

Join **Michael Montesano**
and **Nassau County**
Traffic Safety Board
this May for these **FREE**
child safety programs!

Operation Safe Child

- Guardians receive a FREE identification card containing your child's photo, fingerprints, contact information and other pertinent data needed by the police in case of an emergency.
- Learn how these records can assist in Amber Alerts and LOCATOR programs to find missing persons.
- Enjoy the peace of mind knowing you have your child's most important information at your fingertips!

Car Seat Safety Check

- Have a professional check to make sure you are using the proper car seat and buckling techniques for your child's height, weight and age.

As a parent, grandparent and former police officer, **Michael Montesano** knows the importance of keeping our children safe.

When a child goes missing, every second counts. To protect against our worst fears, it is important to be proactive and have record of your child on hand in case of emergencies. Using the proper car seat and buckling techniques according to the age, height and weight of your child is also important in ensuring your child's safety.

Michael has partnered with the Nassau County Traffic Safety Board to host these important child safety events.
