Supporting Families AS THEY WORK AND GROW

“As the father of five children, I understand how expensive child care is for families to afford. I have a plan to reduce costs and increase access to child care. Every child deserves fair and quality care. Together, we can build a future where every family can thrive.”

INCREASED TAX INCENTIVES FOR PROVIDERS AND FAMILIES

I'm co-sponsoring the following bills to boost child tax credits:

- Increasing the Empire State child credit amount to 45% of the federal Child Tax Credit amount (A.9257-A)
- Creating a new Child Care Facility Capital Improvement tax credit to help child care providers enhance and update facilities (A.9264)
- Doubling the existing Child Care Creation & Expansion Tax Credit amount from \$25 million per year to \$50 million per year (A.9245)

MORE ACCESSIBLE OPTIONS FOR PARENTS AND CHILDREN

- I am supporting alternative child care solutions to be implemented into law in New York State (A.9202)

SUPPORTING CHILD CARE STATEWIDE - FAIRLY

- I am backing a proposal that would ensure more public support is given to areas with the highest cost of living, such as Long Island (A.9220)
