

# Supporting OUR COMMUNITY:

**1.** After speaking with a concerned Cedarhurst resident whose daughter frequently crossed this intersection, I realized that installing crosswalk signs (which were missing) was a glaring issue that needed to be resolved. I appreciate the help and quick action of Mayor Weinstock and Inspector Ross Marasco in successfully installing the necessary crosswalk signs. That's how we're supposed to get it done, we are here to serve.

**2.** At the request of some senior citizens asking for chess and checkerboard tables in the park, my team and I made these checkerboards on the village sign-making machine and promptly riveted them onto

our existing park benches with the help of Anthony Fabrizio.

**3-4.** I was honored to have been included in the naming of the Long Beach Mount Sinai Emergency Department after Ellen Weisenberg to "Ellen's Way." Ellen was the wife of former Assemblyman Harvey Weisenberg, whose district I now serve. In the photo are my two predecessors, Harvey Weisenberg and Hempstead Town Councilwoman Missy Miller, and Nassau County Legislator Denise Ford. Harvey and Ellen were inseparable, the most romantic couple!

**5.** I was honored to take part in so many Fourth of July celebrations throughout the district and talk to many of you. At the Point Lookout/Lido Beach Fourth of July Parade, my good friend Anthony D’Esposito and I honored our brave Nassau County firefighters. Thank you for all your tireless efforts to keep us safe and support Nassau County!

**6.** I spent time at an informal get together with former Israeli Ambassador to the United States Michael Oren at a meeting hosted by our mutual friend Shalom Maidenbaum. There was a great deal of discussion about Israel and U.S. relations as well as the state of antisemitism throughout the world.

**7.** Congratulations to the graduates from the Yeshiva of South Shore as part of their 60th Graduation Ceremony. Thank you to Rabbi Kamenetzky for his leadership and guidance.

**8.** I was so thrilled to be invited to the grand opening of Mission Market in Woodmere - a store that sells products created by people with autism. As the Ranking Member of the Committee for People with Disabilities, I truly can appreciate this great opportunity and thank their employees and supporters for all that they do.

**9.** It was an honor to join Rabbi Goodman for the Torah dedication and ribbon cutting at the Chabad Of The Beaches. This ceremony was especially meaningful because this Torah is one of two that has been written to replace the two that were stolen from the Shul a year ago. We will not let antisemitism prevail. This new Torah proclaims to all that we are not going anywhere. We are back, better than ever!

**10-11.** What a beautiful Memorial Day Weekend. It was a pleasure meeting so many of you and chatting with Rabbi Eli Goodman of Chabad of the Beaches and Nassau County Legislator Denise Ford.

**12.** Congratulations to Lawrence-Cedarhurst Fire Department's new Chief Thomas J Foy. Thank you to all the dedicated firefighters and volunteers whose efforts keep our community safe!

**13.** It was a pleasure to attend the Oceanside Library Ribbon-Cutting Ceremony at their two new locations in the Great Lincoln Shopping Center. Despite moving, the Oceanside Library continues to deliver quality services and programs for our community.
