By chapter 54, section 1, of the laws of 2024:

The amounts appropriated herein, shall be made available to local boards of elections, including the New York city board of elections for the reimbursement of eligible costs related to the purchase of electronic poll books. The state board of elections shall develop a plan for the distribution of such funds to local boards of elections for reimbursement of eligible costs, including, but not limited to, electronic poll books, associated soft- ware, and on-demand ballot printers, provided that such reimbursement shall be apportioned based on the number of registered voters in a county. The plan shall include a listing of allowable costs and details of the reimbursement claims process and timeframes, provided that local boards of election claims shall include such information as necessary to support state financing mechanisms. A copy of such plan shall be sent to the director of budget, the senate finance committee, and the assembly ways and means committee (EL012408) (23523) ... 14,700,000 (re. \$14,689,000)

By chapter 54, section 1, of the laws of 2023:

The amounts appropriated herein, shall be made available to local boards of elections for technology upgrades and equipment. Such funds shall be made available to local boards of elections for reimbursement of eligible costs, including, but not limited to, the replacement of voting systems and equipment, absentee ballot scanners, mail processing equipment, and infrastructure to protect the connectivity and security of county elections software, pursuant to a plan developed by the state board of elections. A copy of such plan shall be sent to the director of the division of budget, the senate finance committee, and the assembly ways and means committee (EL012308) (23527) ... 15,000,000 (re. \$6,733,000)

By chapter 54, section 1, of the laws of 2021:

The amounts appropriated herein, shall be made available to the state and local boards of elections, including the New York city board of elections for software and technology upgrades and equipment. The state board of elections shall develop a plan for the distribution of such funds which may include up to \$5,000,000 needed for state board of elections capital costs and implementation costs. The remaining funds, of at least \$20,000,000 shall be made available to local boards of elections for reimbursement of eligible costs, including, but not limited to, the replacement of voting systems and equipment, absentee ballot scanners, mail processing equipment, and infrastructure to protect the connectivity and security of county elections software, including assistance for areas unserved and underserved by broadband service, provided that such reimbursement shall be apportioned based on the number of registered voters in a county (EL012108) (23527) ... 25,000,000 (re. \$5,528,000)

DEPARTMENT OF HEALTH

CAPITAL PROJECTS - REAPPROPRIATIONS 2025-26

1 In determining awards for eligible applicants under this appropri-
2 ation, the commissioner of health shall consider criteria including,
3 but not limited to:

- 4 (a) The extent to which the proposed project will contribute to the
5 integration of health care services or the long term sustainability
6 of the applicant or preservation of essential health services in the
7 community or communities served by the applicant;
8 (b) The extent to which the proposed project or purpose is aligned
9 with delivery system reform incentive payment ("DSRIP") program
10 goals and objectives;
11 (c) The geographic distribution of funds;
12 (d) The relationship between the proposed project and identified
13 community need;
14 (e) The extent to which the applicant has access to alternative
15 financing;
16 (f) The extent to which the proposed project furthers the development
17 of primary care and other outpatient services;
18 (g) The extent to which the proposed project benefits medicaid enrol-
19 lees and uninsured individuals;
20 (h) The extent to which the applicant has engaged the community
21 affected by the proposed project and the manner in which community
22 engagement has shaped such project; and
23 (i) The extent to which the proposed project addresses potential risk
24 to patient safety and welfare.

25 Notwithstanding any inconsistent provision of law to the contrary, and
26 upon approval of the director of the budget, the commissioner may
27 award up to \$300,000,000 of the funds made available pursuant to
28 this appropriation for unfunded project applications submitted in
29 response to the request for applications number 17648 issued by the
30 department on January 8, 2018 pursuant to section 2825-e of the
31 public health law.

32 Authorized amounts to be awarded pursuant to applications submitted in
33 response to the request for application number 17648 shall be
34 awarded no later than September 1, 2019.

35 The department shall provide a report on a quarterly basis to the
36 chairs of the senate finance, assembly ways and means, and senate
37 health and assembly health committees, until such time as the
38 department determines that the projects that receive funding pursu-
39 ant to this appropriation are substantially complete. Such reports
40 shall be submitted no later than sixty days after the close of the
41 quarter, and shall include, for each award, the name of the appli-
42 cant, a description of the project or purpose, the amount of the
43 award, disbursement date, and status of achievement of process and
44 performance metrics and milestones pursuant to subdivision 6 of
45 section 2825-f of the public health law.

46 Within amounts appropriated herein, a minimum of \$45,000,000 shall be
47 made available for grant awards to residential health care facili-
48 ties, up to \$20,000,000 may be made available for grant awards made
49 pursuant to paragraphs (l) and (m) of subdivision 3 of section 461-1
50 of the social services law, pursuant to criteria to be determined by
51 the commissioner and a minimum of \$60,000,000 shall be made avail-
52 able for grant awards to community-based health care providers which
53 shall be defined as a diagnostic and treatment center licensed or
54 granted an operating certificate under article 28 of the public
55 health law, a mental health clinic licensed or granted an operating
56 certificate under article 31 of the mental hygiene law, a substance
57 use disorder treatment clinic licensed or granted an operating
58 certificate under article 32 of the mental hygiene law, a primary
59 care provider, a home care provider certified or licensed pursuant
60 to article 36 of the public health law, a facility granted an oper-
61 ating certificate under article 16 of the mental hygiene law or
62 hospices licensed or granted an operating certificate pursuant to

6 2017-18 state fiscal year housing program (ccp), up to a total of
7 \$150,000,000 shall be made available for the purpose of providing
8 capital subsidies for the new construction, adaptive reuse, or
9 reconstruction of rental housing affordable to households that earn
10 between 60 percent and 130 percent of AMI and that advance one or
11 more of the specific housing priorities of the state.
- 12 6. When combined with other funds made available in the 2016-17 and
13 2017-18 state fiscal year housing program (ccp), up to a total of
14 \$146,000,000 shall be made available for the purpose of substantial
15 or moderate rehabilitation of site-specific multi-family rental
16 housing currently under a regulatory agreement or extended use
17 agreement with the division of housing and community renewal or
18 another state, federal or local housing agency.
- 19 7. When combined with other funds made available in the 2016-17 and
20 2017-18 state fiscal year housing program (ccp), up to a total of
21 \$75,000,000 shall be made available for the purpose of providing
22 capital subsidies to preserve and improve Mitchell-Lama properties
23 in the state.
- 24 8. When combined with other funds made available in the 2016-17 and
25 2017-18 state fiscal year housing program (ccp), up to a total of
26 \$125,000,000 shall be made available for the purpose of substantial
27 or moderate rehabilitation and/or the demolition and replacement
28 through new construction of site-specific multi-family rental hous-
29 ing currently owned by public housing authorities outside of New
30 York city. The distribution of any funds which the division of hous-
31 ing and community renewal or other appropriate state agencies or
32 authorities authorizes to be used as part of a federal housing
33 program, shall require the division of housing and community renewal
34 to monitor and ensure that any affected public housing tenants are
35 properly informed regarding participation in the federal housing
36 program and that appropriate documents related to participation in
37 such federal housing program are made publicly available and are
38 posted on each applicable housing authority's website in a timely
39 manner to properly inform such public housing authority tenants.
40 The residents of public housing that receives and uses such funds to
41 participate in such federal program shall be provided a uniform
42 lease agreement that provides, at a minimum, terms and conditions
43 consistent with those found in the public housing lease they had
44 prior to the public housing having received any such funds. Public
45 housing authorities that receive and use such funds shall be
46 required to: provide resident education, which shall include compre-
47 hensive information about any anticipated changes to the public
48 housing; provide language assistance to residents with limited
49 English proficiency; recognize the right of residents to form a
50 resident organization; require resident participation funding
51 commensurate to the funding that was being allocated to residents
52 already; develop a set of procedures for resident grievances and
53 lease termination proceedings that apply to residents following the
54 use of such funds, which shall be consistent with any existing
55 procedures, can provide stronger resident protections, and conform
56 with any other applicable federal rules and/or regulations. In cases
57 when there is a property manager other than the public housing
58 authority that receives these funds, then such property manager
59 shall be required to take actions including, but not limited to,
60 providing clear and accessible information to residents before,

24 \$10,000,000 shall be made available for the purpose of stimulating
25 reinvestment in properties located within mixed-used commercial
26 districts located in urban, small town, and rural areas of the state
27 pursuant to article XXVI of the private housing finance law.

28 13. When combined with other funds made available in the 2016-17 and
29 2017-18 state fiscal year housing program (ccp), up to a total of
30 \$200,000,000 shall be made available, pursuant to a plan approved by
31 the director of the budget, in consultation with the New York city
32 housing authority chair and the dormitory authority of the state of
33 New York, for the purpose of capital projects and other improvements
34 related to housing developments owned or operated by the New York
35 city housing authority; provided further to the extent practicable,
36 the New York city housing authority in its administration of such
37 funds shall include employment opportunities for NYCHA tenants
38 consistent with section 3 of the housing and urban development act
39 of 1968.

2 For services, expenses, and indirect costs related to watershed
3 modeling for the Mohawk and Oswego River Basins, as recommended in
4 the 2023 Upstate New York Flood Mitigation Task Force Report. The
5 Canal Corporation shall create flow models to estimate normal and
6 flood water flows in the Oswego River Basin and the Mohawk River
7 Basin, which shall mean, respectively, (a) a watershed in the state
8 of New York comprised of all hydrologically meaningful rivers,
9 streams, lakes, and reservoirs and the surrounding land areas or
10 other significant drainage, including but not limited to canals,
11 that drains or flows via the Oswego River into Lake Ontario, and (b)
12 a watershed in the state of New York comprised of all hydrologically
13 meaningful rivers, streams, lakes, reservoirs and the surrounding
14 land areas or other significant drainage, including but not limited
15 to canals, that drains or flows via the Mohawk River into the Hudson
16 River, respectively. As soon as practicable, the Canal Corporation
17 shall make the flow models available to the public through its
18 public website. All or a portion of the funds appropriated hereby
19 may be transferred to state operations. Notwithstanding any
20 inconsistent provision of law, all or a portion of the funds
21 appropriated herein may be suballocated or transferred to any state

2 For state aid to municipal corporations for
3 the preparation of designs, plans, spec-
4 ifications and estimates, for the acquisi-
5 tion, construction, reconstruction, and
6 improvement of mass transportation capital
7 projects including the acquisition of real
8 property, for other mass transportation
9 projects including local transportation
10 planning studies. Notwithstanding any
11 inconsistent provisions of law, the state
12 share of such projects shall be 50 percent
13 of the non-federal share, but in no event
14 shall the state share exceed 10 percent of
15 project costs.

16 Notwithstanding any other provision of law,
17 the commissioner of transportation shall
18 make available directly to the City of New
19 York (City) an amount commensurate with
20 the state share of (i) federal funds
21 previously awarded to the City and reallo-
22 cated to the metropolitan transportation
23 authority (MTA), and (ii) the federally
24 authorized level of financial assistance
25 transferred by resolution of the metropol-
26 itan planning organization (MPO) to the
27 metropolitan transportation authority
28 (MTA) and credited to the City by the MTA
29 for capital expenses.

30 The state share of such reimbursement shall
31 be 50 percent of the non-federal share of
32 the federally authorized level of finan-
33 cial assistance transferred to the MTA,
34 but in no event shall the state share
35 exceed 10 percent of project costs. Prior
36 to requesting reimbursement for projects
37 progressed by the MTA on behalf of the
38 City, the City shall certify to the
39 commissioner of transportation that each
40 eligible project progressed under this
41 provision is federally eligible and that
42 the match amount requested does not exceed
43 the state share of the federally author-
44 ized level of financial assistance. In
45 addition, the City must provide an appli-
46 cation to the commissioner of transporta-
47 tion certifying that the work to be funded
48 under the project has been performed and
49 that the City has reimbursed the MTA for
50 100 percent of the match amount for the
51 project. Upon such application, the
52 commissioner of transportation shall
53 review and approve eligible activities for
54 reimbursement.

55 Prior to requesting approval of a certif-

 5 other mass transportation projects including local transportation
 6 planning studies. Notwithstanding any inconsistent provisions of
 7 law, the state share of such projects shall be 50 percent of the
 8 nonfederal share, but in no event shall the state share exceed 10
 9 percent of project costs.

10 Notwithstanding any other provision of law, the commissioner of trans-
 11 portation shall make available directly to the City of New York
 12 (City) an amount commensurate with the state share of (i) federal
 13 funds previously awarded to the City and reallocated to the metro-
 14 politan transportation authority (MTA), and (ii) the federally
 15 authorized level of financial assistance transferred by resolution
 16 of the metropolitan planning organization (MPO) to the metropolitan
 17 transportation authority (MTA) and credited to the City by the MTA
 18 for capital expenses. The state share of such reimbursement shall be
 19 50 percent of the non-federal share of the federally authorized
 20 level of financial assistance transferred to the MTA, but in no
 21 event shall the state share exceed 10 percent of project costs.
 22 Prior to requesting reimbursement for projects progressed by the MTA
 23 on behalf of the City, the City shall certify to the commissioner of
 24 transportation that each eligible project progressed under this
 25 provision is federally eligible and that the match amount requested
 26 does not exceed the state share of the federally authorized level of
 27 financial assistance. In addition, the City must provide an applica-
 28 tion to the commissioner of transportation certifying that the work
 29 to be funded under the project has been performed and that the City
 30 has reimbursed the MTA for 100 percent of the match amount for the
 31 project. Upon such application, the commissioner of transportation
 32 shall review and approve eligible activities for reimbursement.

33 Prior to requesting approval of a certificate of approval of avail-
 34 ability for the moneys hereby appropriated, the commissioner of
 35 transportation shall certify that each omnibus project progressed
 36 under the program has received federal approval. Such certificate
 37 shall report the federally authorized level of financial assistance

 33 chapter 329 of the laws of 1991 shall be deemed to be \$130,746,000.
 34 The amount distributed pursuant to section 16-a of chapter 329 of
 35 the laws of 1991 shall be deemed to be \$408,554,000. Notwithstanding
 36 the provisions of any general or special law, the amounts deemed
 37 distributed in accordance with section 16 of chapter 329 of the laws
 38 of 1991 shall be adjusted so that such amounts will not be less than
 39 90.169 percent of the "funding level" as defined in subdivision 5 of
 40 section 10-c of the highway law for each such municipality. In order
 41 to achieve the objectives of section 16 of chapter 329 of the laws
 42 of 1991, to the extent necessary, the amounts in excess of 90.169
 43 percent of the funding level to be deemed distributed to each
 44 municipality under this subdivision shall be reduced in equal
 45 proportion.

46 The sum of \$58,797,000 to municipalities for reimbursement of eligible
 47 costs of local highway and bridge projects pursuant to sections 16
 48 and 16-a of chapter 329 of the laws of 1991, as added by section 9
 49 of chapter 330 of the laws of 1991, as amended. For the purposes of
 50 computing allocations to municipalities, the amount distributed
 51 pursuant to section 16 of chapter 329 of the laws of 1991 shall be
 52 deemed to be \$14,254,000. The amount distributed pursuant to section
 53 16-a of chapter 329 of the laws of 1991 shall be deemed to be
 54 \$44,543,000. Notwithstanding the provisions of any general or
 55 special law, the amounts deemed distributed in accordance with
 56 section 16 of chapter 329 of the laws of 1991 shall be adjusted so
 57 that such amounts will not be less than 9.831 percent of the
 58 "funding level" as defined in subdivision 5 of section 10-c of the
 59 highway law for each such municipality. In order to achieve the
 60 objectives of section 16 of chapter 329 of the laws of 1991, to the

By chapter 54, section 1, of the laws of 2014:

For capital grants to municipalities under the municipal streets and highways program for repayment of eligible costs of federal aid municipal street and highway projects pursuant to section 15 of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. The department of transportation shall provide such information to the municipalities as may be necessary to maintain the federal tax exempt status of any bonds, notes, or other obligations issued by such municipalities to provide for the non-federal share of the cost of projects pursuant to chapter 330 of the laws of 1991 or section 80-b of the highway law (17MA1421) (54265) ... 39,700,000 (re. \$7,484,000)

For capital grants to municipalities under the consolidated local street and highway improvement program:

The sum of \$379,300,000 to counties, cities, towns and villages for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be \$125,540,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be \$253,760,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 86.579 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 86.579 percent of the funding level to be deemed distributed to each municipality under this subdivision shall be reduced in equal proportion.

The sum of \$58,797,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be \$19,460,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be \$39,337,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 13.421 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 13.421 percent of the funding level to be deemed distributed to each municipality under this paragraph shall be reduced in equal proportion. To the extent that the total of remaining payment allocations calculated herein varies from \$58,797,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal \$58,797,000.

Payments shall be made on the fifteenth day of June, September, December and March (17CH1421) (54267) 438,097,000 (re. \$181,000)

By chapter 54, section 1, of the laws of 2022, as amended by chapter 54, section 1, of the laws of 2023:

The sum of \$50,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investments in capital projects for such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of such nonprofit human services organizations that serve New Yorkers. Such investments may include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of non-publicly owned space owned by or leased to the eligible nonprofit human services organization pursuant to a lease and used for direct program services; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; and accessibility renovations. Eligible nonprofit human services organizations are those which provide direct services to New Yorkers and are prequalified by the state in a manner as prescribed by the state for such grant application, provided further that nothing herein shall preclude a nonprofit human services organization that is otherwise eligible and that is located in publicly owned property from receiving a grant as long as such purpose and project would be otherwise eligible and such grant is not used for building or property maintenance or improvements, structural maintenance or improvements, or building systems maintenance or improvements. Funding from this appropriation shall be made available through a rolling pass-fail process outlined in a Request for Grant Applications that shall include guidelines for the program as determined by representatives from state agencies which shall include, but not be limited to, the office of children and family services, the office of temporary and disability assistance, the office for people with developmental disabilities, and the office of mental health. Funding will only be made available pursuant to the approval of the director of the budget. Provided further that such proposals submitted by eligible nonprofit human services organizations shall include, at a minimum, the following: the extent to which the proposed project reflects a necessary improvement or upgrade to continue to serve the nonprofit human services organization's target New York population, or a population they would be able to serve if such improvements or upgrades were made; a statement that as of the effective date of this chapter, construction had not begun and equipment had not been purchased for such project; and if applicable, a statement whether the project has received all necessary regulatory approvals or can demonstrate a reasonable expectation that such approvals will be secured.  7 section 1, of the laws of 2023:

8 The sum of \$20,000,000 is hereby appropriated for payments and grants
 9 to eligible nonprofit human services organizations for the nonprofit
 10 infrastructure capital investment program. Such program shall
 11 provide for targeted investment for capital projects in such eligi-
 12 ble nonprofit human services organizations to improve the quality,
 13 efficiency, and accessibility of nonprofit human services organiza-
 14 tions that serve New Yorkers. Provided that such investments
 15 include, but are not limited to: technology upgrades related to
 16 improving electronic records, data analysis, or confidentiality;
 17 renovations or expansions of space used for direct program services;
 18 modifications to provide for sustainable, energy efficient spaces
 19 that would result in overall energy and cost savings; and accessi-
 20 bility renovations. Provided further that such eligible nonprofit
 21 human services organizations are those which provide direct services
 22 to New Yorkers through state contracts, state authorized payments,
 23 and/or state payment rates. Provided further that nothing herein
 24 shall preclude a nonprofit human services organization that is
 25 otherwise eligible and that is located in publicly owned property
 26 from receiving a grant as long as such purpose and project would be
 27 otherwise eligible and such grant is not used for building or prop-
 28 erty maintenance or improvements, structural maintenance or improve-
 29 ments, or building systems maintenance or improvements. Funding from
 30 this appropriation shall be made available through a competitive
 31 process that shall include representatives from multiple state agen-
 32 cies to be determined by the director of the budget and the guide-
 33 lines for the program and competitive process and such process shall
 34 also ensure that such funding is made available for uses throughout
 35 the state, and shall be subject to the approval of the director of
 36 the budget. Provided further that such proposals submitted by eligi-
 37 ble nonprofit human services organizations shall include, at a mini-
 38 mum, the following: the amount of funds requested in relation to the
 39 size and scope of the proposed project and the number of clients who
 40 will benefit; a detailed description of the project, including
 41 projected costs including the sources and uses of funds, project
 42 completion timeline, and funds necessary at each stage of project
 43 completion; the extent to which the proposed project reflects a
 44 necessary improvement or upgrade to continue to serve the nonprofit
 45 human services organization's target population, or a population
 46 they would be able to serve if such improvements or upgrades were
 47 made; a statement that as of the effective date of this chapter,
 48 construction had not begun and equipment had not been purchased for
 49 such project; and if applicable, a statement whether the project has
 50 received all necessary regulatory approvals or can demonstrate a
 51 reasonable expectation that such approvals will be secured. Such

1 taskforce shall make efforts to be comprised of, but not limited to,
2 the following members: representatives from municipal, county,
3 and/or state government; individuals who have lived in or currently
4 live in households in poverty; individuals and advocates represent-
5 ing local not-for-profit and community organizations; represen-
6 tatives from local school districts; and representatives from local
7 social services districts. Of the funds appropriated herein, the
8 amount available for each local anti-poverty task force shall be
9 determined based on the number of people in each municipality, or a
10 borough, who are living in poverty as determined by the U.S. Census
11 Bureau's 2010-14 American Community Survey Five-year Estimate
12 provided that each local anti-poverty task force shall be eligible
13 to receive funding in the following amounts: municipalities with
14 fewer than 5,000 individuals in poverty shall each be eligible to
15 receive \$500,000; municipalities with between 5,000 and 10,000 indi-
16 viduals in poverty shall each be eligible to receive \$1,000,000;
17 municipalities with between 10,000 and 40,000 individuals in poverty
18 shall each be eligible to receive \$1,500,000; and municipalities, or
19 a borough, with more than 40,000 individuals in poverty shall each
20 be eligible to receive \$2,750,000. Funds appropriated herein shall
21 be available to support the work of each anti-poverty task force and
22 such work shall be divided into two phases. During the first phase,
23 the mayor of the municipality, or in the case of the Bronx, the
24 borough president, will select a not-for-profit organization that
25 has demonstrated successful performance working with community
26 stakeholders and achieving objectives specified herein, to coordi-
27 nate the local antipoverty task force. The not-for-profit organiza-
28 tion serving as coordinator will assemble the antipoverty task force
29 using the criteria outlined above. Provided further that, with
30 guidance and oversight of the commissioner of the office of tempo-
31 rary and disability assistance, each local anti-poverty task force
32 shall use data to identify high need issues and neighborhoods within
33 the municipality, or in the case of the Bronx, the borough; identify
34 problems that are common in neighborhoods throughout the munici-
35 pality, or in the case of the Bronx, the borough; receive input from
36 local residents; use data and resident input to select one or more
37 focus areas related to either one or more issues or one or more
38 neighborhoods; and develop a plan for how funding will be targeted
39 toward the identified issues or neighborhoods. Such focus areas may
40 include, but are not limited to childhood poverty and homelessness.
41 Activities included in such plan may include, but are not limited to:
42 providing public assistance recipients opportunities to partici-
43 pate in enhanced work activities that either provide recognized
44 credentialing or enhanced career readiness or job training for
45 better linkage to potential employment; assisting families in pover-
46 ty through services provided to parents and children; and addressing
47 chronic homelessness or housing insecurity. Such plan must include
48 measurable objectives and a timeframe for completion and shall be
49 submitted for approval to the commissioner of the office of tempo-
50 rary and disability assistance. Of the total amount made available
51 to each anti-poverty task force, the lesser of \$300,000 or 20
52 percent of the total award may be used to carry out planning and
53 administration, provided however, that the amount used for planning
54 and administration may exceed such limitation if such amount is
55 approved by the commissioner of the office of temporary and disabili-
56 ty assistance as part of the plan required herein. Upon receiving
57 approval from the commissioner of the office of temporary and disa-
58 bility assistance, each such anti-poverty task force shall commence
59 the second phase of its work, which will support the implementation

25 through an application process developed by the secretary of state,
26 provided, however, that school districts' expenditures of the funds
27 appropriated herein shall not be eligible for aid under any
28 provision of the education law; for payments related to a downtown
29 revitalization program designed and executed by the department of
30 state and the division of housing and community renewal for trans-
31 formative housing, economic development, transportation and communi-
32 ty projects including those designed to increase the property tax
33 base, of which up to \$500,000 may be made available to fund projects
34 consistent with the purposes of the healthy food / healthy communi-
35 ties initiative pursuant to section 16-s of the urban development
36 corporation act, provided such projects are included in a strategic
37 plan submitted for funding under the downtown revitalization
38 program; and for payments of grants, awards, and aid provided
39 through the local government efficiency grant program, the citizen
40 empowerment tax credit, local government citizens reorganization

44 Grants to essential health care providers shall be available upon
45 determination of the commissioner of health without a competitive
46 bid or request for proposal process to support debt retirement and
47 capital projects or non-capital projects that facilitate health care
48 transformation, including mergers, consolidation, acquisition or
49 other significant corporate restructuring activities intended to
50 create a financially sustainable system of care that promotes a
51 patient-centered model of health care delivery. Grants shall not be
52 available to support general operating expenses. For purposes of
53 this appropriation, an essential health care provider is a hospital
54 or hospital system that, in the discretion of the commissioner of
55 health, offers health services within a defined and isolated
56 geographic region where such services would otherwise be unavailable
57 to the population of such region.
58 Notwithstanding any other provision of law to the contrary, up to
59 \$83,500,000 appropriated herein may be available for the health
