

WOMEN OF DISTINCTION EVENT

We honored seven remarkable leaders at our first annual Women of Distinction ceremony in September. Their stories showcased the strength of women in our district, and we are proud to recognize them for their leadership, congratulations to all!

OPERATION SAFE CHILD

In partnership with Sen. Martins and the Nassau County District Attorney's Office, Operation Safe Child delivered free child ID kits to families across the district. Parents left with peace of mind and essential tools to keep their children safe. Thank you to Great Neck Public Library, Shelter Rock Public Library and The Bryant Library for hosting.

Sincerely,

WISHING YOU A HAPPY AND HEALTHY NEW YEAR!

These grants enhance educational resources, programming and accessibility for all residents. Thank you for your continued trust and involvement. I'm committed to building a stronger, safer and more vibrant district in 2026 and beyond.

A YEAR OF GIVING, CONNECTING AND CELEBRATING

Throughout the year, we hosted and sponsored a variety of events focused on giving back, promoting safety and building community connections. Here's a recap:

PET FOOD DRIVE

The 13th Annual Pet Food Drive to benefit Long Island Cares was a record-breaking success, collecting more than 1,000 pounds of pet food from February 21 to March 21 with incredible support from Shelter Rock and Port Washington Public Libraries. We could not be more appreciative of the outpouring of support we received for our local animal shelters!

BLOOD DRIVES

Four blood drives saved countless lives thanks to your selfless donations at Great Neck South High School, Northwell Health, Manhasset Public Library and Manhasset-Lakeville Fire Department, where your generosity saved more than 100 lives! Each event with the New York Blood Center showcased our community's commitment to helping others in their time of greatest need.

BOATING SAFETY CERTIFICATION

Our office co-hosted a Boating Safety Certification course with Sen. Jack Martins in June at the Port Washington Library, where we equipped dozens with proper boating skills. The course was led by Captain Richard Werner of Safe Boating America. Attendees left more confident and prepared, making our waterways safer for everyone.

COFFEE WITH DAN

Coffee with Dan sessions allowed us to connect directly with residents across the district. Conversations were hosted at local libraries: Port Washington, The Bryant, Shelter Rock and one virtual session. These informal sessions provided a great opportunity to hear directly from you about local issues and ideas that will guide our office moving forward.

SCHOOL SUPPLY DRIVE

The School Supply Drive with the John Thiessen Children's Foundation filled drop-off bins at Shelter Rock and The Bryant Libraries with thousands of items for students in grades K-12. With the help of generous residents, sick and underprivileged children started the school year well equipped. Thank you for your kindness!

FIRST RESPONDER THANK YOU INITIATIVE

At Guggenheim Elementary, second graders honored our first responders with handmade thank-you cards in a celebration of bravery. We were joined by the Port Washington Fire Department that day. This initiative reminded us all that gratitude and respect for our heroes starts young and runs deep.

NY CITIZEN PREPAREDNESS TRAINING PROGRAM

Our office co-hosted three NY Citizen Preparedness Training sessions with Sen. Jack Martins, the New York National Guard and local leaders. These sessions provided residents with emergency readiness skills. Thank you to the Shelter Rock Library and Great Neck Social Center for hosting. Attendees left ready to protect our community during times of emergency.
