Thanks to the generosity of constituents throughout the 1st Assembly District, our annual Toys for Tots campaign has been an enormous success this year. I am proud to report that we collected over 1,000 toys for donation! These gifts will brighten the lives of many children in need across Long Island during this holiday season. The success of this year's drive reinforces the shared values and spirit of community that define the East End and reminds us of all that we can accomplish together.

Wishing you an exciting, joyful,
and prosperous New Year,

Should you need any assistance with State matters, my office is here to help!
