Our greatest obligation...

...is to our heroes who have served.

**Assemblyman Steve Hawley, former National Guard and Army Reserve member and Ranking Minority Member on the Assembly Veterans' Affairs Committee, is working to support our heroic veterans and promote access to the resources they so greatly deserve.**

**The Veterans Employment Act of 2013** will direct all state agencies to make all temporary hires from the veteran temporary hiring list, to the fullest extent possible.

**The Hire-a-Vet Tax Credit** will reward businesses for hiring veterans.

**The Veteran Speaker Education Program** will help veterans share their wisdom and courage with New York's children.

**Attention Veterans -** Join Assemblyman Steve Hawley's Patriot Trip VI on September 19 to visit Washington D.C.'s monuments and memorials! Contact the assemblyman's district office for more information.
