ASSEMBLYMAN DOUG SMITH:

GIVING POLICE, FIREFIGHTERS, AND EMS A VOICE IN ALBANY

"Each day first responders lay their lives on the line to protect us and keep our communities safe. These men and women are among the bravest and most dedicated in our country, and we owe them our eternal gratitude for everything they've done for us. I will continue advocating on behalf of our first responders to ensure these amazing volunteers are given everything they need and deserve."

 **Fighting for tax credits** for employers who employ New York National Guard men and women, reservists, volunteer firefighters, and EMS personnel (A.01700).

 **Protecting our first responders** by sponsoring the **Blue Lives Matter Bill** which ensures those who target our brave men and women will be charged with hate crimes (A.6169).

 **Fighting to protect our law enforcement officers from abuse while they're working to keep our community safe** (A.8528).
