Supporting Families **AS THEY WORK AND GROW**

In today's world, child care is not a simple choice. It's not even a luxury. For many working families today, child care is essential. That's why I've partnered on many initiatives to help give families options and support as they work and care for their children.

INCREASED TAX INCENTIVES FOR PROVIDERS AND FAMILIES

I'm proposing the following bills to boost child tax credits:

- Increasing the Empire State Child Credit amount to 45% of the federal Child Tax Credit amount (A.9257-A)
- Creating a new Child Care Facility Capital Improvement Tax Credit to help child care providers enhance and update facilities (A.9264)
- Doubling the existing Child Care Creation & Expansion Tax Credit amount from \$25 million per year to \$50 million per year (A.9245)

MORE ACCESSIBLE OPTIONS FOR PARENTS AND CHILDREN

- I am supporting alternative child care solutions to be implemented into law in New York State (A.9202)

SUPPORTING CHILD CARE STATEWIDE - FAIRLY

- I am backing a proposal that would ensure more public support is given to areas with the highest cost of living, such as Long Island (A.9220)
