

“Politicians who violate the public trust and use their office for personal gain should face severe penalties. I have zero tolerance for corruption and will continue to fight to bring greater transparency and accountability to Albany.”

— Harry B. Bronson

**Assemblymember Harry Bronson
stood up to corrupt politicians**

Assemblymember Bronson fought for ethics reform

He passed legislation to:

- ✓ strip taxpayer-funded pensions from corrupt politicians
- ✓ limit the influence of big money by regulating PACs and independent expenditure groups
- ✓ strengthen disclosure requirements for lobbyists to bring greater transparency to government dealings

Assemblymember Bronson will continue fighting to close the LLC loophole to stop special interests from unfairly influencing elections.
