The American-Italian Cancer Foundation's Mobile Mammography Program

112 E. 71st Street, Suite 2B, New York, NY 10021 • (212) 628-9090

www.americanitaliancancer.org

- Professional medical services from Multi-Diagnostic Services, Inc. (MDS):
 - Mammogram performed by a certified, licensed mammography technologist.
 - Clinical breast exam and instruction in breast self-exam by a trained professional.
 - Radiological interpretations performed by Board Certified Radiologists.
- For more information about MDS, please call 800-453-TEST (8378).
- Your results will be sent to you and/or your doctor within 10 business days. If you would like the results sent to your doctor, please provide MDS with his or her full name and address.
- Comparison radiological studies are important. If you provide MDS with previous mammogram films, this comparison will be performed. In some cases, it can eliminate the need for additional testing.
- For women without health insurance, services will be paid for by the Screening Partnerships of the New York State Cancer Services Program (NYS CSP) or through generous contributions by the American-Italian Cancer Foundation's donors. For more information about the NYS CSP, please call 866-442-CANCER (2262).
- For women with health insurance, the insurance will be billed for services. However, women will not be charged a co-pay and will not receive a bill.

On the day of your visit:

- We recommend that you wear a two-piece outfit.
- Please do not use any oil, powder, deodorant, or perfume in the breast, underarm or chest area.
- If you have Medicare, Medicaid or other health insurance, you **must** bring your card with you.

Generously funded by:

Avon Foundation Breast Care Fund • National Breast Cancer Foundation • New York City Council • New York City Department of Health and Mental Hygiene • The New York Community Trust • The Greater New York City Affiliate of Susan G. Komen for the Cure® • New York State Department of Health
