Dear Neighbor,

I would like to introduce myself as your new state Assemblymember. I am very grateful for the opportunity to represent you in Albany. As you may know, I am a strong advocate for education and have declared it my top budget priority. To show my commitment to our schools, I helped increase school aid by nearly 1 billion dollars.

- 936.6 million dollar increase in school aid which will help take the burden off local taxpayers
- 25 million dollars in grants for new full-day and half-day pre-K seats
- Second consecutive increase in community college based aid
- 3 percent increase in funding for college opportunity programs that will help disadvantaged students
- 4.2 million dollar increase to public libraries

Increasing school aid helps provide our children and young adults with a quality education from pre-K to graduation day.

As the representative of the newly formed 22nd Assembly District, I look forward to hearing from you on important issues. Below is my contact information. If you have any questions or comments, please do not hesitate to reach out to me.

Sincerely,

Michaelle Solages
Member of the Assembly
