## Summer Activity Guide

*Dear Neighbor,*

The 5th Assembly District has countless events and attractions to enhance your summer months. These events are among the many things that make living in our district so great. I was born and raised in this district and some of the highlights of my childhood included attending these events. Now I have the privilege of bringing my wife and children to these phenomenal activities. I hope you have a safe, happy, and fun summer! If you have any questions about the information in this brochure or wish to contact me regarding any state issues, please feel free to contact me at [smithd@nyassembly.gov](mailto:smithd@nyassembly.gov) or call my District Office at (631) 585-0230.
