22 local housing agency, provided that:

23 (1) Such abatement shall not be effective for more than twenty years;

24 (2) The annual abatement of real property taxes on such eligible
25 building shall not exceed eight and one-third percent of the total
26 certified reasonable cost of such eligible construction;

27 (3) The annual abatement of real property taxes on such eligible
28 building in any consecutive twelve-month period shall in no event exceed
29 the amount of real property taxes payable in such twelve-month period
30 for such building, provided, however, that such abatement shall not
31 exceed fifty percent of the amount of real property taxes payable in
32 such twelve-month period for any of the following:

33 (A) an eligible rental building owned by a limited-profit housing
34 company or a redevelopment company;

35 (B) an eligible homeownership building; and

36 (C) an eligible regulated homeownership building; and

37 (4) Notwithstanding subparagraphs two and three of this paragraph, for
38 an application for rehabilitation program benefits that has been
39 approved, an amount equivalent to and not exceeding the filing fee paid
40 pursuant to subparagraph three of paragraph (d) of this subdivision
41 shall be included in addition to the aggregate amount abated under this
42 paragraph.

43 (5) Such abatement shall become effective beginning with the first
44 quarterly tax bill immediately following the date of issuance of the
45 certificate of eligibility and reasonable cost.

46 (c) Rulemaking. Each agency or department to which functions are
47 assigned by this subdivision may adopt and promulgate rules and regu-
48 lations for the effectuation of the purpose of this subdivision.

49 (d) Application. (1) An application for a certificate of eligibility
50 and reasonable cost pursuant to this subdivision shall be made after the
51 completion date and on or before the later of (A) four months from the
52 effective date of such local law authorizing an abatement pursuant to
53 this subdivision; or (B) four months from such completion date.

54 (2) Such application shall include evidence of eligibility for reha-
55 bilitation program benefits and evidence of reasonable cost as shall be

1 satisfactory to the local housing agency including, but not limited to,
2 evidence showing the cost of eligible construction.

3 (3) The local housing agency shall require a non-refundable filing fee
4 that shall be paid upon the filing of an application for a certificate
5 of eligibility and reasonable cost. Such fee shall be seventy-five
6 dollars for each dwelling unit in excess of six dwelling units in the
7 eligible building that is the subject of such application, but no more
8 than twenty thousand dollars for each application. The filing fee per
9 each dwelling unit and maximum collectible application fee shall be
10 adjusted annually to reflect any increase in the consumer price index
11 for all urban consumers for all items as published by the United States
12 bureau of labor statistics for the region in which the eligible building
13 is located, as established for the most recent preceding calendar year.

14 (4) Any application that is filed pursuant to this paragraph that is
15 missing any of the information and documentation required at initial
16 filing by any rules and regulations of the local housing agency shall be
17 denied, provided that a new application for the same eligible
18 construction, together with a new non-refundable filing fee, may be
19 filed within fifteen days of the date of issuance of such denial. If
20 such second application is also missing any such required information
21 and documentation, it shall be denied and no further applications for
22 the same eligible construction shall be permitted.

23 (5) The failure of an applicant to respond to any checklist within
24 thirty days of the date of its issuance by the local housing agency
25 shall result in denial of such application, and no further applications
26 for the same eligible construction shall be permitted. The local housing
27 agency shall issue not more than three checklists per application. An
28 application for a certificate of eligibility and reasonable cost shall
29 be denied when the local housing agency does not have a sufficient basis
30 to issue a certificate of eligibility and reasonable cost after the
31 timely response of an applicant to the third checklist concerning such
32 application. After the local housing agency has denied an application
33 for the reason described in the preceding sentence, such agency shall
34 permit no further applications for the same eligible construction.

35 (6) An application for a certificate of eligibility and reasonable
36 cost shall also include an affidavit of no harassment.

37 (A) Such affidavit shall set forth the following information:

38 (i) the name of every owner of record and owner of a substantial
39 interest in the eligible building or entity owning the eligible building
40 or sponsoring the eligible construction; and

41 (ii) a statement that none of such persons had, within the five years
42 prior to the completion date, been found to have harassed or unlawfully
43 evicted tenants by judgment or determination of a court or agency,
44 including a non-governmental agency having appropriate legal jurisdic-
45 tion under the penal law, any state or local law regulating rents, or
46 any state or local law relating to harassment of tenants or unlawful
47 eviction.

48 (B) No eligible building shall be eligible for an abatement pursuant
49 to paragraph (b) of this subdivision where:

50 (i) any affidavit required under this subparagraph has not been filed;
51 or

52 (ii) any such affidavit contains a willful misrepresentation or omis-
53 sion of any material fact; or

54 (iii) any owner of record or owner of a substantial interest in the
55 eligible building or entity owning the eligible building or sponsoring
56 the eligible construction has been found, by judgment or determination

1 of a court or agency, including a non-governmental agency having appro-
2 priate legal jurisdiction under the penal law, any state or local law
3 regulating rents, or any state or local law relating to harassment of
4 tenants or unlawful eviction, to have, within the five years prior to
5 the completion date, harassed or unlawfully evicted tenants, until and
6 unless the finding is reversed on appeal.

7 (C) Notwithstanding the provisions of any general, special, or local
8 law to the contrary, the corporation counsel or other legal represen-
9 tative of a city having a population of one million or more or the
10 district attorney of any county located in a city with a population of
11 one million or more, may institute an action or proceeding in any court
12 of competent jurisdiction that may be appropriate or necessary to deter-
13 mine whether any owner of record or owner of a substantial interest in
14 the eligible building or entity owning the eligible building or sponsor-
15 ing the eligible construction has harassed or unlawfully evicted tenants
16 as described in this subparagraph.

17 (7) Notwithstanding the provisions of any general, special, or local
18 law to the contrary, the local housing agency may require by rules and
19 regulations that an application for a certificate of eligibility and
20 reasonable cost be filed electronically.

21 (8) The local housing agency may require an applicant to demonstrate
22 compliance with the housing maintenance code. If hazardous or immediate-
23 ly hazardous violations exist, the local housing agency may require the
24 applicant to remediate such violations and may impose a penalty in an
25 amount set forth in rules and regulations if the applicant fails to
26 clear the violation.

27 (e) Additional requirements for an eligible rental building other than
28 one owned and operated by a limited-profit housing company. In addition
29 to all other conditions of eligibility for rehabilitation program bene-
30 fits set forth in this subdivision, an eligible rental building, other
31 than one owned and operated by a limited-profit housing company, shall
32 also comply with all provisions of this paragraph. Notwithstanding the
33 foregoing, an eligible rental building that is the recipient of substan-
34 tial governmental assistance shall not be required to comply with the
35 provisions of subparagraph two of this paragraph.

36 (1) Notwithstanding any provision of rent regulation to the contrary,
37 any market rental unit within such eligible rental building subject to
38 rent regulation as of the filing date of the application for a certif-
39 icate of eligibility and reasonable cost and any qualifying rental unit
40 within such eligible rental building shall be subject to rent regulation
41 until such unit first becomes vacant after the expiration of the
42 restriction period at which time such unit, unless it would be subject
43 to rent regulation for reasons other than the provisions of this subdi-
44 vision, shall be deregulated, provided, however, that during the
45 restriction period, no exemption or exclusion from any requirement of
46 rent regulation shall apply to such dwelling units.

47 (2) Additional requirements for an eligible rental building that is
48 not a recipient of substantial governmental assistance.

49 (A) Not less than fifty percent of the dwelling units in such eligible
50 rental building shall be designated as qualifying rental units.

51 (B) The owner of such eligible rental building shall ensure that no
52 qualifying rental unit is held off the market for a period that is long-
53 er than reasonably necessary.

54 (C) The owner of such eligible rental building shall waive the
55 collection of any major capital improvement rent increase granted by the
56 New York state division of housing and community renewal pursuant to

1 rent regulation that is attributable to eligible construction for which
2 such eligible rental building receives rehabilitation program benefits,
3 and shall file a declaration with the New York state division of housing
4 and community renewal providing such waiver. The local housing agency
5 shall not require an owner to file such waiver until the application for
6 rehabilitation program benefits has been approved.

7 (D) A qualifying rental unit shall not be rented on a temporary, tran-
8 sient or short-term basis. Every lease and renewal thereof for a quali-
9 fying rental unit shall be for a term of one or two years, at the option
10 of the tenant, and shall include a notice in at least twelve-point type
11 informing such tenant of their rights pursuant to this subdivision,
12 including an explanation of the restrictions on rent increases that may
13 be imposed on such qualifying rental unit.

14 (E) The local housing agency may establish by rules and regulations
15 such requirements as the local housing agency deems necessary or appro-
16 priate for designating qualifying rental units, including, but not
17 limited to, designating the unit mix and distribution requirements of
18 such qualifying rental units in an eligible building.

19 (3) The owner of such eligible rental building shall not engage in or
20 cause any harassment of the tenants of such eligible rental building or
21 unlawfully evict any such tenants during the restriction period.

22 (4) No dwelling units within such eligible rental building shall be
23 converted to cooperative or condominium ownership during the restriction
24 period.

25 (5) Any non-compliance of an eligible rental building with the
26 provisions of this paragraph shall permit the local housing agency to
27 take the following action:

28 (A) extend the restriction period;

29 (B) increase the number of qualifying rental units in such eligible
30 rental building;

31 (C) impose a penalty of not more than the product of one thousand
32 dollars per instance of non-compliance and the number of dwelling units
33 contained in such eligible rental building; and

34 (D) terminate or revoke any rehabilitation program benefits in accord-
35 ance with paragraph (p) of this subdivision.

36 (f) Compliance with applicable law. Rehabilitation program benefits
37 shall not be allowed for any eligible building unless and until such
38 eligible building complies with all applicable provisions of law. Reha-
39 bilitation program benefits shall not be allowed if the local housing
40 agency determines that eligible construction was not carried out in
41 conformity with all applicable provisions of law.

42 (g) Tenant notification. Notwithstanding any provision of this section
43 to the contrary, no rehabilitation program benefits shall be granted for
44 any eligible construction with a commencement date on or after the
45 effective date of such local law authorizing an abatement pursuant to
46 this subdivision unless the applicant provides to tenants, if any, of
47 such eligible building not more than one hundred eighty days nor less
48 than thirty days prior to the commencement date, notice of the following
49 information:

50 (1) The proposed work;

51 (2) The identity and contact information of the eligible building's
52 representative; and

53 (3) The tenants' rights under applicable law with respect to such
54 work; provided that, in the case of a loan program supervised by the
55 local housing agency, such agency may provide the required notice to the
56 tenants.

1 (h) Notice of intent. An applicant for rehabilitation program benefits
2 for any eligible construction with a commencement date on or after the
3 effective date of such local law authorizing an abatement pursuant to
4 this subdivision shall file with the local housing agency a form
5 supplied by such agency which:

6 (1) States an intention to file for rehabilitation program benefits;

7 (2) Describes the work for which rehabilitation program benefits will
8 be claimed;

9 (3) Estimates the cost of such work which will be eligible for reha-
10 bilitation program benefits; and

11 (4) Provides proof of the notice required under paragraph (g) of this
12 subdivision. Such form shall be filed prior to the commencement date. If
13 the scope of such work or the estimated cost thereof changes materially,
14 such applicant shall file a revised notice of intent. An applicant who
15 fails to comply with the requirements of this paragraph shall be subject
16 to a penalty not to exceed one hundred percent of the filing fee other-
17 wise payable pursuant to subparagraph three of paragraph (d) of this
18 subdivision.

19 (i) Implementation of rehabilitation program benefits. Upon issuance
20 of a certificate of eligibility and reasonable cost and payment of
21 outstanding fees, the local housing agency shall be authorized to trans-
22 mit such certificate of eligibility and reasonable cost to the local
23 agency responsible for real property tax assessment. Upon receipt of a
24 certificate of eligibility and reasonable cost, the local agency respon-
25 sible for real property tax assessment shall certify the amount of taxes
26 to be abated pursuant to paragraph (b) of this subdivision and pursuant
27 to such certificate of eligibility and reasonable cost provided by the
28 local housing agency.

29 (j) Outstanding taxes and charges. Rehabilitation program benefits
30 shall not be allowed for an eligible building in either of the following
31 cases:

32 (1) there are outstanding real estate taxes or water and sewer charges
33 or payments in lieu of taxes that are due and owing as of the last day
34 of the tax period preceding the date of the receipt of the certificate
35 of eligibility and reasonable cost by the local agency responsible for
36 real property tax assessment; or

37 (2) real estate taxes or water and sewer charges due at any time
38 during the authorized term of such benefits remain unpaid for one year
39 after the same are due and payable.

40 (k) Additional limitations on eligibility. (1) Rehabilitation program
41 benefits shall not be allowed for any eligible building receiving tax
42 exemption or abatement concurrently for rehabilitation or new
43 construction under any other provision of state or local law or ordi-
44 nance, with the exception of any eligible construction to an eligible
45 building receiving a tax exemption or abatement under the provisions of
46 the private housing finance law;

47 (2) Rehabilitation program benefits shall not be allowed for any item
48 of eligible construction in an eligible building if such eligible build-
49 ing is receiving tax exemption or abatement for the same or a similar
50 item of eligible construction as of the December thirty-first preceding
51 the date of application for a certificate of eligibility and reasonable
52 cost for such rehabilitation program benefits;

53 (3) Where the eligible construction includes or benefits a portion of
54 an eligible building that is not occupied for dwelling purposes, the
55 assessed valuation of such eligible building and the cost of the eligi-
56 ble construction shall be apportioned so that rehabilitation program

1 benefits shall not be provided for eligible construction made for other
2 than dwelling purposes; and

3 (4) Rehabilitation program benefits shall not be applied to abate the
4 taxes upon the land portion of real property, which shall continue to be
5 taxed based upon the assessed valuation of the land and the applicable
6 tax rate at the time such taxes are levied.

7 (l) Re-inspection penalty. If the local housing agency cannot verify
8 the eligible construction claimed by an applicant upon the first
9 inspection by the local housing agency of the eligible building, such
10 applicant shall be required to pay ten times the actual cost of any
11 additional inspection needed to verify such eligible construction.

12 (m) Strict liability for inaccurate applications. If the local housing
13 agency determines that an application for a certificate of eligibility
14 and reasonable cost contains a material misstatement of fact or omission
15 of fact, the local housing agency may reject such application and bar
16 the submission of any other application pursuant to this subdivision
17 with respect to such eligible building for a period not to exceed three
18 years. An applicant shall not be relieved from liability under this
19 paragraph because it submitted its application under a mistaken belief
20 of fact. Furthermore, any person or entity that files more than six
21 applications containing such a material misstatement of fact or omission
22 of fact within any twelve-month period shall be barred from submitting
23 any new application for rehabilitation program benefits on behalf of any
24 eligible building for a period not to exceed five years.

25 (n) False statements. Any person who shall knowingly and willfully
26 make any false statement or omission as to any material matter in any
27 application for a certificate of eligibility and reasonable cost shall
28 be guilty of an offense punishable by a fine of not more than five
29 hundred dollars, or imprisonment for not more than ninety days, or both.

30 (o) Investigatory authority. The local housing agency may require such
31 certifications and consents necessary to access records, including other
32 tax records, as may be deemed appropriate to enforce the eligibility
33 requirements of this subdivision. For purposes of determining and certi-
34 fying eligibility for rehabilitation program benefits and the reasonable
35 cost of any eligible construction, the local housing agency shall be
36 authorized to:

37 (1) administer oaths to and take the testimony of any person, includ-
38 ing, but not limited to, the owner of such eligible building;

39 (2) issue subpoenas requiring the attendance of such persons and the
40 production of any bills, books, papers or other documents as it may deem
41 necessary;

42 (3) make preliminary estimates of the maximum reasonable cost of such
43 eligible construction;

44 (4) establish maximum allowable costs of specified units, fixtures or
45 work in such eligible construction;

46 (5) require the submission of plans and specifications of such eligi-
47 ble construction before the commencement thereof;

48 (6) require physical access to inspect the eligible building; and

49 (7) on an annual basis, require the submission of leases for any
50 dwelling unit in a building granted a certificate of eligibility and
51 reasonable cost.

52 (p) Termination or revocation. Failure to comply with the provisions
53 of this subdivision, any rules and regulations promulgated thereunder,
54 or any mutual company regulatory agreement or mutual redevelopment
55 company regulatory agreement entered into thereunder, may result in
56 termination or revocation of any rehabilitation program benefits retro-

1 active to the commencement thereof. Such termination or revocation shall
 2 not exempt such eligible building from continued compliance with the
 3 requirements of this subdivision, such rules and regulations, and such
 4 mutual company regulatory agreement or mutual redevelopment company
 5 regulatory agreement.

6 (g) Criminal liability for unauthorized uses. In the event that any
 7 recipient of rehabilitation program benefits uses any dwelling unit in
 8 such eligible building in violation of the requirements of any rules and
 9 regulations promulgated pursuant to this subdivision, such recipient
 10 shall be guilty of an unclassified misdemeanor punishable by a fine in
 11 an amount equivalent to double the value of the gain of such recipient
 12 from such unlawful use or imprisonment for not more than ninety days, or
 13 both.

14 (r) Private right of action. Any prospective, present, or former
 15 tenant of an eligible rental building may sue to enforce the require-
 16 ments and prohibitions of this subdivision, or any rules and regulations
 17 promulgated thereunder, in the supreme court of New York. Any such indi-
 18 vidual harmed by reason of a violation of such requirements and prohibi-
 19 tions may sue therefor in the supreme court of New York on behalf of
 20 themselves, and shall recover threefold the damages sustained and the
 21 cost of the suit, including a reasonable attorney's fee. The local hous-
 22 ing agency may use any court decision under this paragraph that is
 23 adverse to the owner of an eligible building as the basis for further
 24 enforcement action. Notwithstanding any other provision of law, an
 25 action by a tenant of an eligible rental building under this paragraph
 26 shall be commenced within six years from the date of the latest
 27 violation.

28 (s) Appointment of receiver. (1) Appointment. In addition to the reme-
 29 dies for non-compliance provided for in subparagraph five of paragraph
 30 (e) of this subdivision, the local housing agency may make application
 31 for the appointment of a receiver in accordance with the procedures
 32 contained in applicable rules and regulations of the local housing agen-
 33 cy; provided, however, that the local housing agency shall not make such
 34 application with respect to any eligible homeownership building or
 35 eligible regulated homeownership building. Any receiver appointed pursu-
 36 ant to this paragraph shall be authorized, in addition to any other
 37 powers conferred by law, to effect compliance with the provisions of
 38 this subdivision and rules and regulations of the local housing agency.
 39 Any expenditures incurred by the receiver to effect such compliance
 40 shall constitute a debt of the owner and a lien upon the property, and
 41 upon the rents and income thereof, in accordance with the procedures
 42 contained in such rules and regulations. The local housing agency in its
 43 discretion may provide funds to be expended by the receiver, and such
 44 funds shall constitute a debt recoverable from the owner in accordance
 45 with applicable local laws or ordinances.

46 (2) Power to order corrections of violations. Whenever the local hous-
 47 ing agency determines that any violation of the provisions of this
 48 subdivision, any rules and regulations promulgated thereunder, or any
 49 mutual company regulatory agreement or mutual redevelopment company
 50 regulatory agreement entered into thereunder, has occurred, such agency
 51 may order the owner of the eligible rental building or other responsible
 52 party to correct such violation. An order issued pursuant to this
 53 subparagraph shall state the violations involved and the corrective
 54 action to be taken, and shall specify a time for compliance, which shall
 55 be not less than twenty-one days from the date of service of the order,
 56 except that where a condition dangerous to human life and safety or

1 detrimental to health exists or is threatened, a shorter period for
2 compliance may be specified.

3 (3) Grounds for appointment of receiver. Upon failure of an eligible
4 rental building to comply with an order to correct issued pursuant to
5 subparagraph two of this paragraph within the specified time therein,
6 the local housing agency may apply for the appointment of a receiver to
7 correct such violations.

8 (4) Notice to owner, mortgagees, and lienors. (A) If the local housing
9 agency intends to seek the appointment of a receiver pursuant to this
10 paragraph, it shall serve upon the owner, along with the order author-
11 ized pursuant to subparagraph two of this paragraph, a notice stating
12 that in the event the violations covered by the order are not corrected
13 in the manner and within the time specified therein, such agency may
14 apply for the appointment of a receiver of the rents, issues, and
15 profits of the property with rights superior to those of the owner and
16 any mortgagee or lienor.

17 (B) Within five days after service of the order and notice upon the
18 owner, the local housing agency shall serve a copy of the order and
19 notice upon every mortgagee and lienor of record, personally or by
20 registered or certified mail, at the address set forth in the recorded
21 mortgage or lien. If no address appears therein, a copy shall be sent by
22 registered mail to the person at whose request the instrument was
23 recorded.

24 (C) The local housing agency shall file a copy of the notice and order
25 in the office of the county clerk in which mechanics liens affecting the
26 eligible rental building would be filed.

27 (5) Order to show cause. (A) The local housing agency, upon failure of
28 the owner to comply with an order issued pursuant to subparagraph two of
29 this paragraph within the time provided therein, may thereafter apply to
30 a court of competent jurisdiction in the county where the eligible
31 rental building is located for an order directing the owner and any
32 mortgagees or lienors of record to show cause why the commissioner of
33 the local housing agency should not be appointed receiver of the rents,
34 issues, and profits of the eligible rental building and why the receiver
35 should not correct such violation and obtain a lien in favor of the
36 local housing agency against the eligible rental building having the
37 priority provided in article eight of subchapter five of chapter two of
38 title twenty-seven of the administrative code of the city of New York to
39 secure repayment of the costs incurred by the receiver in removing such
40 conditions. Such application shall contain:

41 (i) Proof by affidavit that an order of the local housing agency has
42 been issued, served on the owner, mortgagees, and lienors, and filed, in
43 accordance with subparagraph four of this paragraph;

44 (ii) A statement that a violation continued to exist in such eligible
45 rental building after the time provided in the order for correction of
46 the condition, and a description of the eligible rental building and
47 violations involved; and

48 (iii) A brief description of the nature of the actions required to
49 correct the violations and an estimate as to the cost thereof.

50 (B) The order to show cause shall be returnable not less than five
51 days after service is completed.

52 (C) A copy of the order to show cause, and the papers on which it is
53 based, shall be served on the owner, mortgagees of record, and lienors.
54 If any such persons cannot with due diligence be served personally with-
55 in the city of New York within the time fixed in the order, then service
56 may be made by posting a copy of the order in a conspicuous place on the

1 eligible rental building, and by sending a copy thereof by registered
2 mail to the owner at the last address, if any, registered by such owner
3 with the local housing agency, or to such owner's last address, if any,
4 known to the local housing agency, or, in the case of a mortgagee or
5 lienor, to the address set forth in the recorded mortgage or lien, and
6 by publication in a newspaper of general circulation in the county where
7 such eligible rental building is located. Service shall be deemed
8 complete on filing proof thereof in the office of the clerk of the court
9 in which application for such order is made.

10 (6) Proceedings on return of order to show cause. (A) On the return of
11 the order to show cause, determination thereof shall have precedence
12 over every other business of the court unless the court shall find that
13 some other pending proceeding, having a similar statutory preference,
14 has priority.

15 (B) If the court finds that the facts stated in the application
16 warrant the granting thereof, then it shall appoint the commissioner of
17 the local housing agency receiver of the rents, issues, and profits of
18 the eligible rental building.

19 (C) Notwithstanding clause (B) of this subparagraph, if, after deter-
20 mination of the issue, the owner, or any mortgagee or lienor or other
21 person having an interest in the eligible rental building, shall apply
22 to the court to be permitted to correct the violations set forth in the
23 local housing agency's application and shall (i) demonstrate the ability
24 to promptly undertake the actions required; and (ii) post security for
25 the performance thereof within the time, and in the amount and manner,
26 deemed necessary by the court, then the court may, in lieu of appointing
27 a receiver, issue an order permitting such person to perform the actions
28 within a time fixed by the court. If at the time fixed in the order the
29 actions have not been satisfactorily done, the court shall appoint such
30 receiver. If after the granting of an order permitting a person to
31 perform the actions but before the time fixed by the court for the
32 completion thereof it shall appear to the local housing agency that the
33 person permitted to do the same is not proceeding with due diligence,
34 then such agency may apply to the court, on notice to those persons who
35 have appeared in the proceeding, for a hearing to determine whether a
36 receiver shall be appointed immediately. On the failure of any person to
37 complete the corrective actions in accordance with the provisions of an
38 order under this clause, such agency, or any receiver thereafter
39 appointed, shall be reimbursed for costs incurred by such agency or
40 receiver in correcting the violation and other charges pursuant to this
41 clause out of the security posted by such person.

42 (7) Powers and duties of receiver. (A) A receiver appointed pursuant
43 to this paragraph shall have all of the powers and duties of a receiver
44 appointed in an action to foreclose a mortgage on real property, togeth-
45 er with such additional powers and duties as granted and imposed by this
46 subparagraph. Such receiver shall not be required to file any bond.

47 (B) The receiver shall with all reasonable speed remove violations in
48 the eligible rental building. Such receiver shall have the power to let
49 contracts or incur expenses therefor in accordance with the provisions
50 of law applicable to contracts for public works except that advertise-
51 ment shall not be required for each such contract. Notwithstanding any
52 provision of law, the receiver may let contracts or incur expenses for
53 individual items without the procurement of competitive bids where the
54 total amount of any such individual item does not exceed two thousand
55 five hundred dollars.

1 (C) The receiver shall collect the accrued and accruing rents, issues,
2 and profits of the eligible rental building and apply the same to the
3 cost of the corrective actions authorized in clause (B) of this subpara-
4 graph, to the payment of expenses reasonably necessary to the proper
5 operation and management of the eligible rental building, including
6 insurance and the fees of the managing agent, and the necessary expenses
7 of their office as receiver, the repayment of all moneys advanced to the
8 receiver by the local housing agency to cover the costs incurred by the
9 receiver and interest thereon; and then, if there be a surplus, to
10 unpaid taxes, assessments, water rents, sewer rents, and penalties and
11 interest thereon, and then to sums due to mortgagees or lienors. If the
12 income of the eligible rental building shall be insufficient to cover
13 the cost of the repairs and improvements or the expenses reasonably
14 necessary to the proper operation and management of such eligible rental
15 building and other necessary expenses of the receiver, the local housing
16 agency shall advance to the receiver any sums required to cover such
17 cost and expense and thereupon shall have a lien against such eligible
18 rental building having the priority provided in article eight of
19 subchapter five of chapter two of title twenty-seven of the administra-
20 tive code of the city of New York for any such sums so advanced with
21 interest thereon.

22 (D) The receiver shall be entitled to the same fees, commissions, and
23 necessary expenses as receivers in actions to foreclose mortgages. Such
24 fees and commissions shall be paid into the fund created pursuant to
25 section 27-2111 of the administrative code of the city of New York. The
26 receiver shall be liable only in such receiver's official capacity for
27 injury to person and property by reason of conditions of the eligible
28 rental building in a case where an owner would have been liable; such
29 receiver shall not have any liability in such receiver's personal capac-
30 ity. The personnel and facilities of the local housing agency and the
31 corporation counsel or other legal representative of a city having a
32 population of one million or more shall be availed of by the receiver
33 for the purpose of carrying out such receiver's duties, and the costs of
34 such services shall be deemed a necessary expense of the receiver.

35 (8) Discharge of receiver. The receiver shall be discharged upon
36 rendering a full and complete accounting to the court when the actions
37 authorized by this paragraph are completed and the cost thereof and all
38 other costs authorized by this paragraph have been paid or reimbursed
39 from the rents and income of the eligible rental building and the
40 surplus money, if any, has been paid over to the owner or the mortgagee
41 or lienor as the court may direct. However, at any time, the receiver
42 may be discharged upon filing their account as receiver without affect-
43 ing the right of the local housing agency to its lien. Upon the
44 completion of the repairs and improvements, the owner, the mortgagee, or
45 any lienor may apply for the discharge of the receiver upon payment to
46 the receiver of all moneys expended by such receiver therefor and all
47 other costs authorized by subparagraph seven of this paragraph which
48 have not been paid or reimbursed from the rents and income of such
49 eligible rental building.

50 (9) Recovery of expenses of receivership; lien of receiver. (A) The
51 expenditures made by the receiver pursuant to subparagraph seven of this
52 paragraph shall, to the extent that they are not recovered from the
53 rents and income of the eligible rental building collected by the
54 receiver, constitute a debt of the owner and a lien upon such building
55 and lot, and upon the rents and income thereof. Except as otherwise
56 provided in this subparagraph, the provisions of article eight of

1 subchapter five of chapter two of title twenty-seven of the administra-
 2 tive code of the city of New York shall govern the effect and enforce-
 3 ment of such debt and lien; references therein to the department of
 4 housing preservation and development shall, for purposes of this arti-
 5 cle, be deemed to refer to the receiver and, after such receiver's
 6 discharge, the department of housing preservation and development.

7 (B) Failure to serve a copy of the order and notice required in the
 8 manner specified by subparagraph four of this paragraph, or failure to
 9 serve any mortgagee or lienor with a copy of the order to show cause as
 10 required by clause (C) of subparagraph five of this paragraph, shall not
 11 affect the validity of the proceeding or the appointment of a receiver,
 12 but the rights of the local housing agency or of the receiver shall not
 13 in such event be superior to the rights of any mortgagee or lienor who
 14 has not been served as provided therein.

15 (C) Any mortgagee or lienor who at such mortgagee or lienor's expense
 16 corrects the violations to the satisfaction of the court pursuant to the
 17 provisions of clause (C) of subparagraph six of this paragraph shall
 18 have and be entitled to enforce a lien equivalent to the lien granted to
 19 the receiver in favor of the local housing agency by this subparagraph.
 20 Any mortgagee or lienor who, following the appointment of a receiver by
 21 the court, shall reimburse the receiver and the local housing agency for
 22 all costs and charges as provided by this paragraph shall be entitled to
 23 an assignment of the lien granted to the receiver in favor of the local
 24 housing agency.

25 (10) Obligations of owner not affected. Nothing contained in this
 26 paragraph shall be deemed to relieve the owner of any civil or criminal
 27 liability incurred or any duty imposed by law by reason of acts or omis-
 28 sions of the owner prior to the appointment of a receiver; nor shall
 29 anything contained in this paragraph be construed to suspend during the
 30 receivership any obligation of the owner for the payment of taxes or
 31 other operating and maintenance expenses of the eligible rental building
 32 nor of the owner or any other person for the payment of mortgages or
 33 liens.

34 (t) Reporting. No later than two years after the effective date of
 35 such local law authorizing an abatement pursuant to this subdivision,
 36 and annually thereafter, the local housing agency, in consultation with
 37 the department of finance, shall submit to the mayor and the speaker of
 38 the council and post on its website a report on the actions by the local
 39 housing agency in the preceding fiscal year related to rehabilitation
 40 program benefits. Such report shall include, but not be limited to:

41 (1) The total amount of the rehabilitation program benefits approved
 42 for each eligible building, the number of eligible buildings in each
 43 community district, neighborhood tabulation area, council district, New
 44 York state assembly district, and New York state senate district, the
 45 building classification, in accordance with section three hundred two of
 46 the New York city building code, of each such eligible building, the
 47 number of dwelling units in each such eligible building, and the number
 48 of qualifying rental units in each such eligible building; and

49 (2) The number of eligible buildings whose rehabilitation program
 50 benefits were terminated or revoked and the number of eligible buildings
 51 against which actions were taken, pursuant to clauses (A), (B) and (C)
 52 of subparagraph five of paragraph (e) of this subdivision, to address
 53 noncompliance with the provisions of such subdivision, and the street
 54 address of each such eligible building.

55 (u) Updates to the certified reasonable cost schedule. When updating
 56 the certified reasonable cost schedule, the local housing agency shall

1 consider the factors such agency deems relevant, such as the require-
 2 ments imposed on eligible buildings by local law, including, but not
 3 limited to, articles three hundred two, three hundred twenty and three
 4 hundred twenty-one of chapter three of title twenty-eight of the admin-
 5 istrative code of the city of New York, and the effects of inflation on
 6 such costs since the prior date the certified reasonable cost schedule
 7 was updated. The local housing agency shall publish the certified
 8 reasonable cost schedule on its website.

9 § 2. This act shall take effect immediately.

PART P

11 Section 1. The opening paragraph of subdivision 2 of section 241.05 of
 12 the penal law, as added by chapter 573 of the laws of 2019, is amended
 13 to read as follows:

14 With intent to induce two or more rent regulated tenants occupying
 15 different housing accommodations in one residential building, or two
 16 rent regulated tenants occupying different housing accommodations in two
 17 separate residential buildings, to vacate such housing accommodations,
 18 such owner intentionally engages in a systematic ongoing course of
 19 conduct that:

20 § 2. The penal law is amended by adding a new section 241.07 to read
 21 as follows:

22 § 241.07 Aggravated harassment of a rent regulated tenant.

23 An owner is guilty of aggravated harassment of a rent regulated tenant
 24 when:

25 1. With intent to induce three or more rent regulated tenants occupy-
 26 ing different housing accommodations in two or more residential build-
 27 ings to vacate such housing accommodations, such owner intentionally
 28 engages in a systematic ongoing course of conduct that:

29 (a) impairs the habitability of such housing accommodations; or

30 (b) creates or maintains a condition which endangers the safety or
 31 health of one or more of the dwellings' rent regulated tenants; or

32 (c) is reasonably likely to interfere with or disturb, and does inter-
 33 fere with or disturb, the comfort, repose, peace or quiet of one or more
 34 of such rent regulated tenants in their use and occupancy of such hous-
 35 ing accommodation including, but not limited to, the interruption or
 36 discontinuance of essential services.

37 2. Such owner commits the crime of harassment of a rent regulated
 38 tenant in the first degree as defined in section 241.05 of this article
 39 and has previously been convicted within the preceding five years of
 40 such crime.

41 The good faith commencement and pursuit of a lawful eviction action by
 42 an owner against a rent regulated tenant in a court of competent juris-
 43 isdiction shall not, by itself, constitute a "systematic ongoing course of
 44 conduct" in violation of paragraph (c) of subdivision one of this
 45 section.

46 Aggravated harassment of a rent regulated tenant is a class D felony.

47 § 3. Section 241.00 of the penal law is amended by adding a new subdivi-

 53 emergency housing rent control law, the local emergency housing rent
 54 control act, the emergency tenant protection act of nineteen seventy-

1 four, the New York city rent and rehabilitation law or the New York city
 2 rent stabilization law of nineteen hundred sixty-nine. The definition of
 3 "residential building" as used in this subdivision shall be applicable
 4 only to the provisions of this article and shall not be applicable to
 5 any other provision of law.

6 § 4. This act shall take effect immediately.

7 PART Q

8 Section 1. Subdivision 5-a of section 296 of the executive law, as
 9 added by chapter 706 of the laws of 2025, is renumbered subdivision 5-b.

 27 thousand twenty-two, and for which the completion date is on or before

 29 multiple dwelling or homeownership project submits a letter of intent on
 30 a form to be promulgated by the New York city department of housing
 31 preservation and development, to such department, within ninety days of
 32 the date that such department promulgates such form. The New York city
 33 department of housing preservation and development shall promulgate such
 34 form no later than sixty days from the effective date of the chapter of
 35 the laws of 2024 which amended this subparagraph. For the purposes of
 36 this subparagraph, the term "letter of intent" means documentation
 37 certifying that the owner of such multiple dwelling or homeownership
 38 project outlined in this subparagraph intends to apply for the benefits
 39 described in this section upon the construction completion date. The New
 40 York city department of housing preservation and development shall
 41 prescribe, and make available to the public, a "letter of intent form"
 42 by which owners may use to submit such letter of intent outlined in this
 43 subparagraph. The New York city department of housing preservation and

6 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
7 sion, section or part of this act shall be adjudged by any court of
8 competent jurisdiction to be invalid, such judgment shall not affect,
9 impair, or invalidate the remainder thereof, but shall be confined in
10 its operation to the clause, sentence, paragraph, subdivision, section
11 or part thereof directly involved in the controversy in which such judg-
12 ment shall have been rendered. It is hereby declared to be the intent of
13 the legislature that this act would have been enacted even if such
14 invalid provisions had not been included herein.

15 § 3. This act shall take effect immediately provided, however, that
16 the applicable effective date of Parts A through R of this act shall be
17 as specifically set forth in the last section of such Parts.
