CLEANER, SAFER WATER

With a population of over 7 million, Long Island's environment needs to be protected. That's why Assemblyman Joe DeStefano is diving in to support water quality legislation that will protect you and your family:

- Establishing a Safe Water and Infrastructure Action Program to replace and rehabilitate drinking water and wastewater systems **(A.424)**
- Reducing marine and coastal pollution **(A.4755)**
- Establishing new standards for the testing of drinking water **(A.1103)**
- Ensuring that every New Yorker has access to safe, clean and affordable water **(A.3361)**
