

A message from:
Assemblyman Steve Stern:

“We are all feeling the impact of taxes and inflation at the pump, the supermarket or as small-business owners. As we sit at our kitchen tables, wondering what bill to set aside, or what purchase to delay, these pressures are all too real. I know how these challenges affect our daily lives. That’s why I have been working hard to deliver real meaningful relief for our community.”

Assemblyman Steve Stern: Your strong voice for Elwood

- ✓ Accelerated middle-class tax cuts, delivering **the lowest tax rate in the last 70 years.**
- ✓ Protected homeowners by making the **New York State Property Tax Cap permanent.**
- ✓ **Delivered a Real Property Tax Rebate** for homeowners eligible for STAR and Enhanced STAR.
- ✓ **Suspended the State Gas Sales Tax** to reduce prices at the pump.
- ✓ Expanded the **Child Tax Credit** and **Earned Income Tax Credit.**
- ✓ **Expanded Small Business Tax Cuts** to support the businesses that are the heart of our community.
- ✓ **Increased funding for the Tuition Assistance Program** to make college more affordable.
- ✓ **Expanded the Child Care Assistance Program,** to provide help for working parents.

I was pleased to be honored by Superintendent Dr. Kenneth Bossert and School Board members Heather Mammolito and James Tomeo for bringing home our fair share to the Elwood School District.

Steve Stern Delivers for Elwood

- ✓ **Allocated state funding for the Elwood School District** for vital school security initiatives to keep our children and teachers safe.
- ✓ Secured resources for **state-of-the-art school classroom technology.**
- ✓ Provided funding for a **new scoreboard at Elwood High School.**
- ✓ **Delivered record school aid for the Elwood School District,** including mental health and special needs, so all of our children have every opportunity to reach their highest potential.
