

E-NEWSLETTER

ASSEMBLYMAN

**KEITH P. BROWN**

### *A Message from Keith:*

It has been an exciting start to the year! I had an incredible honor bestowed upon me by my Brother Hibernians of the Ancient Order of Hibernians, John F. Kennedy Division No. 4 Huntington, NY to be named the Grand Marshal of the 91st Annual Huntington St. Patrick's Day Parade, allowing me to follow in my father's footsteps and those of the many distinguished men and women who have come before me. This experience reminded me that New York State is made up of so many incredible cultures, and it truly is a blessing to be able to recognize where we came from, acknowledge our cultural heritage, and celebrate our collective unity.

Now, as we enter the spring season, I am filled with enthusiasm for what we can accomplish together. As this legislative session proceeds, I am committed to working tirelessly to help create a more secure and prosperous community and to get legislation passed that will help not only those within the 12th District but all of New York State.

I am hopeful we will be able to pass the Deadly Drugged Driving Bill (A.3981-A), which will close legal loopholes and keep everyone safer on the roads. I am proud to have been appointed by Assembly Minority Leader Will Barclay to serve on the Legislative Commission on the Modernization and Simplification of Tax Administration and the Tax Law. It's critical this commission properly analyzes the current effectiveness of the tax law and identifies strategies to improve it. I will continue to work alongside members of the Assembly Minority Conference to call for increased oversight of the MTA, highlighting Assembly Bill A.6088, which requires the MTA to hire a certified independent accounting firm to perform a comprehensive forensic audit of the Authority. In addition, I am dedicated to creating laws that will aid those who struggle with mental health issues and substance use issues through my work as a member of the Committee on Alcoholism and Drug Abuse and the Committee on Mental Health. I was very happy to get a resolution passed in the Assembly and Senate recognizing April as Co-Occurring Disorder Month in the State of New York!

As we move through the spring season and on into summer, I will continue to work towards improving our waterways, our environment, and our

communities. I am optimistic and focused on the work ahead. I hope you enjoy this season of renewal!

God bless you and your families, Long Island, and our great state!

Your Assemblyman,

Hon. Keith P. Brown

*Oath of Office 2025*

Yesterday, I took the oath of office to protect the Constitution of the United States of America and the Constitution of the State of New York. I promise that I will faithfully discharge, to the best of my ability, the duties of the position of the New York State Assembly, so help me God!

I am thankful for my constituents who continue to support me. I will continue to fight for you and for what's important to me and our district—our bays, harbors and sound, our waterfronts, our downtowns, our small businesses, our education, our kids, our veterans, our seniors, our law enforcement, our most vulnerable, people with disabilities and our environment!

I will continue to work with my colleagues on both sides of the aisle for Long Island, and I am so fortunate to work with some amazing elected officials, appointed officials, and staffers serving the people, including among many others:

US Congressman Nick LaLota  
US Congressman Andrew Garbarino  
US Congressman Tom Suozzi  
US Senator Chuck Schumer  
NYS Senator Mario Mattera  
NYS Senator Monica Martinez  
NYS Assembly Steve Stern  
SC Legislator Stephanie Bontempi  
SC Legislator Rebecca Sanin  
Town Supervisor Ed Smyth  
Town Supervisor Angie Carpenter  
Town Supervisor Rich Schaffer  
The Huntington, Islip, and Babylon Town Council members and the village mayors, and trustees of Northport, Asharoken, Huntington Bay, and Lloyd Harbor!

Now let's get to work! (Jan. 9)

### *Productive Day in Assembly District 12*

Friday was a very productive day for me and my office.

First, we held the third meeting with Nassau and Suffolk County agencies, Molloy College, and community service providers to discuss the creation of a Co-Occurring Disorder Committee in both counties and work together with our neighboring suburban counties to build a better system of integrated care, one that brings together policymakers in Albany with county social service agencies, school districts administrators and personnel to better deal with mental illness and substance use disorders from teenagers to adulthood—all to create a true “no wrong door” approach.

Thereafter, I had a great meeting with County Executive Ed Romaine to discuss many important issues in our district! Thank you, sir, for being so open to discussing these topics! A true public servant! (Jan. 13)

### *Long Island Leaders Reception in Albany*

It was great seeing so many Long Islanders up in Albany at the LIA Long Island Leaders Reception as a pre-State of the State gathering! (Jan. 15)

### *Legislature Goes to the Metropolitan Museum of Art*

We attended the Legislature Goes to the Metropolitan Museum of Art to learn about all of the programs offered by the Met for adults and kids at the world's largest museum, which is only a short ride away from AD 12. I plan on reaching out to my 10 school districts to arrange for a field trip to visit the museum and see its incredible collection of fine art that chronicles the history of human civilization from Mesopotamia to post-modern! (Jan. 22)

### *American Water Works Association & Suffolk County Water Authority Meeting*

Had my first meeting in Albany this year with representatives of the American Water Works Association and my friend Joe Pokorny from the Suffolk County Water Authority to talk about safe drinking water and some budget needs they have to continue to provide safe drinking water to most of the residents of Suffolk County! (Jan. 23)

### *NAACP Huntington Branch Celebrates Martin Luther King Jr.'s Birthday*

It was an honor and privilege to attend the NAACP Huntington Branch event and to celebrate Dr. Martin Luther King Jr.'s birthday. I feel it's so important to remember his legacy not only through his words but, almost more importantly, by putting his words into action.

That's why I am extremely proud of my work on the East End African American Museum and more recently my work trying to establish the Huntington African American Museum.

I believe it's so important to protect these treasured pieces of our history and remember our past and those who came before us who suffered through horrible acts that were perpetuated against them, as well as to fight injustice in any form and achieve the dream of Dr. Martin Luther King, Jr. (Jan. 25)

### *Early Intervention Program Services Press Conference*

This week in Albany, I was proud to stand with AM Jodi Giglio and my colleagues, providers, and parents calling for a fix to the online system for Early Intervention Program services. Assemblywoman Jodi Giglio has been a leading voice on this issue in our conference, and we will continue to support the efforts to make sure our children get these essential services they so desperately need. (Jan. 26)

### *Suffolk County Substance Use Committee Reconvenes*

Many thanks to SC Legislator Leslie Kennedy for starting up the Substance Use Committee again. It was a robust meeting as we heard from the SC medical examiner and Cari Besserman about Co-Occurring Disorder and the need to integrate the two systems of care. Thank you all who attended. By working together, my hope is we can transform the policy in Albany and help save lives! (Jan. 28)

### *Environmental Conservation Committee Meeting*

My first Environmental Conservation Committee meeting of the year! (Jan. 29)

### *Zero-Emission School Bus Mandate Press Conference*

I attended a press conference yesterday to help promote Assembly Bill A.2005 (Senate Bill S.3328), which authorizes school districts to submit a waiver to the commissioner of education allowing them to officially opt out of certain zero-emission school bus requirements being implemented statewide.

School district superintendents, board members, and educators understand the environmental goals of the transition to zero-emission school buses to reduce vehicle emissions statewide, but they also understand the financial, and logistical impacts this transition will have on their schools.

School districts work in absolutes rather than maybes when it comes to their budgets. The challenges this transition will force on schools—challenges related to cost, electrical capacity, infrastructure, energy efficiency, weather, and difficult terrain—are unpredictable, vary district by district, and should not be left to each individual school to tackle without any support from the state.

Zero-emission school buses cost anywhere from two to four times more than traditional internal combustion engine buses. One analysis found the cost would be between \$8 billion and \$15.25 billion for school districts to switch from gas-powered to all-electric buses. However, this cost does not even consider infrastructure and facility upgrades associated with the switch.

New York state is incredibly diverse both socioeconomically and geographically, and our school districts reflect these differences. We must address growing concerns from school districts statewide so we can either re-evaluate this mandate or allow school districts to opt out if they choose to do so. (Jan. 29)

### *Islip-Smithtown NAACP Annual Legacy Gala*

Last weekend, I had the absolute pleasure of attending the Islip-Smithtown NAACP Annual Legacy Gala on Saturday night! It was great to see so many friends, colleagues, and community leaders gathered in one place! Congratulations to all the honorees who have worked so hard to make our town a better place! (Jan. 31)

### *SUNY Reception, Meetings & Budget Hearings in Albany*

It was a busy few days in Albany this week: the SUNY reception, meetings, and budget hearings on top of session.

I was also very happy to see Karen Acampora in Albany, who was there representing the American Red Cross to discuss important issues and programs for our schools. As always, thank you for your dedication! (Feb. 1)

## Cornell Cooperative Extension Legislative Briefing

We had a great meeting with Cornell Cooperative Extension for a legislative briefing. It was great hearing about all of the programs they are working on, including the testing of the water in our harbors, bays, and sound, as well as all they do to help our farmers throughout Suffolk County and our state. Thank you for all you do! (Feb. 4)

**Spawning Season  
Kick-Off**

**February 21st, 2025 | 9:30am**

**Celebrate another season of  
growth, feeding, and  
planting of the shellfish  
which play a crucial role in  
Long Island's ecology!**

Witness how a small tank of adult oysters  
can result in millions of oyster larvae in  
only a matter of hours. In addition,  
participants learned about the Cornell  
Cooperative Extension Marine Program's  
work with bay scallops and recent  
advances in our restoration efforts.

**ASSEMBLYMAN KEITH BROWN HAS BEEN APPOINTED TO SERVE ON THE LEGISLATIVE COMMISSION ON THE MODERNIZATION AND SIMPLIFICATION OF TAX ADMINISTRATION AND TAX LAW FOR THE 2025-2026 LEGISLATIVE TERM.**

**THIS COMMISSION WAS ESTABLISHED TO:**

- Review the Tax Law and the way in which it is administered to determine its effectiveness and administration in achieving state policy goals while achieving the traditional objectives of simplicity, fairness, ease of administration and equity; and
- Make recommendations to the Legislature for such actions as it determines necessary for the achievement of those goals and objectives.

*Legislative Commission on the Modernization & Simplification of Tax Administration*

I have been appointed by Assembly Minority Leader Will Barclay to serve on the Legislative Commission on the Modernization and Simplification of Tax Administration and Tax Law for the 2025-2026 legislative term.

I am honored to serve on this legislative commission to modernize and simplify tax law in New York state.

The high cost of living and affordability issues in our state are a tremendous burden on New York taxpayers, weighing them down a little more each year. It's critical this commission properly analyzes the current effectiveness of tax law and administration and identifies strategies to improve it.

It's time we get to work to bring Long Islanders and New Yorkers the financial security and peace of mind they deserve. (Feb. 4)

*New York State Council on the Arts (NYSCA)*

Exciting news for AD 12!

The New York State Council on the Arts (NYSCA) announced grant awards of \$159,000 to organizations and artists in Assembly District 12!

Congratulations to this year’s grantees—their creativity and commitment to their communities are worthy of recognition. (Feb. 9)

*Meeting with Congressman Nick LaLota in Washington*

Huntington goes to Washington to visit Congressman Nick LaLota! (Feb. 10)

*Meet My New Intern in Albany!*

I'd like to introduce everyone to my Albany intern for this session. Alex Jambunathan is a sophomore at Hudson Valley Community College and is studying political science! (Feb. 12)

### *Alexander John Smullen Traffic Safety Memorial Law Press Conference*

I attended a press conference in Albany on Tuesday, Feb. 25, 2025, to help introduce and promote Assembly Bill A.3938, also known as the 'Alexander John Smullen Traffic Safety Memorial Law.'

This bill would establish a traffic safety memorial sign program to publicly memorialize the victims of fatal vehicle collisions and also help raise awareness about the serious consequences of impaired, reckless, or distracted driving.

I am proud to support a bipartisan law like this one that will not only memorialize victims whose lives were taken too soon but will also help raise awareness about how important it is to be cautious, alert, and responsible behind the wheel.

I am hopeful this piece of legislation will help prevent future vehicle collisions statewide and keep both drivers and pedestrians safe from harm. (Feb. 25)

### *Renovating American Legion Hall for Local Veterans*

I'm very happy to help the veterans at the American Legion hall make improvements to their hall and help bring to life a part of Halesite Harbor Walk! I so appreciate the collaborative effort of my office with the American Legion, 1653 Foundation, the Town Supervisor Ed Smyth, Town Councilwoman Theresa Mari, SC Legislator Stephanie Bontempi, NYS Senator Mario Mattera, U.S. Congressman Tom Suozzi, and U.S. Senator Chuck Schumer!

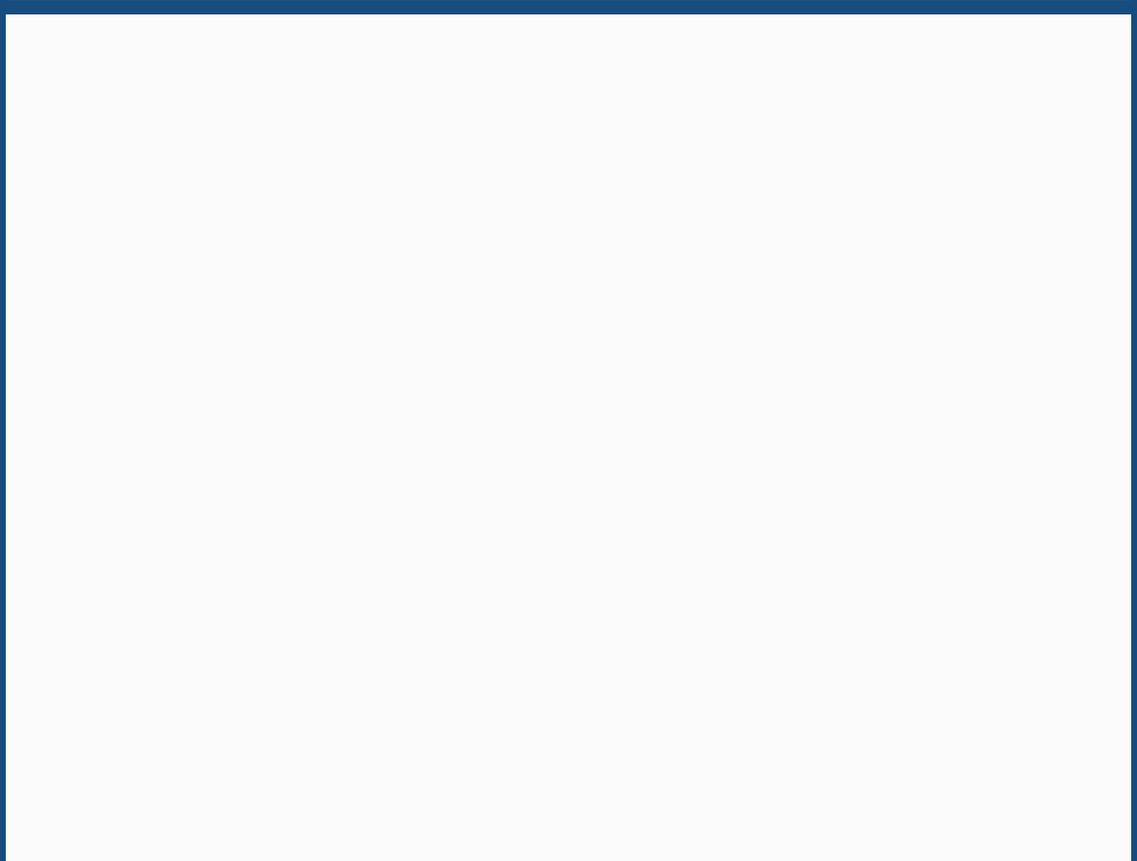

We recently joined together to apply for a \$200,000 grant from Lowe's. I'm excited, and my fingers are crossed we get the grant awarded. It's a great community project! (Feb. 26)

### *Northport Historical Society Launch*

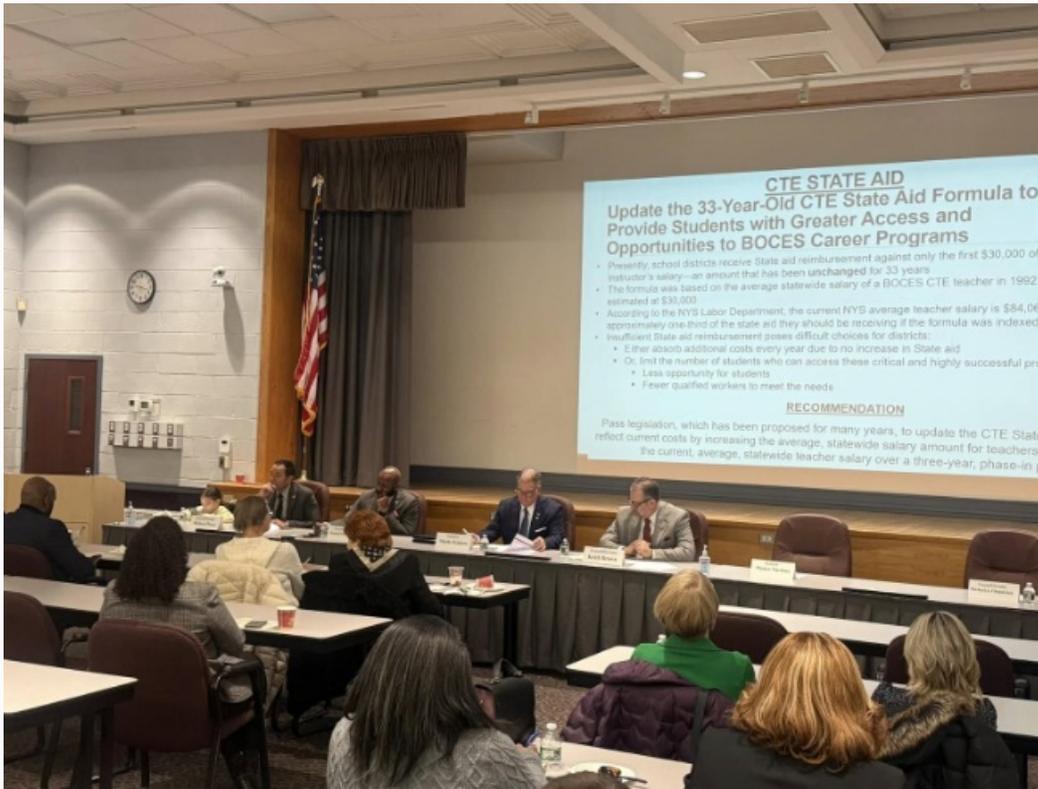

The Northport Historical Society held an event to launch the “Still in Love” documentary that’s being filmed in Northport. I can’t wait to see the full documentary when it’s finished. Many thanks to the producer and director who are bringing this story alive! (Feb. 27)

### *Legislative Breakfast with Suffolk County School Board Association*

Many thanks to Mike Flynn for hosting the Legislative Breakfast the other day where we discussed pressing and challenging issues like the electric school bus mandate, the Child Victims Act, and how to pay for these horrible cases of abuse and the social-emotional environment in our schools, among others! (Feb. 28)

### *Islip-Smithtown NAACP Legislative Breakfast*

Several of my elected colleagues and I attended the Islip-Smithtown NAACP Legislative Breakfast and discussed their concerns and priorities this coming session—very much appreciate their input about how to make our state a better place for everyone! (March 1)

### *Oversight of the MTA Press Conference*

I attended a press conference in Albany today calling for increased oversight of the Metropolitan Transportation Authority (MTA) and highlighting Assembly Bill A.6088, which requires the MTA to hire a certified independent accounting firm to perform a comprehensive forensic audit of the Authority.

My colleagues and I have highlighted several reports that speak to the serious inadequacies and patterns of fiscal mismanagement within the MTA system. These inadequacies include \$800 million in uncollected bus and subway fares, \$5 billion in unpaid tolls, falsification of inspection reports, and more.

New Yorkers should not be responsible for digging the MTA out of the deep financial pit it has dug itself into over the past few years. Every time we hear about the MTA, it has taken one step forward and three steps back when it comes to making necessary changes and being more fiscally responsible. The MTA must be held accountable.

I fully support the call for increased oversight of the MTA and requiring that it undergo an extensive independent forensic audit. This audit is long overdue, and now that the governor's congestion pricing plan is on the verge of being eliminated by the federal government, this audit must be completed now more than ever before.

The MTA's disturbing pattern of fiscal mismanagement and overspending problems must be addressed and corrected immediately. (March 3)

*Long Island Coalition Lobby Day in Albany*

It's always great when the Long Island Coalition comes to visit us in Albany! Great seeing so many familiar faces up here! (March 4)

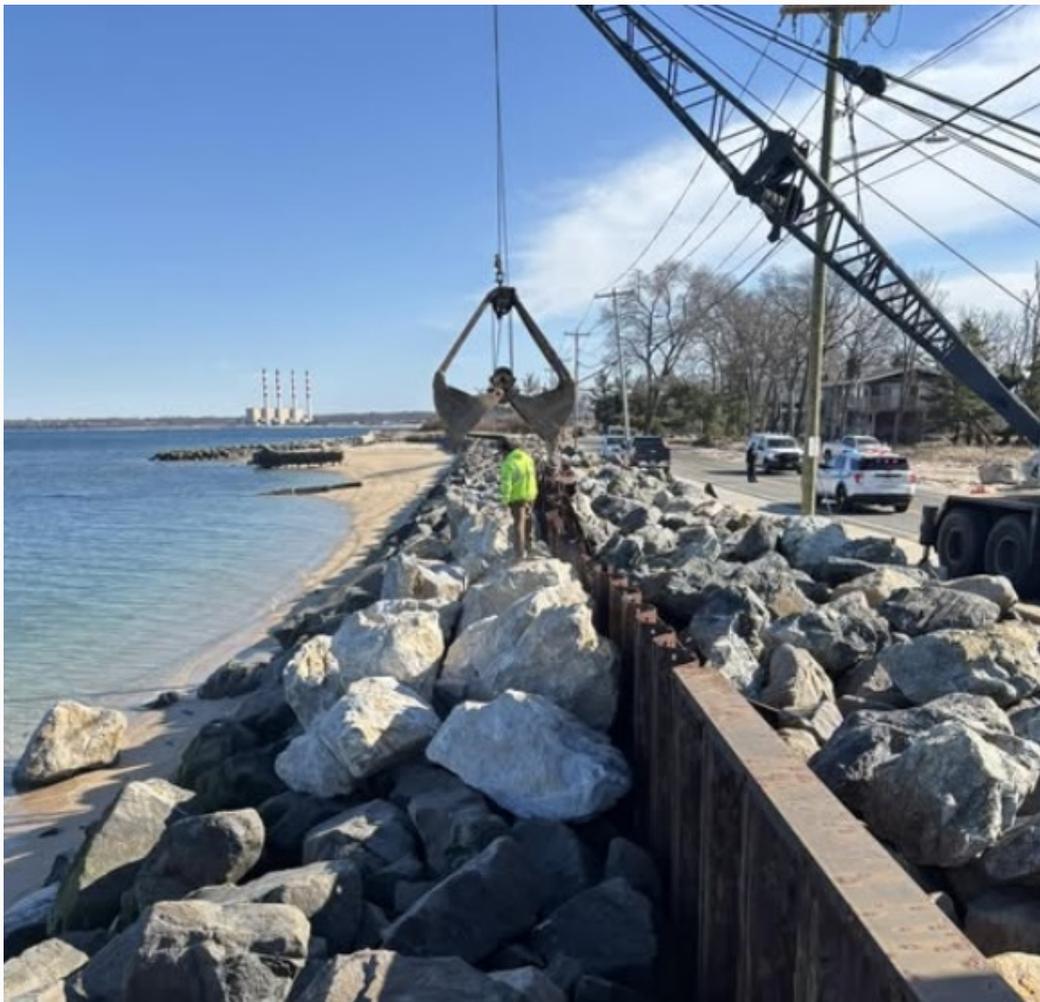

## *Albany Updates & Meetings*

Busy time in Albany! (March 6)

### *Asharoken Seawall Emergency Repairs*

It's nights like last night I wonder if the Asharoken Seawall will hold up from the

battering from Mother Nature!

I'm so happy I was able to get the village funding to make emergency repairs while a more permanent solution is designed and constructed! (March 7)

### *Honored Grand Marshal of the 91st Annual Huntington St. Patrick's Day Parade*

What an incredible honor bestowed upon me by my brother Hibernians of the Ancient Order of Hibernians John F. Kennedy Division No. 4 Huntington to be named the grand marshal of the 91st Annual Huntington St. Patrick's Day Parade.

I am thrilled to follow in my father's footsteps and in the footsteps of so many distinguished men and women who have come before me to honor our ancestors and Irish Catholic heritage:

The Browns  
The Garretts  
The Doyles and  
The Youngs who traveled to America to start a new life!

I was overcome with emotion at the Grand Marshal's Ball at Oheka Castle on Friday night thinking about my dad, Justice Harry Richard Brown, who was grand marshal in 1978, and also how hard I worked to reach this point of my life! It was a moment I will cherish forever and will never forget.

To celebrate with my wife, my boys, my family, and my dear friends was just pure joy!

Thank you all from the bottom of my heart! (March 7)

It's a tradition. First, we all go to church! (March 9)

*Twas a Great Day Marching Down New York Avenue*

It was such an honor to lead the 91st Annual St. Patrick's Day Parade, march down New York Avenue, and make the historic turn onto Main Street to the Church of St. Patrick with my family and friends, AOH, and LAOH brothers and sisters! It was a beautiful day I will never forget! (March 9)

*New York City St. Patrick's Day Celebration with the New York State American-Irish Legislators Society*

Scenes from the 264th Annual St. Patrick's Day Parade: mass at St. Patrick's Cathedral and then marching with the American-Irish Legislators Society and my colleagues! It was a great day! (March 17)

### *Catholic Charities Albany Reception*

Stopped by the Catholic Charities event and met with several groups about budget priorities! (March 19)

*Visit from Miss Universe 2024 Israel in the Assembly Chamber*

Assemblyman Mike Fitzpatrick and I were proud to meet Miss Universe 2024 from Israel in the Assembly Chamber on Tuesday!

Special thanks to her and her team for visiting us here in the New York State

Capitol to meet with state legislators, help raise awareness, and call for the hostages held by Hamas to be released. (March 19)

*Rotary Environmental Action Coalition of Huntington (REACH) Honored*

Congratulations to Rotary Environmental Action Coalition of Huntington (REACH) for their work in helping our environment and cleaning our waterways in Huntington Harbor and LI Sound and my dear friends Jamie Wylie, Garrett Chelius & Lorne Brousseau for their efforts to restore our waterways! Well done! (March 20)

### *Annual NY Farm Bureau Taste of NY Reception*

One of the best nights of the year is the Annual NY Farm Bureau Taste of NY Reception!

The farming community is very important to me, and I will always support our farmers.

I grew up on Stoothoff Road named after the German potato farmer who owned the area and down the road from my house was Ackerly Farm!

I enjoyed attending and talking to farmers from across our great state, especially North Fork Chips and Little Ram Oyster Company, owned by Stefanie Bassett and Elizabeth Peeples. It was great to see them up in Albany. (March 23)

### *Harold's Hoops for Hope 3 on 3 Tournament Fundraiser*

On Saturday, I had the pleasure of kicking off Harold's Hoops for Hope 3 on 3 Tournament fundraiser.

This young man has done a fantastic job—raising awareness and money (more than \$18,000) for suicide prevention at a time when people really need help!

Harold, thank you for what you are doing and the difference you're making in your community! (March 24)

*New York State School Music Association (NYSSMA)  
Annual Albany Reception*

It's always a great day when the New York State School Music Association kids come to Albany! Thank you to Michael Mastrangelo, and for the work of the NYSSMA Board and all the music teachers for bringing music to our schools! (March 26)

### *American-Irish Legislators Society Annual Celebration*

Every year, we get together at the Albany AOH Hall for a bipartisan celebration of all things Irish with the American-Irish Legislators Society! It's always a lot of fun and it was great to see Helena Nolan General Consul of Ireland here in New York! (March 27)

### *Marking Thrive's 8th Anniversary in Suffolk County*

Proud to take part in Thrive's 8th Anniversary of taking care of our most vulnerable here in Suffolk County and join my friends Steve Chassman, Anthony Rizzuto, and SC Legislator Jason Richberg and Dr. Jeff Reynolds and others to celebrate this great achievement! Great work! (March 28)

### *SUNY Day in Albany*

It was SUNY Day in Albany, and I got to see firsthand many of the great projects happening at Albany, Binghamton, Buffalo and Stonybrook and meet with the presidents of each university of our great system! (March 29)

### *Commack School District Student Legislative Advocacy Committee Visits Albany*

We had a great meeting with students from the Commack School District, alongside Senator Mattera, Assemblyman Mike Fitzpatrick, and Commack High School's legislative advocacy committee.

Thank you, Superintendent Dr. Jordan Cox, Board of Education President Steven Hartman, and other district officials for their work.

The students advocated for important issues such as school safety, financial literacy, agriculture education, and mental health.

Thank you for your passion and commitment and for making the trip to Albany each year! (March 30)

## FREE NARCAN & TEST STRIPS

Valuable resources that can make a profound difference in our community are now at your fingertips. We are pleased to announce that free naloxone and drug test strips are readily accessible to help identify harmful additives, prevent overdose tragedies, and ultimately, save lives.

In the face of the opioid crisis, it's crucial that we come together to ensure the safety and well-being of our community members. Naloxone is an essential tool in reversing opioid overdoses, and drug test strips provide a means to detect dangerous substances before they cause harm.

Together, we have the power to be proactive, to protect one another, and to make our community a safer place for all. Your willingness to take this step could be a lifeline for someone in need. You can visit Naloxone Access for Impacted Communities to receive a free Narcan kit and training.

### ***The HOPEline***

- New York State's HOPEline is a confidential support and referral hotline for individuals struggling with addiction and problem gambling. It is staffed by trained, masters-level clinicians 24 hours a day, seven days a week.
- HOPEline can provide information about addiction and problem gambling assessments, interventions, treatment, and support in New York State. HOPEline can also provide crisis intervention support, including de-escalation and collaboration to connect to 911.
- To contact the HOPEline, you can call 1-877-8-HOPENY (467369) or text HOPENY (467369). All services are free and confidential.

### **Here are some of the things the HOPEline can do for you**

- Provide information about addiction and problem gambling
- Answer your questions about addiction and problem gambling
- Help you find a treatment provider in your area
- Provide crisis intervention support
- Connect you with other resources in your community
- If you are struggling with addiction or problem gambling, please reach out to the HOPEline for help. You are not alone.

## **SUICIDE HOTLINE**

In the midst of the season's joy and warmth, it's crucial to acknowledge that not everyone shares in the wonder. Let's extend our compassion to those who may be struggling quietly. Small acts of kindness, like sharing a cup of coffee, can provide comfort and a deep sense of connection to those in need.

I'd like to introduce you to the 988 hotline, akin to the well-known 911 for mental health crises. Whether one faces anxiety, depression, or any mental health challenge, this hotline offers vital support and guidance.

Remember, you don't have to face tough times alone.

I'm here, ready to listen and offer support any time, day or night. Let's raise awareness about mental health and suicide prevention, spreading the word about

the 988 hotline among your friends and loved ones. Together, we can make a significant impact in the lives of those who need it most.

### ***Internship Opportunities***

New York State Assemblyman Keith P. Brown's District Office is seeking students who have a strong work ethic and a passion for their community. Interns will have the opportunity to further their education in public service and local government while enhancing their administrative and writing abilities. If you are interested in an internship, please contact Laura Leary at [learyl@nyassembly.gov](mailto:learyl@nyassembly.gov).

For any questions or concerns regarding this or any other state/local issues, please feel free to reach out to my District Office: 6080 Jericho Turnpike, Suite 310, Commack, NY 11725
