days of
45 receipt of the sample. The error rate for the district will be based
46 on the findings of the district's review and the office of children
47 and family services' re-review. If a social services district does
48 not complete its review within 60 days of receiving the sample from
49 the office of children and family services, the office of children
50 and family services shall assign an error rate to the social
51 services district based on the relative percentage of the district's

1 applicable title IV-E claims for the relevant period as compared to
2 applicable statewide title IV-E claims for that period and other
3 circumstances that the office of children and family services may
4 consider in order to allocate 100 percent of the federal disallow-
5 ance. The office of children and family services shall apply each
6 social services district's error rate to the total amount of the
7 district's applicable title IV-E claims including associated admin-
8 istrative expenses. The resulting dollar amounts for all of the
9 social services districts will be summed to derive the total amount
10 of title IV-E claims deemed to be in error statewide. To establish a
11 disallowance percentage for each social services district, the
12 amount of the district's title IV-E claims deemed to be in error
13 will be divided by the amount of statewide title IV-E claims deemed
14 to be in error. The resulting disallowance percentage for each
15 district will be applied to the entire title IV-E extrapolated
16 disallowance calculated by the federal review to determine the
17 amount of the extrapolated disallowance for which the district is
18 responsible. Each district will be credited for the amount already
19 disallowed for any individual children or cases found to be in error
20 during the federal review. The exclusive appeal rights for the
21 review of the amount of the federal disallowance assigned to each
22 social services district shall be pursuant to article 78 of the
23 civil practice law and rules; provided, however, that in any such
24 action all of the social services districts shall be joined as
25 necessary parties and the venue of any such action shall be in Rens-
26 selaer county. Any social services district that fails to complete
27 its sample review in the required time frames shall have no right to
28 appeal and shall not be a necessary party to any action brought by
29 another social services district.

6 Notwithstanding section 153 of the social services law or any other
7 inconsistent provision of law, funds appropriated herein shall reim-
8 burse 29 percent of safety net assistance expenditures, including
9 the cost of providing shelter supplements for safety net assistance
10 households at local option, including eligible households containing
11 a household member who has been released from prison, in order to
12 prevent eviction and address homelessness in accordance with social
13 services district plans approved by the office of temporary and
14 disability assistance and the director of the budget, provided,
15 however, that in social services districts with a population over
16 five million no shelter supplements other than the family homeless-
17 ness and eviction prevention supplement shall be reimbursed,
18 provided however funds appropriated herein shall only be used to
19 reimburse rental costs up to the maximum rent levels in place as of
20 January 1, 2021, then adjusted consistent with the annual year-over-
21 year percentage changes in fair market rent, provided, however, in
22 the event of a decrease in fair market rent the value of the maximum
23 rent levels reimbursed with funds appropriated herein shall not
24 decrease and shall be set at the maximum rent levels established
25 during the prior year, and further provided that such supplements
26 shall not be part of the standard of need pursuant to section 131-a

34 department of health and who are homeless or facing homelessness and
35 for whom no viable and less costly alternative to housing is avail-

28 persons or entities authorized pursuant to subdivision (j) of
29 section 17 of the social services law consistent with federal law
30 and requirements. Such contracts will be consistent with subdivision

29 ry of service and by geographic region, as
30 determined by the commissioner of health,
31 incurred both prior to and subsequent to
32 such assessment for each such period, and
33 if the director of the budget determines
34 that such expenditures are expected to
35 cause medicaid spending for such period to
36 exceed the aggregate limit specified here-
37 in for such period, the state medicaid
38 director, in consultation with the direc-
39 tor of the budget and the commissioner of
40 health, shall develop a medicaid savings

48 guidelines: (1) reductions shall be made
49 in compliance with applicable federal law,
50 including the provisions of the Patient

17 manner that maximizes federal financial
18 participation, to the extent practicable,
19 including any federal financial partic-
20 ipation that is available or is reasonably
21 expected to become available, in the
22 discretion of the commissioner, under the
23 Affordable Care Act; (4) reductions shall
24 be made uniformly among categories of
25 services and geographic regions of the
26 state, to the extent practicable, and
27 shall be made uniformly within a category
28 of service, to the extent practicable,
29 except where the commissioner determines
30 that there are sufficient grounds for
31 non-uniformity, including but not limited
32 to: the extent to which specific catego-
33 ries of services contributed to department
34 of health medicaid state funds spending in
35 excess of the limits specified herein; the
36 need to maintain safety net services in
37 underserved communities; or the potential
38 benefits of pursuing innovative payment
39 models contemplated by the Affordable Care

27 commissioner need not seek the input
28 described in paragraph (a) of this subdivi-
29 sion or provide notice pursuant to para-
30 graph (b) of this subdivision if, in the
31 discretion of the commissioner, expedited
32 development and implementation of a medi-

34 necessary due to a public health emergen-
35 cy.

36 For purposes of this section, a public

43 serious communicable disease, or the
44 potential for such widespread risk of
45 exposure; or (iii) any other event or
46 condition determined by the commissioner
47 to constitute an imminent threat to public
48 health.

49 Nothing in this paragraph shall be deemed to
50 prevent all or part of such medicaid

13 The director of the budget, in consultation

23 For purposes of this section, a public

19 below provided, however, such aggregate
20 limits may be adjusted by the director of

1 in for such period, the state medicaid
2 director, in consultation with the direc-

4 health, shall develop a medicaid savings
5 allocation adjustment to limit such spend-
6 ing to the aggregate limit specified here-

8 Such medicaid savings allocation adjustment
9 shall be designed, to reduce the expendi-
10 tures authorized by the appropriations
11 herein in compliance with the following
12 guidelines: (1) reductions shall be made
13 in compliance with applicable federal law,
14 including the provisions of the Patient
15 Protection and Affordable Care Act, Public
16 Law No. 111-148, and the Health Care and
17 Education Reconciliation Act of 2010,

19 "Affordable Care Act") and any subsequent
20 amendments thereto or regulations promul-
21 gated thereunder; (2) reductions shall be
22 made in a manner that complies with the
23 state medicaid plan approved by the feder-
24 al centers for medicare and medicaid
25 services, provided, however, that the
26 commissioner of health is authorized to
27 submit any state plan amendment or seek
28 other federal approval, including waiver
29 authority, to implement the provisions of
30 the medicaid savings allocation adjustment
31 that meets the other criteria set forth

33 manner that maximizes federal financial
34 participation, to the extent practicable,
35 including any federal financial partic-
36 ipation that is available or is reasonably
37 expected to become available, in the
38 discretion of the commissioner, under the
39 Affordable Care Act; (4) reductions shall
40 be made uniformly among categories of
41 services and geographic regions of the
42 state, to the extent practicable, and
43 shall be made uniformly within a category
44 of service, to the extent practicable,
45 except where the commissioner determines
46 that there are sufficient grounds for
47 non-uniformity, including but not limited
48 to: the extent to which specific catego-
49 ries of services contributed to department
50 of health medicaid state funds spending in
51 excess of the limits specified herein; the
52 need to maintain safety net services in

1 underserved communities; or the potential
2 benefits of pursuing innovative payment
3 models contemplated by the Affordable Care
4 Act, in which case such grounds shall be
5 set forth in the medicaid savings allo-
6 cation adjustment; and (5) reductions
7 shall be made in a manner that does not
8 unnecessarily create administrative
9 burdens to medicaid applicants and recipi-

11 The commissioner shall seek the input of the
12 legislature, as well as organizations
13 representing health care providers,
14 consumers, businesses, workers, health
15 insurers, and others with relevant exper-
16 tise, in developing such medicaid savings
17 allocation adjustment, to the extent that
18 all or part of such adjustment, in the
19 discretion of the commissioner, is likely
20 to have a material impact on the overall
21 medicaid program, particular categories of
22 service or particular geographic regions
23 of the state.

24 (a) The commissioner shall post the medicaid
25 savings allocation adjustment on the
26 department of health's website and shall
27 provide written copies of such plan to the
28 chairs of the senate finance and the
29 assembly ways and means committees at
30 least 30 days before the date on which
31 implementation is expected to begin.

32 (b) The commissioner may revise the medicaid
33 savings allocation adjustment subsequent
34 to the provisions of notice and prior to
35 implementation but needs to provide a new
36 notice pursuant to subparagraph (i) of
37 this paragraph only if the commissioner
38 determines, in his or her discretion, that
39 such revisions materially alter the plan.

40 Notwithstanding the provisions of paragraphs
41 (a) and (b) of this subdivision, the
42 commissioner need not seek the input
43 described in paragraph (a) of this subdivi-
44 sion or provide notice pursuant to para-
45 graph (b) of this subdivision if, in the
46 discretion of the commissioner, expedited
47 development and implementation of a medi-
48 caid savings allocation adjustment is
49 necessary due to a public health emergen-
50 cy.

5 creates a widespread risk of exposure to a
6 serious communicable disease, or the
7 potential for such widespread risk of
8 exposure; or (iii) any other event or
9 condition determined by the commissioner
10 to constitute an imminent threat to public
11 health.

12 Nothing in this paragraph shall be deemed to
13 prevent all or part of such medicaid
14 savings allocation adjustment from taking
15 effect retroactively to the extent permit-
16 ted by the federal centers for medicare
17 and medicaid services.

18 In accordance with the medicaid savings

20 the department of health shall reduce
21 department of health state funds medicaid

23 overspending through, actions including,

30 payments or rates of payment; modifying
31 medicaid program benefits; seeking all
32 necessary federal approvals, including,
33 but not limited to waivers, waiver amend-
34 ments; and suspending time frames for
35 notice, approval or certification of rate
36 requirements, notwithstanding any
37 provision of law, rule or regulation to
38 the contrary, including but not limited to

40 health law, section 18 of chapter 2 of the
41 laws of 1988, and 18 NYCRR 505.14(h).

42 The department of health shall prepare a
43 quarterly report that sets forth: (a)
44 known and projected department of health
45 medicaid expenditures as described in
46 subdivision (1) of this section, and
47 factors that could result in medicaid
48 disbursements for the relevant state

 7 (b) the actions taken to implement any
 8 medicaid savings allocation adjustment
 9 implemented pursuant to subdivision (4) of
 10 this section, including information
 11 concerning the impact of such actions on
 12 each category of service and each
 13 geographic region of the state. Each such

1 administration program, the medical assistance program, and the
2 office of health insurance programs. Funding authority from this
3 account used for state administration of the medical assistance
4 program may be transferred to state operations appropriations within
5 the aforementioned programs at amounts agreed upon by the commis-
6 sioner of health, and the New York state division of the budget.

7 Notwithstanding section 40 of the state finance law or any other law
8 to the contrary, all medical assistance appropriations made from
9 this account shall remain in full force and effect in accordance, in
10 the aggregate, with the following schedule: not more than 50 percent
11 for the period April 1, 2023 to March 31, 2024 and the remaining
12 amount for the period April 1, 2024 to [March 31] September 15,
13 2025.

14 Notwithstanding section 40 of the state finance law or any provision
15 of law to the contrary, subject to federal approval, department of
16 health state funds medicaid spending, excluding payments for medical
17 services provided at state facilities operated by the office of

19 and the office of addiction services and supports and further
20 excluding any payments which are not appropriated within the depart-

26 shall department of health state funds medicaid spending for the
27 period April 1, 2023 through [March 31] September 15, 2025 exceed
28 [\$59,130,651,000] \$59,393,781,000 provided, however, such aggregate
29 limits may be adjusted by the director of the budget to account for
30 any changes in the New York state federal medical assistance
31 percentage amount established pursuant to the federal social securi-
32 ty act, increases in provider revenues, reductions in local social
33 services district payments for medical assistance administration,
34 minimum wage increases, and beginning April 1, 2012 the operational
35 costs of the New York state medical indemnity fund, pursuant to
36 chapter 59 of the laws of 2011, and state costs or savings from the
37 essential plan program. Such projections may be adjusted by the
38 director of the budget to account for increased or expedited depart-
39 ment of health state funds medicaid expenditures as a result of a
40 natural or other type of disaster, including a governmental declara-
41 tion of emergency.

42 The director of the budget, in consultation with the commissioner of
43 health, shall assess on a quarterly basis known and projected medi-
44 caid expenditures by category of service and by geographic region,
45 as determined by the commissioner of health, incurred both prior to
46 and subsequent to such assessment for each such period, and if the
47 director of the budget determines that such expenditures are
48 expected to cause medicaid spending for such period to exceed the
49 aggregate limit specified herein for such period, the state medicaid
50 director, in consultation with the director of the budget and the
51 commissioner of health, shall develop a medicaid savings allocation

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 adjustment to limit such spending to the aggregate limit specified
2 herein for such period.

3 Such medicaid savings allocation adjustment shall be designed, to
4 reduce the expenditures authorized by the appropriations herein in
5 compliance with the following guidelines: (1) reductions shall be
6 made in compliance with applicable federal law, including the
7 provisions of the Patient Protection and Affordable Care Act, Public
8 Law No. 111-148, and the Health Care and Education Reconciliation
9 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
10 Act") and any subsequent amendments thereto or regulations promul-
11 gated thereunder; (2) reductions shall be made in a manner that
12 complies with the state medicaid plan approved by the federal
13 centers for medicare and medicaid services, provided, however, that
14 the commissioner of health is authorized to submit any state plan
15 amendment or seek other federal approval, including waiver authori-
16 ty, to implement the provisions of the medicaid savings allocation
17 adjustment that meets the other criteria set forth herein; (3)
18 reductions shall be made in a manner that maximizes federal finan-
19 cial participation, to the extent practicable, including any federal
20 financial participation that is available or is reasonably expected
21 to become available, in the discretion of the commissioner, under
22 the Affordable Care Act; (4) reductions shall be made uniformly
23 among categories of services and geographic regions of the state, to
24 the extent practicable, and shall be made uniformly within a catego-
25 ry of service, to the extent practicable, except where the commis-
26 sioner determines that there are sufficient grounds for non-uniform-
27 ity, including but not limited to: the extent to which specific
28 categories of services contributed to department of health medicaid
29 state funds spending in excess of the limits specified herein; the
30 need to maintain safety net services in underserved communities; or
31 the potential benefits of pursuing innovative payment models contem-
32 plated by the Affordable Care Act, in which case such grounds shall
33 be set forth in the medicaid savings allocation adjustment; and (5)
34 reductions shall be made in a manner that does not unnecessarily
35 create administrative burdens to medicaid applicants and recipients
36 or providers.

37 The commissioner shall seek the input of the legislature, as well as
38 organizations representing health care providers, consumers, busi-
39 nesses, workers, health insurers, and others with relevant exper-
40 tise, in developing such medicaid savings allocation adjustment, to
41 the extent that all or part of such adjustment, in the discretion of
42 the commissioner, is likely to have a material impact on the overall
43 medicaid program, particular categories of service or particular
44 geographic regions of the state.

45 (a) The commissioner shall post the medicaid savings allocation
46 adjustment on the department of health's website and shall provide
47 written copies of such adjustment to the chairs of the senate
48 finance and the assembly ways and means committees at least 30 days
49 before the date on which implementation is expected to begin.

50 (b) The commissioner may revise the medicaid savings allocation
51 adjustment subsequent to the provisions of notice and prior to
52 implementation but needs to provide a new notice pursuant to subpar-

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 agraph (i) of this paragraph only if the commissioner determines, in
2 his or her discretion, that such revisions materially alter the
3 adjustment.

4 Notwithstanding the provisions of paragraphs (a) and (b) of this
5 subdivision, the commissioner need not seek the input described in
6 paragraph (a) of this subdivision or provide notice pursuant to
7 paragraph (b) of this subdivision if, in the discretion of the
8 commissioner, expedited development and implementation of a medicaid
9 savings allocation adjustment is necessary due to a public health
10 emergency.

11 For purposes of this section, a public health emergency is defined as:

12 (i) a disaster, natural or otherwise, that significantly increases
13 the immediate need for health care personnel in an area of the
14 state; (ii) an event or condition that creates a widespread risk of
15 exposure to a serious communicable disease, or the potential for
16 such widespread risk of exposure; or (iii) any other event or condi-
17 tion determined by the commissioner to constitute an imminent threat
18 to public health.

19 Nothing in this paragraph shall be deemed to prevent all or part of
20 such medicaid savings allocation adjustment from taking effect
21 retroactively to the extent permitted by the federal centers for
22 medicare and medicaid services.

23 In accordance with the medicaid savings allocation adjustment, the
24 commissioner of the department of health shall reduce department of
25 health state funds medicaid spending by the amount of the projected
26 overspending through, actions including, but not limited to modify-
27 ing or suspending reimbursement methods, including but not limited
28 to all fees, premium levels and rates of payment, notwithstanding
29 any provision of law that sets a specific amount or methodology for
30 any such payments or rates of payment; modifying medicaid program
31 benefits; seeking all necessary federal approvals, including, but
32 not limited to waivers, waiver amendments; and suspending time
33 frames for notice, approval or certification of rate requirements,
34 notwithstanding any provision of law, rule or regulation to the
35 contrary, including but not limited to sections 2807 and 3614 of the
36 public health law, section 18 of chapter 2 of the laws of 1988, and
37 18 NYCRR 505.14(h).

38 The department of health shall prepare a quarterly report that sets
39 forth: (a) known and projected department of health medicaid expend-
40 itures as described in subdivision (1) of this section, and factors
41 that could result in medicaid disbursements for the relevant state
42 fiscal year to exceed the projected department of health state funds
43 disbursements in the enacted budget financial plan pursuant to
44 subdivision 3 of section 23 of the state finance law, including
45 spending increases or decreases due to: enrollment fluctuations,
46 rate changes, utilization changes, MRT investments, and shift of
47 beneficiaries to managed care; and variations in offline medicaid
48 payments; and (b) the actions taken to implement any medicaid
49 savings allocation adjustment implemented pursuant to subdivision
50 (4) of this section, including information concerning the impact of
51 such actions on each category of service and each geographic region
52 of the state. Each such quarterly report shall be provided to the

24 Notwithstanding section 40 of the state finance law or any provision

 38 [\$59,130,651,000] \$59,393,781,000. Provided, however, such aggregate
 39 limits may be adjusted by the director of the budget to account for
 40 any changes in the New York state federal medical assistance
 41 percentage amount established pursuant to the federal social securi-
 42 ty act, increases in provider revenues, reductions in local social
 43 services district payments for medical assistance administration,
 44 minimum wage increases, and beginning April 1, 2012 the operational

 46 chapter 59 of the laws of 2011, and state costs or savings from the

1 natural or other type of disaster, including a governmental declara-
2 tion of emergency.

3 The director of the budget, in consultation with the commissioner of
4 health, shall assess on a quarterly basis known and projected medi-
5 caid expenditures by category of service and by geographic region,
6 as defined by the commissioner, incurred both prior to and subse-
7 quent to such assessment for each such period, and if the director
8 of the budget determines that such expenditures are expected to
9 cause medicaid spending for such period to exceed the aggregate
10 limit specified herein for such period, the state medicaid director,
11 in consultation with the director of the budget and the commissioner
12 of health, shall develop a medicaid savings allocation adjustment to
13 limit such spending to the aggregate limit specified herein for such
14 period.

15 Such medicaid savings allocation adjustment shall be designed, to
16 reduce the expenditures authorized by the appropriations herein in
17 compliance with the following guidelines: (1) reductions shall be
18 made in compliance with applicable federal law, including the
19 provisions of the Patient Protection and Affordable Care Act, Public
20 Law No. 111-148, and the Health Care and Education Reconciliation
21 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
22 Act") and any subsequent amendments thereto or regulations promul-
23 gated thereunder; (2) reductions shall be made in a manner that
24 complies with the state medicaid plan approved by the federal
25 centers for medicare and medicaid services, provided, however, that
26 the commissioner of health is authorized to submit any state plan
27 amendment or seek other federal approval, including waiver authori-
28 ty, to implement the provisions of the medicaid savings allocation
29 adjustment that meets the other criteria set forth herein; (3)
30 reductions shall be made in a manner that maximizes federal finan-
31 cial participation, to the extent practicable, including any federal
32 financial participation that is available or is reasonably expected
33 to become available, in the discretion of the commissioner, under
34 the Affordable Care Act; (4) reductions shall be made uniformly
35 among categories of services and geographic regions of the state, to
36 the extent practicable, and shall be made uniformly within a catego-
37 ry of service, to the extent practicable, except where the commis-
38 sioner determines that there are sufficient grounds for non-uniform-
39 ity, including but not limited to: the extent to which specific
40 categories of services contributed to department of health medicaid
41 state funds spending in excess of the limits specified herein; the
42 need to maintain safety net services in underserved communities; or
43 the potential benefits of pursuing innovative payment models contem-
44 plated by the Affordable Care Act, in which case such grounds shall
45 be set forth in the medicaid savings allocation adjustment; and (5)
46 reductions shall be made in a manner that does not unnecessarily
47 create administrative burdens to medicaid applicants and recipients
48 or providers.

49 The commissioner shall seek the input of the legislature, as well as
50 organizations representing health care providers, consumers, busi-
51 nesses, workers, health insurers, and others with relevant exper-
52 tise, in developing such medicaid savings allocation adjustment, to

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 the extent that all or part of such adjustment, in the discretion of
2 the commissioner, is likely to have a material impact on the overall
3 medicaid program, particular categories of service or particular
4 geographic regions of the state.

5 (a) The commissioner shall post the medicaid savings allocation
6 adjustment on the department of health's website and shall provide
7 written copies of such adjustment to the chairs of the senate
8 finance and the assembly ways and means committees at least 30 days
9 before the date on which implementation is expected to begin.

10 (b) The commissioner may revise the medicaid savings allocation
11 adjustment subsequent to the provisions of notice and prior to
12 implementation but needs to provide a new notice pursuant to subpar-
13 agraph (i) of this paragraph only if the commissioner determines, in
14 his or her discretion, that such revisions materially alter the
15 adjustment.

16 Notwithstanding the provisions of paragraphs (a) and (b) of this
17 subdivision, the commissioner need not seek the input described in
18 paragraph (a) of this subdivision or provide notice pursuant to
19 paragraph (b) of this subdivision if, in the discretion of the
20 commissioner, expedited development and implementation of a medicaid
21 savings allocation adjustment is necessary due to a public health
22 emergency.

23 For purposes of this section, a public health emergency is defined as:

24 (i) a disaster, natural or otherwise, that significantly increases
25 the immediate need for health care personnel in an area of the
26 state; (ii) an event or condition that creates a widespread risk of
27 exposure to a serious communicable disease, or the potential for
28 such widespread risk of exposure; or (iii) any other event or condi-
29 tion determined by the commissioner to constitute an imminent threat
30 to public health.

31 Nothing in this paragraph shall be deemed to prevent all or part of
32 such medicaid savings allocation adjustment from taking effect
33 retroactively to the extent permitted by the federal centers for
34 medicare and medicaid services.

35 In accordance with the medicaid savings allocation adjustment, the
36 commissioner of the department of health shall reduce department of
37 health state funds medicaid spending by the amount of the projected
38 overspending through, actions including, but not limited to modify-
39 ing or suspending reimbursement methods, including but not limited
40 to all fees, premium levels and rates of payment, notwithstanding
41 any provision of law that sets a specific amount or methodology for
42 any such payments or rates of payment; modifying or discontinuing
43 medicaid program benefits; seeking all necessary federal approvals,
44 including, but not limited to waivers, waiver amendments; and
45 suspending time frames for notice, approval or certification of rate
46 requirements, notwithstanding any provision of law, rule or regu-
47 lation to the contrary, including but not limited to sections 2807
48 and 3614 of the public health law, section 18 of chapter 2 of the
49 laws of 1988, and 18 NYCRR 505.14(h).

50 The department of health shall prepare a quarterly report that sets
51 forth: (a) known and projected department of health medicaid expend-
52 itures as described in subdivision (1) of this section, and factors

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 that could result in medicaid disbursements for the relevant state
2 fiscal year to exceed the projected department of health state funds
3 disbursements in the enacted budget financial plan pursuant to
4 subdivision 3 of section 23 of the state finance law, including
5 spending increases or decreases due to: enrollment fluctuations,
6 rate changes, utilization changes, MRT investments, and shift of
7 beneficiaries to managed care; and variations in offline medicaid
8 payments; and (b) the actions taken to implement any medicaid
9 savings allocation adjustment implemented pursuant to subdivision
10 (4) of this section, including information concerning the impact of
11 such actions on each category of service and each geographic region
12 of the state. Each such quarterly report shall be provided to the
13 chairs of the senate finance and the assembly ways and means commit-

 35 Notwithstanding section 40 of the state finance law or any other law
 36 to the contrary, all medical assistance appropriations made from

 38 the aggregate, with the following schedule: not more than 50 percent

1 provided below and state share medicaid spending, in the aggregate,
2 for the period April 1, 2024 through [March 31] September 15, 2025,
3 shall not exceed [\$31,020,880,000] \$31,284,010,000, but in no event
4 shall department of health state funds medicaid spending for the
5 period April 1, 2023 through [March 31] September 15, 2025 exceed
6 [\$59,130,651,000] \$59,393,781,000 provided, however, such aggregate
7 limits may be adjusted by the director of the budget to account for
8 any changes in the New York state federal medical assistance
9 percentage amount established pursuant to the federal social securi-
10 ty act, increases in provider revenues, reductions in local social
11 services district payments for medical assistance administration,
12 minimum wage increases and beginning April 1, 2012 the operational
13 costs of the New York state medical indemnity fund, pursuant to
14 chapter 59 of the laws of 2011, and state costs or savings from the
15 essential plan program. Such projections may be adjusted by the
16 director of the budget to account for increased or expedited depart-
17 ment of health state funds medicaid expenditures as a result of a
18 natural or other type of disaster, including a governmental declara-
19 tion of emergency.

20 The director of the budget, in consultation with the commissioner of
21 health, shall assess on a quarterly basis known and projected medi-
22 caid expenditures by category of service and by geographic region,
23 as determined by the commissioner of health, incurred both prior to
24 and subsequent to such assessment for each such period, and if the
25 director of the budget determines that such expenditures are
26 expected to cause medicaid spending for such period to exceed the
27 aggregate limit specified herein for such period, the state medicaid
28 director, in consultation with the director of the budget and the
29 commissioner of health, shall develop a medicaid savings allocation
30 adjustment to limit such spending to the aggregate limit specified
31 herein for such period.

32 Such medicaid savings allocation adjustment shall be designed, to
33 reduce the expenditures authorized by the appropriations herein in
34 compliance with the following guidelines: (1) reductions shall be
35 made in compliance with applicable federal law, including the
36 provisions of the Patient Protection and Affordable Care Act, Public
37 Law No. 111-148, and the Health Care and Education Reconciliation
38 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
39 Act") and any subsequent amendments thereto or regulations promul-
40 gated thereunder; (2) reductions shall be made in a manner that
41 complies with the state medicaid plan approved by the federal
42 centers for medicare and medicaid services, provided, however, that
43 the commissioner of health is authorized to submit any state plan
44 amendment or seek other federal approval, including waiver authori-
45 ty, to implement the provisions of the medicaid savings allocation
46 adjustment that meets the other criteria set forth herein; (3)
47 reductions shall be made in a manner that maximizes federal finan-
48 cial participation, to the extent practicable, including any federal
49 financial participation that is available or is reasonably expected
50 to become available, in the discretion of the commissioner, under
51 the Affordable Care Act; (4) reductions shall be made uniformly
52 among categories of services and geographic regions of the state, to

1 the extent practicable, and shall be made uniformly within a category
2 of service, to the extent practicable, except where the commissioner
3 determines that there are sufficient grounds for non-uniformity,
4 including but not limited to: the extent to which specific
5 categories of services contributed to department of health medicaid
6 state funds spending in excess of the limits specified herein; the
7 need to maintain safety net services in underserved communities; or
8 the potential benefits of pursuing innovative payment models contemplated
9 by the Affordable Care Act, in which case such grounds shall
10 be set forth in the medicaid savings allocation adjustment; and (5)
11 reductions shall be made in a manner that does not unnecessarily
12 create administrative burdens to medicaid applicants and recipients
13 or providers. The commissioner shall seek the input of the legislature,
14 as well as organizations representing health care providers, consumers,
15 businesses, workers, health insurers, and others with relevant expertise,
16 in developing such medicaid savings allocation adjustment, to the extent
17 that all or part of such adjustment, in the discretion of the commissioner,
18 is likely to have a material impact on the overall medicaid program,
19 particular categories of service or particular geographic regions of the state.

21 (a) The commissioner shall post the medicaid savings allocation
22 adjustment on the department of health's website and shall provide
23 written copies of such plan to the chairs of the senate finance and
24 the assembly ways and means committees at least 30 days before the
25 date on which implementation is expected to begin.

26 (b) The commissioner may revise the medicaid savings allocation
27 adjustment subsequent to the provisions of notice and prior to
28 implementation but needs to provide a new notice pursuant to subparagraph
29 (i) of this paragraph only if the commissioner determines, in his or her
30 discretion, that such revisions materially alter the plan.
31

32 Notwithstanding the provisions of paragraphs (a) and (b) of this
33 subdivision, the commissioner need not seek the input described in
34 paragraph (a) of this subdivision or provide notice pursuant to
35 paragraph (b) of this subdivision if, in the discretion of the
36 commissioner, expedited development and implementation of a medicaid
37 savings allocation adjustment is necessary due to a public health
38 emergency.

39 For purposes of this section, a public health emergency is defined as:

40 (i) a disaster, natural or otherwise, that significantly increases
41 the immediate need for health care personnel in an area of the
42 state; (ii) an event or condition that creates a widespread risk of
43 exposure to a serious communicable disease, or the potential for
44 such widespread risk of exposure; or (iii) any other event or condition
45 determined by the commissioner to constitute an imminent threat
46 to public health.

47 Nothing in this paragraph shall be deemed to prevent all or part of
48 such medicaid savings allocation adjustment from taking effect
49 retroactively to the extent permitted by the federal centers for
50 medicare and medicaid services.

51 In accordance with the medicaid savings allocation adjustment, the
52 commissioner of the department of health shall reduce department of

20 subdivision 3 of section 23 of the state finance law, including
21 spending increases or decreases due to: enrollment fluctuations,

44 28 of the public health law and deposited to this account less any
45 such amounts withheld pursuant to subdivision 21 of section 2807-c
46 of the public health law. Notwithstanding any inconsistent
47 provision of law, the moneys hereby appropriated may be increased or
48 decreased by interchange or transfer with any appropriation of the
49 department of health with the approval of the director of the budg-

2 Medical Assistance Account - 22187

3 The appropriation made by chapter 53, section 1, of the laws of 2023, is
4 hereby amended and reappropriated to read:

5 Notwithstanding section 40 of the state finance law or any other law
6 to the contrary, all medical assistance appropriations made from
7 this account shall remain in full force and effect in accordance, in
8 the aggregate, with the following schedule: not more than 53 percent
9 for the period April 1, [2022] 2023 to March 31, [2023] 2024; and
10 the remaining amount for the period April 1, [2023] 2024 to March
11 31, [2024] 2025.

12 Notwithstanding section 40 of the state finance law or any provision
13 of law to the contrary, subject to federal approval, department of
14 health state funds medicaid spending, excluding payments for medical
15 services provided at state facilities operated by the office of
16 mental health, the office for people with developmental disabilities
17 and the office of addiction services and supports and further
18 excluding any payments which are not appropriated within the depart-
19 ment of health, in the aggregate, for the period April 1, 2023
20 through March 31, 2024, shall not exceed \$28,109,771,000 except as
21 provided below and state share medicaid spending, in the aggregate,
22 for the period April 1, 2024 through [March 31] September 15, 2025,
23 shall not exceed [\$31,020,880,000] \$31,284,010,000, but in no event
24 shall department of health state funds medicaid spending for the
25 period April 1, 2023 through [March 31] September 15, 2025 exceed
26 [\$59,130,651,000] \$59,393,781,000 provided, however, such aggregate
27 limits may be adjusted by the director of the budget to account for
28 any changes in the New York state federal medical assistance
29 percentage amount established pursuant to the federal social securi-
30 ty act, increases in provider revenues, reductions in local social
31 services district payments for medical assistance administration,
32 minimum wage increases and beginning April 1, 2012 the operational
33 costs of the New York state medical indemnity fund, pursuant to
34 chapter 59 of the laws of 2011, and state costs or savings from the
35 essential plan. Such projections may be adjusted by the director of
36 the budget to account for increased or expedited department of
37 health state funds medicaid expenditures as a result of a natural or
38 other type of disaster, including a governmental declaration of
39 emergency.

40 The director of the budget, in consultation with the commissioner of
41 health, shall assess on a quarterly basis known and projected medi-
42 caid expenditures by category of service and by geographic region,
43 as determined by the commissioner of health, incurred both prior to
44 and subsequent to such assessment for each such period, and if the
45 director of the budget determines that such expenditures are
46 expected to cause medicaid spending for such period to exceed the
47 aggregate limit specified herein for such period, the state medicaid
48 director, in consultation with the director of the budget and the
49 commissioner of health, shall develop a medicaid savings allocation
50 adjustment to limit such spending to the aggregate limit specified
51 herein for such period.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 Such medicaid savings allocation adjustment shall be designed, to
2 reduce the expenditures authorized by the appropriations herein in
3 compliance with the following guidelines: (1) reductions shall be
4 made in compliance with applicable federal law, including the
5 provisions of the Patient Protection and Affordable Care Act, Public
6 Law No. 111-148, and the Health Care and Education Reconciliation
7 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
8 Act") and any subsequent amendments thereto or regulations promul-
9 gated thereunder; (2) reductions shall be made in a manner that
10 complies with the state medicaid plan approved by the federal
11 centers for medicare and medicaid services, provided, however, that
12 the commissioner of health is authorized to submit any state plan
13 amendment or seek other federal approval, including waiver authori-
14 ty, to implement the provisions of the medicaid savings allocation
15 adjustment that meets the other criteria set forth herein; (3)
16 reductions shall be made in a manner that maximizes federal finan-
17 cial participation, to the extent practicable, including any federal
18 financial participation that is available or is reasonably expected
19 to become available, in the discretion of the commissioner, under
20 the Affordable Care Act; (4) reductions shall be made uniformly
21 among categories of services and geographic regions of the state, to
22 the extent practicable, and shall be made uniformly within a catego-
23 ry of service, to the extent practicable, except where the commis-
24 sioner determines that there are sufficient grounds for non-uniform-
25 ity, including but not limited to: the extent to which specific
26 categories of services contributed to department of health medicaid
27 state funds spending in excess of the limits specified herein; the
28 need to maintain safety net services in underserved communities; or
29 the potential benefits of pursuing innovative payment models contem-
30 plated by the Affordable Care Act, in which case such grounds shall
31 be set forth in the medicaid savings allocation adjustment; and (5)
32 reductions shall be made in a manner that does not unnecessarily
33 create administrative burdens to medicaid applicants and recipients
34 or providers.

35 The commissioner shall seek the input of the legislature, as well as
36 organizations representing health care providers, consumers, busi-
37 nesses, workers, health insurers, and others with relevant exper-
38 tise, in developing such medicaid savings allocation adjustment, to
39 the extent that all or part of such adjustment, in the discretion of
40 the commissioner, is likely to have a material impact on the overall
41 medicaid program, particular categories of service or particular
42 geographic regions of the state.

43 (a) The commissioner shall post the medicaid savings allocation
44 adjustment on the department of health's website and shall provide
45 written copies of such plan to the chairs of the senate finance and
46 the assembly ways and means committees at least 30 days before the
47 date on which implementation is expected to begin.

48 (b) The commissioner may revise the medicaid savings allocation
49 adjustment subsequent to the provisions of notice and prior to
50 implementation but needs to provide a new notice pursuant to subpar-
51 agraph (i) of this paragraph only if the commissioner determines, in

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 his or her discretion, that such revisions materially alter the
2 plan.

3 Notwithstanding the provisions of paragraphs (a) and (b) of this
4 subdivision, the commissioner need not seek the input described in
5 paragraph (a) of this subdivision or provide notice pursuant to
6 paragraph (b) of this subdivision if, in the discretion of the
7 commissioner, expedited development and implementation of a medicaid
8 savings allocation adjustment is necessary due to a public health
9 emergency.

10 For purposes of this section, a public health emergency is defined as:

11 (i) a disaster, natural or otherwise, that significantly increases
12 the immediate need for health care personnel in an area of the
13 state; (ii) an event or condition that creates a widespread risk of
14 exposure to a serious communicable disease, or the potential for
15 such widespread risk of exposure; or (iii) any other event or condi-
16 tion determined by the commissioner to constitute an imminent threat
17 to public health.

18 Nothing in this paragraph shall be deemed to prevent all or part of
19 such medicaid savings allocation adjustment from taking effect
20 retroactively to the extent permitted by the federal centers for
21 medicare and medicaid services.

22 In accordance with the medicaid savings allocation adjustment, the
23 commissioner of the department of health shall reduce department of
24 health state funds medicaid spending by the amount of the projected
25 overspending through, actions including, but not limited to modify-
26 ing or suspending reimbursement methods, including but not limited
27 to all fees, premium levels and rates of payment, notwithstanding
28 any provision of law that sets a specific amount or methodology for
29 any such payments or rates of payment; modifying medicaid program
30 benefits; seeking all necessary federal approvals, including, but
31 not limited to waivers, waiver amendments; and suspending time
32 frames for notice, approval or certification of rate requirements,
33 notwithstanding any provision of law, rule or regulation to the
34 contrary, including but not limited to sections 2807 and 3614 of the
35 public health law, section 18 of chapter 2 of the laws of 1988, and
36 18 NYCRR 505.14 (h).

37 The department of health shall prepare a quarterly report that sets
38 forth: (a) known and projected department of health medicaid expend-
39 itures as described in subdivision (1) of this section, and factors
40 that could result in medicaid disbursements for the relevant state
41 fiscal year to exceed the projected department of health state funds
42 disbursements in the enacted budget financial plan pursuant to
43 subdivision 3 of section 23 of the state finance law, including
44 spending increases or decreases due to: enrollment fluctuations,
45 rate changes, utilization changes, MRT investments, and shift of
46 beneficiaries to managed care; and variations in offline medicaid
47 payments; and (b) the actions taken to implement any medicaid
48 savings allocation adjustment implemented pursuant to subdivision
49 (4) of this section, including information concerning the impact of
50 such actions on each category of service and each geographic region
51 of the state. Each such quarterly report shall be provided to the
52 chairs of the senate finance and the assembly ways and means commit-
