## **MY COLLEAGUES AND I IN THE MINORITY HAVE A PLAN TO FIX THE MIGRANT CRISIS:**

- ✓ Protect municipalities from “Right to Shelter” confusion by requiring local governing bodies in the state to opt-in to accepting migrants from other jurisdictions (A.8034).
- ✓ Ensure funding is not used to shelter migrants in schools, daycare centers or community organization buildings (A.8013).
- ✓ Require the comptroller to examine and audit state and federal funds received and appropriated for humanitarian aid in NYC or any municipality (A.7508).
- ✓ End New York’s status as an immigration sanctuary until proper planning is discussed.
- ✓ Adopt a resolution calling on the federal government to provide financial assistance and properly address the border crisis it created.
- ✓ Require the state to register all migrants to assist with background checks and monitor refugees seeking asylum (A.7319-A).

***“Struggling American workers, both citizens and  
lawful immigrants, have found that their interests  
have been lost in the ongoing border debacle”***

## **PUBLIC SERVICE ANNOUNCEMENT:**

New York’s escalating migrant crisis has now resulted in a full humanitarian and economic crisis.

More than 130,600 migrants flooded New York within the past year.<sup>3</sup> In response, Albany has earmarked \$1.5 billion in state taxpayer money for New York City to spend on the migrant crisis.<sup>4</sup>

According to the New York City mayor’s projections, these costs are expected to surpass \$12 billion by 2025!<sup>3</sup> As your Assemblyman, I believe New York State should end its sanctuary status.
