Dear Friend,

Immigrants often encounter a variety of issues as they move to the United States to make a new home for their family. Language barriers and legal questions are quite common, but help is available.

This brochure lists resources for new immigrants on topics including naturalization and citizenship, green card renewal and replacements, consular processing, employment matters, legal services and English language classes.

I hope this information is useful as you make the transition to living in New York. Please contact my office if I can be of any help in this or any other matter.
