

THE ASSEMBLY
STATE OF NEW YORK
ALBANY

STEVE HAWLEY
Assistant Minority Leader
Assemblyman 139th District
Genesee, Orleans, and Monroe Counties

February 13, 2017

Honorable Carl E. Heastie
Speaker NYS Assembly
Room 932 LOB
Albany, NY 12224

Dear Speaker Heastie:

We would like to take this opportunity to communicate our concerns on behalf of our constituents regarding funding for libraries.

The proposed Executive Budget, again, shows an inequity between educational institutions and libraries. Although we saw an increase in aid last year, we are not where we need to be in regard to adequately providing a wide variety of services. In addition, according to libraries in my district, New York State Education Law requires Library Aid for FY 2017-18 to be \$102.6 million, based on the most recent census data. The current level, a reduction of \$4 million, at \$91.6 million, places library aid at 2000 funding levels! This level of state aid is inadequate for libraries within this state and there are no other educational institutions expected to function at this level of state aid.

There should be no barrier when it comes to providing our constituents with the essential tools necessary for their betterment. Our constituents, who range from toddlers to the elderly, depend significantly on the services provided by our libraries. We are sure you would agree that each and every New Yorker should be afforded equal access to the internet, ESL courses, and literacy classes offered by our libraries.

We, together, take a strong stance and urge an increase to replicate the same as education funding. It is imperative, that we receive the same consideration, so that the needs of our mutual constituents will be met.
