Accomplishments

- ✓ Fought for increased funding of local roads and bridges.¹
- ✓ Played a leading role in the impeachment investigation of former Gov. Andrew Cuomo in the Judiciary Committee.²
- ✓ Opposed the bloated 2022-23 State Budget increase from \$176B to \$220B, believes that government must control its spending habits.³
- ✓ While many local and state officials prevented high schools from participating in sports, we fought to open the 2021 spring competitions.⁴
- ✓ Stood up for law-enforcement by demanding SUNY Brockport rescind cop-killer Jalil Muntaqim's (aka Anthony Bottom) invitation to speak on campus. We organized the very first rally on Long Island and the first statewide petition.⁵
- ✓ When the Northport Veterans Administration Medical Center announced it would end emergency medical services, we urged Gov. Hochul to take immediate action. Thanks to these efforts, the hospital remains open to veterans seeking health care services.⁶
- ✓ Accelerated the paving of the Long Island Expressway, initially slated to be finished by 2023, but instead finished by spring of 2022.^{7,8}
- ✓ Held LIPA/PSEG Long Island accountable by working across the aisle to prioritize ratepayers. (A.9035)
