HONORING *Our Veterans.*

As a US Coast Guard and US Air Force Veteran, Assemblyman McDonough understands not only the sacrifices our brave men and women go through while serving our country, but the hardships their families endure as well. When coming back to civilian life, our veterans deserve our gratitude and thanks for their service. That's why he has supported legislation to honor these heroes for their dedication.

- Creates the "Veteran Owned Business Enterprise Act" to give state benefits to discharged veterans who are creating their own businesses (A.4490 of 2020).
- Provides loans to veterans purchasing homes or property (A.6421 of 2021).
- Allows free access to public parks for veterans who have a federal Golden Access Passport or federal Access Pass (A.4001 of 2021).
- Establishes a Task Force on Veterans Employment Opportunities, which assists veterans in finding and maintaining meaningful employment (A.7472 of 2021).
