Kimberly Jean-Pierre

Assemblywoman

Look inside for a legislative update from

Dear Neighbor,

While the winter chill begins to take hold and the days get shorter, the fast-approaching festivities promise celebration and time spent with family. As we welcome the holiday season, it's a great time to reflect on our accomplishments over the past year.

During the 2022 legislative session, I helped pass several bills to deliver much-needed resources to our communities, enhance public safety and support health and wellness initiatives. Many families have faced challenging times over the past year, but we always come together to pick each other up as a community. As chair of the Assembly Libraries and Education Technology Committee, I helped secure critical investments for our schools and for libraries that serve as community hubs. I know we'll continue building on our successes to ensure a bright future for all New Yorkers.

I hope you and your loved ones create new memories during this festive holiday season. I look forward to continuing to serve as your voice in Albany in the new year.

Sincerely,

Kimberly Jean-Pierre

Assemblywoman Kimberly Jean-Pierre

Assemblywoman Jean-Pierre

Supporting Long Island Families

To support and deliver resources for our community, Jean-Pierre passed legislation to:

- Authorize SUNY Farmingdale to lease 16 acres of underutilized land for the **construction of multiple multi-sport athletic fields**, helping make the campus a prime location for tournaments, camps and clinics (Ch. 538 of 2022)
- Provide design-build authorization for a **new large-scale, public-private health and wellness center** for the hamlet of Wyandanch, expediting the project's completion (A.9756-A)
- **Increase the penalty for driving a boat while intoxicated** in the presence of a minor to a felony, aligning boating while intoxicated offenses with Leandra's Law (A.911-A)
- Require private companies in contracts with school districts to **disclose ingredient lists and nutritional information for our children's meals** (Ch. 533 of 2022)
- **Grant libraries additional time to complete construction projects** without losing any state aid due to pandemic-related supply chain issues and labor shortages (Ch. 333 of 2022)
- Include **mandatory human trafficking awareness curriculum** in all state-certified alcohol training awareness programs for bars and restaurants (Ch. 392 of 2022)

Jean-Pierre is making a difference in our neighborhoods

- Hosted a Back-to-School drive in partnership with Bolden Mack Park, **giving away over 500 backpacks filled with school supplies**. The event also featured free dental and vision check-ups, haircuts, free food and more.
- Hosted her annual **Hoops for Hunger basketball tournament** with local youth, law enforcement and other community leaders. This year's event collected approximately **five large boxes of food, which were donated to Island Harvest Food Bank**.
- Hosted a **two-hour boat ride for 100 seniors** from the Town of Babylon, which featured a free lunch, live DJ and giveaways. The nautical adventure created many memorable moments with our seniors.

Assemblywoman Kimberly Jean-Pierre's Winter Accessories and Toy Drive

Now Through December 20
Assemblywoman Jean-Pierre's Office
640 W. Montauk Highway, Lindenhurst
Monday through Friday, 9 a.m. to 5 p.m.

Donate new winter accessories – such as hats, gloves and scarves – and new, unwrapped toys to spread holiday cheer in our community. Collected accessories will be donated to Keep Your Change, Inc.
